**MONDAY, APRIL 8, 2019, 5:30 PM
CITY HALL, ROOM 207**

A. Roll Call.

B. Approval of the Agenda.

1. Approval of the agenda for April 8, 2019 Protection & Policy meeting.

C. Approval of Minutes.

1. Approval of the minutes of the March 25, 2019 Protection & Policy meeting.

D. Regular Business.

1. Consideration with possible action on an appeal by Luke Froeba regarding the denial of his operator's license.
2. Consideration with possible action on a request by Richard Craniums at 840 S. Broadway to temporarily extend their outdoor premise to include their rear parking lot April 20 from 11 a.m. until 6 p.m. for a benefit.
3. Consideration with possible action on an application for a Class "B" Beverage and "Class C" Wine license for El Dorado LLC at 923 W. Mason.
4. Consideration with possible action on a request by Sardine Can at 128 S. Broadway to temporarily extend their licensed premise to their parking lot for special events June 19, July 10, August 7 and August 24.
5. Discussion with possible action on a request by Ald. Brunette, which reads: "For the City to develop a resolution, or policy and procedure to notify property owners near parcels of land with a pending or approved application to be transferred from fee to trust status. My overarching concern is for the City and the Oneida Nation-in goodwill- to notify affected property owners of the new governing jurisdiction, code enforcement, and zoning authority of the parcel recently transferred or applied to be transferred, and to provide an official forum for public input and comment."

6. Discussion with possible action on a request by Ald. Dorff, which reads: "I believe that steps must be taken to ensure that infra structure projects, including but not limited to those that the wheel tax will fund, must be chosen very carefully and be placed into a capital improvement plan. I am requesting that P and P develop policy with the help of DPW, legal and other appropriate staff. This policy must be developed so that the special interests and requests of individual alders do not subvert the process of choosing the projects that have been carefully researched by city staff as being appropriate for placement in a five year plan. Parameters for choosing streets to be repaired, reconstructed or resurfaced as well as other infra structure improvements should be clearly identified within this policy," previously held from the March 25 Protection & Policy Committee meeting.
7. Consideration with possible action Ald. Kathy Lefebvre on a request that states: "I request that we look at street assessments for non profits-example Paul's Pantry N. Webster. Their assessment is \$17,000 and I feel this will take away from the vital services they provide. I do believe they should pay something-maybe half."
