AGENDA ITEM # E.1

Consideration with possible action on 2013 RDA Lease Revenue Bond (KI 2) Refinancing.

BACKGROUND

The 2013 RDA Lease Revenue Bonds were originally issued to finance the expansion to the KI Center. The bonds are federally taxable, and state tax-exempt. They are pre-payable June 1, 2023, but can be "advance refunded" now.

The objectives of refinancing this debt now are 1) achieving debt service savings, and 2) mitigating anticipated near term room tax revenue shortfalls.

The City's financial consultant, Ehler's, has prepared a formal presentation that will provide additional background at the RDA meeting on July 13th. Their presentation has been attached.

RECOMMENDATION

Staff recommends RDA authorization to proceed with the refinancing of the bonds, and preparing a formal resolution for RDA consideration on August 10th meeting.

FISCAL IMPACT

Ehler's is estimating a potential savings of \$7.1 million.

2013 RDA Lease Revenue Bond (KI 2) Refinancing Discussion

July 13, 2021

2013 RDA Lease Revenue Bonds (KI 2)

- Financed expansion to the KI Convention Center
- Interest rates range from 4.900% - 6.150%
- Bond security is a “quiet enjoyment” lease of the facilities from RDA to the City
 - ✓ Excess Room Tax Stabilization Fund dollars are expected source of bond repayment
 - ✓ In the event room tax revenues unavailable, City responsible to pay debt service from any other available source of funds
 - ✓ Due to unavailability of room tax dollars to make June 1, 2021, principal and interest payment, City appropriated \$732,888 in other funding to make lease payment to RDA
 - County funded reserve and unspent bond funds covered approximately \$647,000 of total amount needed

Room Taxes

- After payment of municipal administrative fees, base room taxes (8%) are used to pay debt service for:
 - ✓ 2012 Ashwaubenon CDA Bonds (Resch Center)
 - ✓ 2016 Green Bay RDA Bonds (KI 1)
- Surplus room taxes are then placed in a reserve within the Room Tax Stabilization Fund for the Resch Center and KI 1 Bonds
- Any funds in Room Tax Stabilization Fund in excess of \$5 million can be allocated by County to payment of the RDA's KI 2 Bonds

Room Taxes

- Projections prepared in early June by PMA for Brown County indicate:
 - ✓ No room tax revenue available for December 1, 2021, interest payment due on the KI 2 Bonds
 - ✓ Approximately \$476,670 projected as available for June 1, 2022, principal and interest payment
 - ✓ Sufficient room tax to make December 1, 2022, and future payments

Next Three Payment Dates - Prior to Refinancing

AGENDA ITEM # E.2

Consideration with possible action on a terms sheet for a new development agreement with Toonen Properties for up to \$5 million in TIF assistance for completion of demolition of existing structures and development of approximately 209 market rate apartments on the former JBS Packerland site at 2580 University Avenue (Parcel 21-301), and replacing the previously executed agreement with TMD Properties.

The Authority may convene in closed session pursuant to Sections 19.85(1)(e), Wis. Stats., for purposes of deliberating or negotiating the sale of public properties, investing of public funds or conducting other specified public business as necessary for competitive or bargaining reasons, and Section 19.85(1)(g), Wis. Stats., for the purpose of conferring with legal counsel for the governmental body who is rendering oral or written advice concerning strategy to be adopted by the body with respect to litigation in which it is or is likely to become involved. The Authority will thereafter reconvene in open session pursuant to Section 19.85(2), Wis. Stats., to take action on items discussed in closed session, if appropriate, and to consider the remainder of the agenda.

BACKGROUND

Staff has received a request from Toonen Properties for Tax Incremental Financing assistance for the completion of demolition of existing structures and development of approximately 209 market rate apartment units at the former JBS Packerland site at 2580 University Avenue (Parcel 21-301). This request would take the place of the current development agreement with TMD Properties for the development of 322 units over a 4-5 year period, and a small commercial lot. TMD properties has constructed two buildings of approximately 36 units, but is not in a position to meet their obligations of the current development agreement and intends to sell the property to Toonen Properties. The City has contributed \$1.5 million in an up front project grant to complete the demolition of the existing structures on the site. The original agreement also included a \$4 million PayGo cap, and new tax increment was to be distributed on a 50% Developer, 50% City basis. The projected value for the TMD Properties project was approximately \$21.9 million.

The project being proposed by Toonen Properties consists of approximately 209 market rate apartments in 12 buildings over a 3 year period. Toonen Properties will need to complete the demolition of the remaining structures, and ensure that there is adequate infrastructure to serve the site with two property owners (TMD is retaining ownership of the two buildings that they have constructed). Toonen is requesting a total of \$6.5 million (that is inclusive of the \$1.5 million up front project grant) on a PayGo basis. The projected valuation for the new project is approximately \$24.6 million (including the valuation of the two buildings constructed by TMD Properties). Construction would be completed by 2024. The percentage of distribution requested has increased from 50% to 80% due to increased costs and losing 5 years of potential increment.

Staff and Toonen Properties have reached preliminary agreement on the following terms and conditions subject to the drafting, approval and execution of a formal development agreement:

- New tax increment generated from the project will first be used to recapture the original project grant of \$1.5 million back to the City (financed at \$1.62 million at 2% for 7 years).

- Once the original project grant has been recovered, new tax increment will be divided up on an 80% developer, 20% City basis until a cap of \$5 million to the Developer for qualified expenditures has been reached, or the end of the expenditure period for the TID has been achieved (calendar year 2038 or tax year 2037).

Specific obligations of Toonen Properties shall include:

- Submittal of a concept plan to the RDA for approval by April 1, 2022 that clearly shows ingress and egress from both University Avenue and Rothe Street, a multi-use path connecting to adjacent City-owned park land, and confirmation that the development can be adequately served by water and sewer.

- Submittal of a CSM or Plat for approval by the City prior to any zoning or building permits.

- Submittal of construction documents to the RDA for approval by April 1, 2022 that include site plans, building plans, and other drawings that fix and describe the size and character of the entire Project, along with architectural and general contracts to the RDA for approval. The Construction Documents shall include:

1. Plans and specifications for structural, mechanical and electrical systems, materials; and
2. Full-color elevations for all sides of all proposed structures; and
3. Descriptions and actual samples of all exterior building materials; and
4. Descriptions and photographic examples of interior finishes; and
5. Other such essential items as may be determined by the RDA to be appropriate.

- Submittal of a development project budget of no less than \$25 million by April 1, 2022.

- Submittal of proof of project financing and equity by April 1, 2022.

- Commencement of construction by May 1, 2022, and completion by December 31, 2024.

- Other standard terms and conditions generally required by the RDA and City of Green Bay as drafted and approved by the City Attorney.

RECOMMENDATION

Staff recommends approval of the preliminary terms and obligations identified herein, and requests direction from the RDA to prepare a formal development agreement for RDA review and consideration based on these terms.

FISCAL IMPACT

Staff has determined that a new development agreement with Toonen Properties allows the City to recover its original project grant as quickly as possible, and that sufficient cash flows will be generated to fund the requested TIF assistance during the remaining life of the TID. The original agreement with TMD Properties will need to remain in place until the new agreement with Toonen Properties has been approved.

- A. Qualification for TIF. Developer shall demonstrate to the satisfaction of City and RDA a need for TIF, with such determination to be made according to the "but for" test, that is, that but for the City and RDA providing TIF, the Project would not happen. At the request of the City or RDA, Developer shall provide an independent analysis from a consultant expert in TIF to justify to the

satisfaction of the City and RDA the Developer's qualification and need for TIF, both in terms of Qualified Expenditures and the amount of money to be paid to Developer.

B. Nature of TIF Incentive. The TIF Incentive available to Developer under this Agreement shall be composed of two parts:

1. Project Grant. The City shall provide one million five hundred thousand dollars (\$1,500,000.00) of TIF Incentive as a Project Grant upon Developer fulfilling all obligations identified in Sections IV.A., IV.B., IV.C., IV.E., IV.F., IV.G., IV.H., and IV.I., which shall be placed in an escrow account to pay certain Qualified Expenditures as identified in Sections III.C.1., III.C.2., III.C.3., and III.C.4. below after Developer provides copies of any invoice to the City and RDA evidencing that Developer has incurred such Qualified Expenditures. Within thirty (30) days of receipt of any aforementioned invoice, City shall disburse to Developer such portion of the Project Grant necessary to pay any such invoice submitted by Developer to the City and RDA.

2. PAYGo Reimbursement. The City shall provide an additional TIF Incentive as a pay-as-you-go (PAYGo) obligation of the City, which is further defined as follows:

- a) Developer shall be responsible to incur and pay all of the upfront costs of the Project and, to the extent TID revenues are sufficient to the limits of the TID and this Agreement, Qualified Expenditures as identified in Section III not covered by the Project Grant TIF Incentive shall be reimbursed to Developer pursuant to this PAYGo TIF Incentive.
- b) Commencing the first year after the first occupancy permit for the Project has been issued, the assessed value of the Property shall be determined on January 1 of each tax year and shall be compared to the Base Value. The difference between the foregoing shall be known as the Incremental Property Value.
- c) Incremental Property Value multiplied by the assessed mill rate, less payments of real estate taxes to the State of Wisconsin, shall be known as the TIF Increment.
- d) The City shall first use the TIF Increment to cover its annual debt service obligation for the Project Grant. Should the annual debt service payment not consume all of the TIF Increment, the City shall make available not more than fifty percent (50%) of the remaining TIF Increment to the Developer.
- e) PAYGo Reimbursement payments will be payable to Developer in the year following the year of the TIF Increment determination, after Developer has provided proof to the City of the full payment of the real estate taxes, special assessments and special charges against the Property for the previous year. For example, if the first occupancy permit is issued on September 1, 2018, the TIF Increment would be determined as of January 1, 2019 and the PAYGo reimbursement would first be payable in 2020.

C. Qualified Expenditures. Qualified Expenditures are expenditures of Developer for the Project that are eligible for TIF Incentives, which shall be limited to:

1. Environmental remediation and asbestos abatement; and
2. Demolition, including the grinding of concrete and asphalt; and

3. Utility removal and relocation, including sewer, electrical, and fiber-optic lines; and
4. Infrastructure development, including clearing of land, site contouring and the construction of access road(s); and
5. Architectural and aesthetic enhancements in the construction of new buildings.

D. Limitations. The TIF Incentive available to Developer for the Project is limited as follows:

1. Monetary Limitation. The PAYGo TIF Incentive in any year shall not exceed fifty percent (50%) of the Available Tax Increment for the Property.
2. Tax Incentive Cap. The City shall not be obligated to pay TIF Incentive, inclusive of both the Project Grant and PAYGo Reimbursement, in excess of the lesser of four million dollars (\$4,000,000.00) or the total amount of Qualified Expenditures incurred by Developer.
3. Tax Receipts Limitation. Only the Available Tax Increment actually received by the City, and no other property, revenue, or asset of the City, shall be used to pay such amounts.
4. Temporal Limitation. Provided Developer qualifies for TIF Incentive and provides adequate proof to the City and RDA that Developer has incurred Qualified Expenditures, the PAYGo TIF Incentive payments shall be made within thirty (30) days after Developer has paid the real estate taxes and any Special Assessments and Special Charges in full for the previous tax year, provided, however, in no event shall the PAYGo TIF Incentive payments continue after the earlier of:
 - a) Calendar year 2036;
 - b) The termination date of the TID, which is currently set at 2042; or
 - c) The termination of this Agreement if before the termination of the TID.

E. No General Obligation of City. The City's obligation to make TIF Incentive payments shall be a special and limited obligation only and shall not be considered a general obligation of the City, and neither the full faith and credit nor the taxing powers of the City are pledged to the payment of such amounts. The City shall take no action to dissolve the TID before payment of all TIF Incentive payments due to the Developer, subject to the provisions of this Agreement. In no circumstances shall amounts to be paid Developer hereunder be considered an indebtedness of the City, and the obligation of the City hereunder is limited to the Available Tax Increment appropriated and received by the City. Amounts due hereunder shall not count against the City's constitutional debt limitation, and no taxes will be levied for its payment or pledged to its payment other than from the Available Tax Increment.

Failure to provide such timely notice shall not eliminate Developer's indemnification obligations to the City and RDA unless, and only to the extent to which, such failure has substantially prejudiced Developer. Notwithstanding the foregoing, in its sole discretion and at its expense, the City and RDA may participate in or defend or prosecute, through their own counsel(s), any claim suit or action for which either of them is entitled to indemnification by Developer; provided, however, that if the City or RDA is advised in writing by its legal counsel that there is a conflict between the positions of Developer and City or RDA, as appropriate, in conducting the defense of such action or that there are legal defenses available to the City or RDA different from or in addition to those available to Developer, then counsel for the City or RDA, at Developer's expense, shall be entitled to conduct the defense only to the extent necessary to protect the interests of the City or RDA. Developer shall not enter into any compromise or settlement without the prior written consent of the City or RDA, as appropriate, which consent shall not be unreasonably withheld. The absence of a complete and general release of all claims against the City or RDA shall be reasonable grounds for the City or RDA to refuse to provide written consent to a compromise or settlement. If Developer does not assume the defense of such claim, suit or action, Developer shall reimburse the City and RDA for the reasonable fees and expenses of counsel(s) retained by the City and by RDA, and shall be bound by the results obtained by the City and RDA;

provided, however, that no such claim, suit or action shall be settled without Developer's prior written consent, which consent shall not be unreasonably withheld. The absence of a complete and general release of all claims against Developer shall be reasonable grounds for Developer to refuse to provide written consent to a compromise or settlement.

V. CONDITIONS PRECEDENT TO OBLIGATIONS OF CITY AND RDA

The City's and RDA's obligations under this Agreement are conditioned upon the following:

- A. Existence. Developer shall have provided City and/or RDA a certified copy of its organizational documents and a certificate from the Department of Financial Institutions for the State of Wisconsin indicating Developer's existence and good standing.
- B. Incumbency; Due Authorization. Developer shall have provided a certificate of incumbency and resolutions of the company, demonstrating Developer has been duly authorized to enter into this Agreement and authorizing the person signing this Agreement to execute and deliver it to the City and/or RDA, and to bind Developer to its terms.
- C. No Violation or Default. Developer shall not be in violation of any of its governing documents or other contracts subject to this Agreement or of any other agreement between Developer and the City and/or RDA.
- D. Insurance. Developer shall have delivered to the City and/or RDA certificates of all insurance required under this Agreement.

All actions required to authorize RDA to enter into this Agreement shall have been taken and evidence of such actions, including authorization of the person signing this Agreement on behalf of RDA shall have been provided to Developer.

VII. REPRESENTATIONS, WARRANTIES AND COVENANTS

Developer represents and warrants to the City and RDA as follows:

- A. No Material Change in Documents. All contract documents and agreements have been furnished to the City and RDA, as the case may be, and are true and correct and there has been no material change in any of the same.
- B. No Material Change in Developer Operations. There has been no material change in the business operations of Developer since the date the parties began negotiation to enter into this Agreement.

- C. Compliance with Zoning. The Property now conforms and will continue to conform at all times and in all respects with applicable zoning and land division laws, rules, regulations and ordinances.
- D. Payment. Developer shall pay for all work performed or materials furnished for the Project when and as the same become due and payable. Developer shall not suffer any construction or other involuntary lien to be imposed upon the Property, except for liens for claims to payment that are subject to a bona fide dispute, and, in that case, such liens shall be removed by Developer posting bond or other security, paying one hundred and twenty percent (120%) of the lien claimed into court, escrowing funds or promptly taking other steps to remove the lien of record. Developer shall pay all other obligations relating to the Project, including all creditors holding liens or mortgages against the Property when and as the same become due. Developer will pay all taxes and assessments levied against the Property when and as the same become due.
- E. Certification of Facts. No statement of fact by Developer contained in this Agreement and no statement of fact furnished or to be furnished by Developer to the City or RDA pursuant to this Agreement contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact necessary in order to make the statements herein or therein contained not misleading.
- F. Good Standing. Developer is a limited liability company organized and existing in good standing under the laws of the State of Wisconsin and has the power and all necessary licenses, permits and franchises to own its assets and properties and to carry on its business.
- G. Due Authorization. The execution, delivery and performance of this Agreement and all other agreements requested to be executed and delivered by Developer hereunder have been duly authorized by all necessary company action of Developer and constitute valid and binding obligations of Developer, in accordance with their terms, subject only to applicable bankruptcy, insolvency, reorganization, moratorium, general principles of equity, and other similar laws of general application affecting the enforceability of creditors' rights generally.
- H. No Conflict. The execution, delivery, and performance of the obligations of Developer pursuant to this Agreement will not violate or conflict with the Articles of Organization or Operating Agreement of Developer or any indenture, instrument or material agreement by which Developer is bound, nor will the execution, delivery, or performance of obligations of Developer pursuant to this Agreement violate or conflict with any law applicable to Developer.
- I. No Litigation. There is no litigation or proceeding pending or, to the best of Developer's knowledge, threatened against or affecting Developer or the Property that would adversely affect the Project, Developer or the priority or enforceability of this Agreement, the ability of Developer to complete the Project or the ability of Developer to perform its obligations under this Agreement.
- J. No Default. No default, or event that with the giving of notice or lapse of time or both would be a default, exists under this Agreement, and Developer is not in default (beyond any applicable period of grace) of any of its obligations under any other material agreement or instrument to which Developer is a party or an obligor.
- K. Compliance with Laws and Codes. The Project, when completed, will conform and comply in all respects with all applicable laws, rules, regulations and ordinances, including without limitation, all building codes and ordinances of the City. Developer will comply with, and will cause the Project to be in compliance with all applicable federal, state, local and other laws, rules, regulations and ordinances, including without limitation, all environmental laws, rules, regulations and ordinances.

- L. Fees or Commissions. Neither the City nor RDA shall be liable for any broker fees or commissions incurred by Developer in connection with the Property or any transactions contemplated by this Agreement.

VIII. DEFAULT

- A. Developer Default. Each of the following shall be an Event of Default by Developer:

1. Failure to Make Payment. Developer fails to make any payment required and such failure continues for a period of ten (10) days after its due date;
2. Failure to Abide by Other Terms. Developer fails to perform any other of its obligations under this Agreement and such failure continues for a period of thirty (30) days from the date of notice from the City or RDA; provided, however, if such cure cannot reasonably be accomplished within such thirty days and the delay in cure does not materially impair the financial interests of the City or RDA, and if Developer promptly commences cure within the initial thirty days and diligently pursues cure thereafter, Developer shall have a reasonable time, not to exceed sixty (60) days after the initial thirty (30) days, for a total of ninety (90) days to cure;
3. Misrepresentation. Any representation or warranty of Developer in this Agreement or any agreement contemplated by this Agreement is untrue in any material respect;
4. Fraud and Other Illicit Behavior. Developer or any of its members is convicted of, pleads no contest to, or enters into any other agreement other than a dismissal with no conditions as to any allegation of:
 - a) Fraud; or
 - b) Indecent or illicit behavior that in the determination of the City or RDA would threaten the reputation of Developer or its ability to complete the Project according to the requirements of this Agreement;
5. Insolvency. Developer or any guarantor of the obligations of Developer hereunder is insolvent or becomes the subject of a petition in bankruptcy, a receivership, a composition or any other proceeding designed for the benefit of creditors generally that is not dismissed within sixty (60) days of the date of filing;
6. Involuntary Liens. Any lien is imposed upon the Property involuntarily due to the acts or omissions of Developer and such lien is not removed within sixty (60) days of it being imposed upon the Property.

- B. Remedies Upon Default. In the event of the occurrence of an Event of Default by Developer, the City may in its discretion:

1. Termination. Terminate this Agreement without further notice to Developer;
2. Offset and Recoupment. Offset or recoup against any amounts that may then or thereafter come due from the City or RDA to Developer, whether under this Agreement or otherwise, an amount of damages reasonably estimated by the City or RDA resulting from Developer's breach;

3. Specific Performance. Sue for specific performance;
 4. Sue for Damages. Sue for all damages caused by the Event of Default;
 5. Other Remedies. Pursue any other remedies available to the City or RDA at law or in equity;
 6. Interest. Collect interest on all delinquent amounts at the rate of 12% percent per annum from the date such amount was due; and
 7. Costs and Attorney Fees. Collect all costs and fees, including reasonable attorney fees incurred by the City and RDA, or either of them, by virtue of the Event of Default.
- C. City or RDA Default. Developer shall have all rights and remedies available under law or equity with respect to any failure of the City and/or RDA to perform their obligations under this Agreement, but only after providing the City and RDA notice of such default and a failure by the City and/or RDA to commence attempts to cure such default within the thirty (30) day notice period. If the City and/or RDA, as appropriate, commences cure within the thirty day notice period and thereafter reasonably and continuously takes action to complete such cure, then the failure to perform shall not be an Event of Default.
- D. Limitation of Damages. The foregoing notwithstanding, none of the parties shall be liable to any other party for any incidental, consequential, indirect, punitive or exemplary damages. All claims and damages asserted against the City or RDA shall be subject to statutory protections of municipalities and their officials and employees, including the immunity and limitations set forth in §893.80 Wis. Stats.
- E. No Waiver. Any delay in instituting or prosecuting any actions or proceedings or otherwise asserting the rights granted in this Agreement, shall not operate as a waiver of such rights to, or deprive it of or limit such rights in any way, nor shall any waiver in fact made with respect to any specific default, be considered or treated as a waiver of any rights with respect to other defaults or with respect to the particular default except to the extent specifically waived in writing.
- F. Remedies Cumulative. Except as expressly provided otherwise in this Agreement, the rights and remedies of the parties to this Agreement, whether provided by law or by this Agreement, shall be cumulative, and the exercise by any party of any one or more of such remedies shall not preclude the exercise of it, at the same or different times, of any other such remedies for any other default or breach by any other party.

IX. TERMINATION

- A. Date of Termination. This Agreement shall terminate upon the earliest of the date:
1. All Qualified Expenditures have been repaid in full by Tax Increment;
 2. The City closes and terminates the TID;
 3. The Wisconsin Department of Revenue fails to certify or revokes certification of all or any portion of the TID or the Property;
 4. This Agreement is terminated because of an Event of Default;

5. The parties agree in writing to terminate this Agreement.
- B. TIF Payments termination. In no event shall TIF Incentive payments continue after the earlier of:
1. Calendar year 2036;
 2. The termination date of the TID, which is currently set at 2042; or
 3. The termination of a Development Agreement if before the termination of the TID.
- C. Survival of Certain Provisions. Sections III.E, IV.E, IV.I, IV.K, IV.P.2, IV.Q, IV.R.2, IV.T, V.A, V.B, V.C, V.D, V.E, VII.C, VII.D, VII.E, VII.G, VII.K, VII.L, VIII.B, VIII.D, VIII.E, VIII.F, X.B, X.C, X.G, X.J, X.M, X.O, X.P, and X.R. shall survive the termination of this Agreement.

X. MISCELLANEOUS PROVISIONS

- A. Assignment. Developer may not assign its rights under this Agreement without the express prior written consent of the City and RDA, which consent shall not unreasonably withheld, conditioned, or delayed.
- B. Nondiscrimination. In the performance of work under this Agreement, Developer shall not discriminate against any employee or applicant for employment nor shall the Property or any portion thereof be sold to, leased or used by any party in any manner to permit discrimination or restriction on the basis of the basis of race, color, national or ethnic origin, ancestry, age, religion or religious creed, disability or handicap, sex or gender (including pregnancy), gender identity and/or expression, sexual orientation, military or veteran status, genetic information, or any other characteristic protected under applicable federal, state or local law. Retaliation is also prohibited. The construction and operation of the Property shall be in compliance with all effective laws, ordinances and regulations relating to discrimination on any of the foregoing grounds.
- C. No Personal Liability. Under no circumstances shall any trustee, officer, official, commissioner, director, member, partner or employee of the City or RDA have any personal liability arising out of this Agreement, and Developer shall not seek or claim any such personal liability.
- D. No Personal Interest of Public Employee. No official or employee of the City or RDA shall have any personal interest in this Agreement, nor shall any such person voluntarily acquire any ownership interest, direct or indirect, in the legal entities that are parties to this Agreement. No official or employee of the City or RDA shall be personally liable to Developer or any successor in interest, in the event of any default or breach by the City or RDA, or for any amount that becomes due to the Developer or its successors under this Agreement.
- E. Relationship of Parties. The City and the RDA are not partners or joint venturers with Developer in the Project or otherwise. Under no circumstances shall the City or RDA be liable for any of the obligations of Developer under this Agreement or otherwise. There are no third party beneficiaries of this Agreement.
- F. Force Majeure. No party shall be responsible to any other party for any resulting losses and it shall not be a default hereunder if the fulfillment of any of the terms of this Agreement is delayed or prevented by revolutions or other civil disorders, wars, acts of enemies, strikes, fires, floods, acts of God, adverse weather conditions, legally required environmental remedial actions, industry-wide shortage of materials, or by any other cause not within the control of the party whose performance was interfered with, and which exercise of reasonable diligence, such party is unable to prevent,

whether of the class of causes herein above enumerated or not, and the time for performance shall be extended by the period of delay occasioned by any such cause. The foregoing notwithstanding, a force majeure event may not be used to avoid an Event of Default if the delay caused by the force majeure event exceeds ninety (90) days from the date the event occurred.

G. Parties and Survival of Agreement. Except as otherwise expressly provided herein, this Agreement is made solely for the benefit of the parties hereto and no other person, partnership, association or corporation shall acquire or have any rights hereunder or by virtue hereof. All representations and agreements in this Agreement shall remain operative and in full force and effect until fulfilled and shall survive the closing.

H. Time. TIME IS OF THE ESSENCE with regard to all dates and time periods set forth herein.

EXHIBIT B
Preliminary Concept Plan

**Toonen Companies Inc
University Heights Development
Developers Agreement Terms & Other Considerations**

Developers Agreement

Recitals – A - The real property to be developed is, in total, essentially the same as the existing agreement with the following exception. Toonen Companies is not intending on taking ownership of the existing two buildings (36 units) and as such, these buildings will need to be separated in some manner from the rest of the property/project. Assistance from the City of GB is needed to determine how this would best be accomplished.

The existing two buildings would be separated onto their own parcel in one of two manners

1. The existing road & cul-de-sac that currently provides access to this parcel would be dedicated as a public street. This would give both the new parcel and the remainder of the exiting parcel frontage on a public street. A variance may be needed for the new parcel as the amount of frontage may not be sufficient to meet code. It would need to be determined if the existing road meets City of GB specifications or if not, what improvements would need to be made in order to meet these specifications.
2. The existing road & cul-de-sac would remain private and would be included as part of the new parcel (existing buildings). That would give the new parcel (existing buildings) frontage on University. The remaining (existing) parcel would meet it's frontage requirements off of Rothe St. Access easements would be needed by Toonen Companies for access and usage of the exiting road.

Recitals – C - We assume the Phase 1 demolition and environmental remediation has been essentially completed. There is one remaining cement or block building that Toonen Companies would want to demo. In addition, it is Toonen Companies understanding that there is a \$600,000+ cost overrun on the Phase I demolition and remediation. The cost of the remaining demo and the cost overrun have been included in the increased incentive request.

Our intention would be to construct 209 market rent garden style apartments over a 2-3 year period with no phasing. We will not be reserving the 3.59 acres in the NW corner of the property for future mixed-use or commercial development as noted in the current agreement. This property is incorporated into the proposed multi-family development in order to achieve what we believe to be the ideal density.

Recitals – E - The existing two buildings / 36 units, have an assessed value of \$3,379,900 or \$93,886 per unit. The inclusion of this value in any and all calculations is essential in making the overall agreement work.

We are projecting our 209 proposed units to have an assessed value of at least \$105,000 per unit or \$21,945,000 total. We currently have very similar buildings in the Village of Harrison that are assessed at \$103,290 per unit (I can provide documentation if needed) so we feel this valuation is both realistic and conservative. The combined value of the existing buildings and the proposed buildings would equal approximately \$25.3 million. At the current assessed value rate of \$24.62 that would generate annual real estate taxes of \$623,994.

- III. B. 1. - This section would need to be reworded or removed since the initial \$1.5 million was advanced to the current developers for demolition and remediation purposes.
- III. B. 2. d) – Request that the Developer’s TIF increment share be increased from 50% to 80%.
- III. C. 4. - Request that the definition of infrastructure development be broadened to include “installation of sewer & water” and “construction of retention pond”.
- III. D. 1. - Increase percentage from 50% to 80%
- III. D. 2. - Increase the Tax Incentive Cap from \$4.0 million to \$6.5 million. The justification for this requested increase in cap is as follows:
 - Toonen Companies is paying a premium to the current developers in order to secure the property and resurrect a failed development.
 - Due to the elevations and contours of the property, Toonen Companies is estimating an additional \$2.0 million in excess excavation and infrastructure costs will be incurred. We are currently estimating our total excavation costs at \$3.5 million. This includes importing a significant amount of top soil not present on the site; exporting a significant amount of excess material from the site; need to construct a water riser system in order to obtain proper water pressure and flow to the upper level of the development. Further details will be provided. In comparison, a similar size development currently being constructed by Toonen Companies in the Village of Howard has an excavation budget of \$1.5 million.
 - Construction costs have increased dramatically over the past 12 months and do not show signs of receding any time soon. Our total estimated construction costs for this development will be approximately \$3.0-\$4.0 million higher than a similar size development just two years ago. While rents over the same period have increased as well, they have not and cannot keep pace with the increase in construction costs.

- In order to maintain the quality of construction and the architectural and aesthetic enhancements desired by both the Toonen Companies and the City of Green Bay, increased assistance will be needed to help offset an additional \$20,000/unit of estimated excess costs necessary to make this a reality.

III D. 4. a) - Change the calendar year expiration to 2040.

IV. A. 3. - Remove the 3.59 acre set aside for future mixed-use or commercial development.

IV. C. – The development budget for the 209 proposed units will be not less than \$25.0 million.

Summary

- 209 market rent garden style apartments
- Total assessed value \$25.3 million (\$21.9 + \$3.4)
- Total taxes generated \$624,000/year
- Share of increment 80%
- Incentive cap \$6.5 million
- Incentive expiration 2040

Other Considerations

- Road dedication, as noted
- Parcel separation, as noted
- Water Pressure – There is some concern about water pressure at the top of the hill. Can someone from the GB water utility address that concern?

MEETING DATE

July 13, 2021

PREPARED BY

Neil Stechschulte, Director

AGENDA ITEM # E.3

Consideration with possible action on a request to amend the development agreement with Whitney School Development, LLC regarding moving the timing of their first PayGo TIF payment for the Whitney School Apartments (Lofts) development at 215 N. Webster Avenue (Parcel 9-112) from 2022 to 2021.

The Authority may convene in closed session pursuant to Sections 19.85(1)(e), Wis. Stats., for purposes of deliberating or negotiating the sale of public properties, investing of public funds or conducting other specified public business as necessary for competitive or bargaining reasons, and Section 19.85(1) (g), Wis. Stats., for the purpose of conferring with legal counsel for the governmental body who is rendering oral or written advice concerning strategy to be adopted by the body with respect to litigation in which it is or is likely to become involved. The Authority will thereafter reconvene in open session pursuant to Section 19.85(2), Wis. Stats., to take action on items discussed in closed session, if appropriate, and to consider the remainder of the agenda.

BACKGROUND

In April of 2018, the RDA and Whitney School Development, LLC entered into a development agreement for TIF assistance for the renovation of Whitney School into 23 market rate apartments for 80% of the new tax increment up to \$800,000.00 on a PayGo basis. The projected valuation of the project was \$2.5 million. The project has been completed, and occupancy permits for the project were issued in January 2020. Per the development agreement, this would designate January 1, 2021 as the full assessment date with the associated taxes being paid in 2022, which would also therefore be the first year that the PayGo TIF payment would be made available to the developer.

As the project was substantially complete at the end of 2019, the assessed value also increased substantially despite not being fully completed. The Developer has stated that the assessed values have increased as follows:

- January 1, 2019: \$550,900.00
- January 1, 2020: \$2,098,300.00
- January 1, 2021: \$2,238,000.00

The Developer is requesting that the first PayGo payment be made in 2021.

The Finance Department is verifying the assessment valuation, and will provide an update at the RDA meeting on July 13th.

RECOMMENDATION

Staff recommends approval of the amendment to advance the first PayGo TIF payment to the Developer to 2021, subject to 1) confirmation of available cash flow in TID 20, and 2) that the Developer has met its other obligations under the current development agreement, and requests that the RDA direct staff to prepare a formal amendment to the development agreement for RDA review and consideration.

FISCAL IMPACT

Upon confirmation that adequate cash flow in TID 20 is available, staff does not anticipate any negative financial impacts. The cap of \$800,000.00 of TIF assistance does not change with the earlier payment.

The Property comprises approximately [1.207] acres of land. A legal description of the Property is herein attached as EXHIBIT A. Should the boundaries of the Property change, the Developer shall cause a certified survey map to be prepared, approved and recorded with the Brown County Register of Deeds.

- F. Pursuant to the provisions of §66.1105, Wis. Stats. (the "Tax Increment Law"), the Developer requests that the RDA and City ask the Joint Review Board (JRB) to create a new conservation and rehabilitation or blight Tax Increment District ("TID 20" or the "TID"), effective January 1, 2018, which includes the Property and adjacent property, and which will provide part of the financing for certain costs of the Project.
- G. Developer has requested Tax Incremental Finance ("TIF") assistance from the City and RDA with regard to certain expenses, including, but not limited to environmental remediation; demolition, remodeling, repair or reconstruction of existing buildings; clearing of land; construction of new buildings; or the construction of public works infrastructure, which will constitute qualified expenditures for which TIF assistance may be afforded Developer.
- H. The City and RDA desire to have Developer perform the Project in order to generate economic activity and tax base for the community consistent with the City Comprehensive Plan.
- I. In order to induce Developer to undertake the Project, such that neglected historic structures will be rehabilitated, the physical environment will be enhanced, the range of residential real estate products will be increased, and the public will generally benefit, the City has agreed to provide assistance to Developer as provided by this Agreement, all in accordance with the terms and conditions of this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties agree as follows:

I. PURPOSE

- A. Incorporation of Proceedings, Exhibits, and Recitals. - B. Implementation Schedule. TIME IS OF THE ESSENCE with regard to all dates and time periods set forth and/or incorporated herein. Any material modification or deviation from an approved schedule described in this Agreement shall occur only upon approval of the City and RDA, with any such approvals required to be in writing as an amendment to this Agreement, and which approvals shall not be unreasonably withheld. City shall cooperate and act promptly with respect to any and all permits or approvals necessary for completion of the Project. Notwithstanding the above, this Agreement shall not limit the discretion of the City, or any of its duly appointed and authorized governing bodies, boards or entities, in approving or rejecting any aspect of the Project or improvements contemplated on or about the Property.

- C. Entire Agreement. This writing including all Exhibits hereto, and the other documents and agreements referenced herein, constitutes the entire Agreement between the parties hereto in respect to the Project and all prior letters of intent or offers, if any, are hereby terminated. This Agreement shall be deemed to include and incorporate such minutes, approvals, plans, and specifications, as referenced in this Agreement, and in the event of a conflict between this Agreement and any action of the City or RDA, granting approvals or conditions attendant with such approval, the terms of this Agreement shall be deemed controlling and the City and RDA will take the necessary action to amend any conflicting approvals or conditions.
- D. Purpose of the Agreement. In order to cause the Project to occur and to induce Developer to undertake the Project, to promote community development, industry and job creation and to expand and enhance the tax base within the City, the City intends to provide the TIF Incentives as set forth in this Agreement. The City intends to recover its costs through the Available Tax Increment generated by the Property. The parties intend to enter into this Agreement to record the understandings and undertakings of the parties and to provide a framework within which the Project may proceed.

- S. "TIF" means Tax Increment Financing, as described in Section III below and in particular, Tax Increment Financing relating to the TID.
- T. "TIF Incentive" means the incentive as set forth in Section III of this Agreement including specifically the Tax Incentive Cap.

III. TAX INCREMENT FINANCING

- A. Qualification for TIF. Developer shall demonstrate to the satisfaction of City and RDA a need for TIF, with such determination to be made according to the "but for" test, that is, that but for the

City and RDA providing TIF, the Project would not happen. At the request of the City or RDA, Developer shall provide an independent analysis from a consultant expert in TIF to justify to the satisfaction of the City and RDA the Developer's qualification and need for TIF, both in terms of Qualified Expenditures and the amount of money to be paid to Developer.

B. Nature of TIF Incentive. The TIF Incentive available to Developer under this Agreement shall be:

I. PAYGo Reimbursement. The City shall provide an TIF Incentive as a pay-as-you-go (PAYGo) obligation of the City, which is further defined as follows:

- a) Developer shall be responsible to incur and pay all of the upfront costs of the Project and, to the extent TID revenues are sufficient to the limits of the TID and this Agreement, Qualified Expenditures shall be reimbursed to Developer.
- b) Commencing the first year after the first occupancy permit for the Project has been issued, the assessed value of the Property shall be determined on January 1 of each tax year and shall be compared to the assessed value of the Property as of January 1 of the year in which construction commenced. The difference in assessed values shall be known as the Incremental Property Value.
- c) Incremental Property Value multiplied by the assessed mill rate, less payments of real estate taxes to the State of Wisconsin, shall be known as the Available TIF Increment.
- d) The City shall make available not more than eighty percent (80%) of the Available TIF Increment to the Developer, subject to the limitations in III. C.
- e) PAYGo. Commencing in the year after the first occupancy permit for the Project has been issued, reimbursement payments will be payable to Developer in the year following the year of the TIF Increment determination, after Developer has provided proof to the City of the full payment of the real estate taxes, special assessments and special charges against the Real Estate for the previous year. For example, if the first occupancy permit is issued on September 1, 2019, the TIF Increment would be determined as of January 1, 2020 and the PAYGo reimbursement would first be payable in 2021.

2. Qualified Expenditures. The TIF Incentive shall only fund:

- a) Public Improvements, as defined in Section II. M., and environmental remediation and asbestos abatement as required by State and Federal law;
- b) "Private Improvements" specifically approved by the City or RDA as stated in Section IV. C.

3. Assignment. Developer may assign any of its payment rights hereunder to any future purchaser or developer of any part of the Property upon approval of the RDA, provided however, that the City shall be obligated only to disburse TIF Incentives to the party with whom the City has an agreement. It shall be incumbent upon Developer to enter into a separate agreement with any third parties if it intends to assign its payment rights hereunder, or seek either reimbursement or allocation of any Incremental Property Value and guaranteed aggregate assessed value generated by any third party purchaser and/or developer of any part of the Property.

C. Limitations. The TIF Incentive available to Developer for the Project is limited as follows:

1. Monetary Limitation. The TIF Incentive in any year shall not exceed eighty percent (80%) of the Available Tax Increment for the Property.
2. Tax Incentive Cap. The City shall not be obligated to pay TIF Incentive in excess of the lesser of eight hundred thousand dollars (\$800,000.00) or the total amount of Qualified Expenses incurred and paid by Developer.
3. Tax Receipts Limitation. Only the Available Tax Increment actually received by the City, and no other property, revenue, or asset of the City, shall be used to pay such amounts.
4. Temporal Limitation. Provided Developer qualifies for TIF Incentive and provides adequate proof to the City and RDA that Developer has incurred and paid Qualified Expenditures, TIF Incentive payments shall be made within thirty (30) days after Developer has paid the real estate taxes and any Special Assessments and Special Charges in full for the previous tax year, provided, however, in no event shall TIF Incentive payments continue after the earlier of:
 - a) the termination date of the TID;
 - b) or the termination of this Agreement if before the termination of the TID.

D. No General Obligation of City. The City's obligation to make TIF Incentive payments shall be a special and limited obligation only and shall not be considered a general obligation of the City, and neither the full faith and credit nor the taxing powers of the City are pledged to the payment of such amounts. The City shall take no action to dissolve the TID before payment of all TIF Incentive payments due to the Developer, subject to the provisions of this Agreement. In no circumstances shall amounts to be paid Developer hereunder be considered an indebtedness of the City, and the obligation of the City hereunder is limited to the Available Tax Increment appropriated and received by the City. Amounts due hereunder shall not count against the City's constitutional debt limitation, and no taxes will be levied for its payment or pledged to its payment other than from the Available Tax Increment.

E. Other Grants and Credits. The City and RDA, as appropriate and in its sole discretion, may also apply for such other grants and credits in regard to the Project as they shall deem appropriate for the benefit of the Project and as may be required to achieve necessary financing for the Project, provided, however, the City and RDA make no representations or warranties about the availability of such grants and credits or whether any such grants or credits that may be available will be awarded.

The RDA shall indicate its approval or further requirements in writing within thirty (30) days from the date of receipt of the Concept Plan, Construction Documents, or Development Budget, or any revisions; provided, however, that the RDA shall approve such revised Concept Plan, Construction Documents, or Development Budget unless it determines such revisions would impair the objectives of this Agreement, impose substantial financial burdens on the City or the RDA, or adversely affect the Concept Plan. The RDA will make all reasonable efforts to determine the acceptability of plans in less than thirty (30) days, including convening for special meetings to review and consider such plans. At any time during the implementation of the development contemplated by this Agreement, the RDA or Developer may propose modifications to the Preliminary Concept Plan and the approved Concept Plan subject to the agreement of the RDA and the Developer. Developer will obtain from the City and all other appropriate governmental bodies (and all other councils, boards, and parties having a right to control, permit, approve, or consent to the development and use of the Property) all approvals and consents necessary to develop and use the Property as set forth above, including, but not limited to:
1. Developer shall pay all water, sewer, and other impact fees that may be due and payable in connection with the Project.
 2. The acceptance of this Agreement and granting of any and all approvals, licenses, and permits by the City shall not obligate the City to grant any variances, exceptions, or conditional use grants, or approve any building or use the City determines not to be in compliance with the municipal codes and ordinances of the City, or in the best interests of the City or the RDA.

- F. Proof of Equity. Developer shall have in place and shall provide the City and RDA no later than October 31, 2018, proof of equity of not less than five percent (5%) in an amount sufficient to obtain financing for all Project costs.
- G. Proof of Financing. By no later than October 31, 2018, Developer shall have delivered proof satisfactory to the City and RDA of financing which will be sufficient in the determination of the City and RDA, to complete the Project according to the plans and specifications.
- H. Acquisition of Property. By no later than October 31, 2018, Developer shall have closed on the purchase of all of the parcels comprising the Property and all of the necessary rights of way required for the Project. Developer shall provide copies of deeds and such other closing documents as requested by the City or RDA regarding the purchase of the Property and rights of way. The Property and rights of way shall be owned in the name of the Developer.

- K. Use of Funds. Developer may use TIF supported funds only to fund Qualified Expenses as set forth in the approved Development Budget.
- L. Improvement of Property. Developer shall promptly design and complete the Project. Substantial work on the Project shall commence no later than ninety (90) days after the last to occur of approval by the City and RDA of the Preliminary Concept Plan, approval by RDA of the Development Budget and Development Plans, and/or issuance of a building permit and all other permits or licenses required to commence construction, which shall be no later than December 31, 2018. Construction of the Whitney School apartments shall be completed no later than December 31, 2019. Developer shall file with the RDA copies of the detailed construction plans within ninety (90) days after completion of the Project.
- M. Reports and Information. During the period before the commencement of construction, Developer shall from time to time provide to the RDA information having a bearing upon the interests of the City and the RDA in the Property or under this Agreement. Upon request of the RDA, Developer shall submit progress reports during the course of construction. Upon request of the RDA, Developer shall submit a copy of annual, audited financial statements for Developer through termination of this Agreement.
- N. Copies of Documents. All documents from Developer to the City or RDA shall be submitted in triplicate.

- P. Transfer or Sale of Project Property.

- I. Notice of Intent to Transfer. If Developer intends to sell, transfer or convey the Property or any part thereof before termination of this Agreement, Developer shall provide to the City and RDA a written request for transfer thirty (30) days prior to the anticipated transfer. The City or RDA may deny the request for any commercially reasonable reason. This prohibition shall not be deemed to prohibit or restrict leasing to tenants or granting any other right to occupy and use any portion or portions of the Property. Developer may assign all rights and obligations under this Agreement only to an entity controlled and affiliated with Developer to own, manage and operate the Property. This Agreement inures to the benefit and becomes the obligation of the heirs, successors and assigns of Developer. This Agreement shall run with the land and shall be binding upon all current and future owners of the Property. Owner shall not be required to provide the City or RDA with written notice of its intent to transfer in connection with the granting of any mortgage or security agreement to finance or refinance loans for the purchase of the Property or payment of costs of the Project.
2. No Transfer to Exempt Entities. Prior to the closure of the TID, the Property shall not be sold, transferred or conveyed to, leased, or owned by any entity or used in any manner that would render any part of the Project Property exempt from taxation, unless the purchaser, transferee, lessee or owner first executes a written agreement with the City and RDA in a form satisfactory to the City providing for acceptable payments to the City in lieu of taxes.

Q. Easements. Developer shall grant to the City such easements as are reasonably necessary for public improvements, infrastructure, ingress or egress, utilities, lighting or landscaping or any other access necessary to effectuate this Agreement. Developer shall cause existing easements to be relocated or terminated to accommodate the Project.

R. Environmental.

- I. Presence of Hazardous Materials and Compliance with Environmental Laws. Before commencement of construction, Developer shall be satisfied, through such means as are commercially reasonable, that the Property is free of Hazardous Materials or that any Hazardous Materials on or within the Property are being stored and handled in strict compliance with all Environmental Laws. Developer shall provide the City and RDA with copies of all environmental reports pertaining to the Property no later than ten (10) days after receiving the same.
2. Developer's Environmental Indemnification. Developer shall indemnify, pay on behalf of, defend and hold the City, the RDA, and their respective agents, officials, employees, representatives, successors and assigns, harmless from and against any loss, damage, claim, fine, penalty, assessment, liability, or other charge or claim, and all costs (including, without limitation, reasonable legal, accounting, consulting, engineering, and similar expenses incurred with respect to such matter and/or incurred in enforcing this indemnity):

4. Survival. The provisions of this Section shall survive the conveyance to Developer of any City and/or RDA Property.

S. Insurance. Before commencement of construction activities on the Property, Developer shall deliver to the City and RDA certificates of insurance, copies of endorsements, and other evidence of insurance requested by the City or RDA, which Developer is required to purchase and maintain, or cause to be purchased or obtained, in the types and amounts of coverage listed below, each of which shall name the City and RDA as additional insured parties:

1. Workers Compensation and Related Coverage. Coverage for state and federal workers compensation shall be defined by state and federal statute. The amounts of employer's liability coverage shall be in not less than the following limits:

- a) Bodily Injury by Accident - \$100,000.00 per accident;
- b) Bodily Injury by Disease - \$100,000.00 per employee; and
- c) \$500,000.00 policy limit.

2. Comprehensive General Liability Insurance. Coverage shall be written on a commercial general liability form, and shall protect Developer and any subcontractor during the performance of work covered by this Agreement from claims or damages for personal injury, including accidental death, as well as claims for property damages which may arise from operation under this Agreement, whether such operations be by Developer, any subcontractor, or anyone directly or indirectly employed by either of them in such manner as to impose liability on the City or RDA. The amounts of such insurance shall be not less than the following limits:

- a) General Aggregate Limit - \$2,000,000.00; Personal and Advertising Injury Limit (per person/organization) - \$2,000,000.00;

5. Builder's Risk Insurance. Before commencing construction of any improvements on the Property and during any construction activities contemplated by this Agreement, Developer shall obtain and keep in full force and effect and all builders risk insurance policy for all portions of the Property with coverage equal to the total amount of the construction contracts for all such construction activities. Nothing in this Agreement is intended to relieve Developer of its obligation to perform under this Agreement and, in the event of loss, Developer shall use the proceeds of such insurance to promptly reconstruct the damaged or lost improvements.
6. Fire and Casualty Insurance. Developer shall obtain and keep in full force adequate fire and casualty insurance with coverage in an amount equal to the assessed value of such improvements. In the event of loss the Developer shall use the proceeds of such insurance to promptly reconstruct the damaged or lost improvements.

T. General Indemnity.

1. Protection Against Losses. Developer shall indemnify, defend and hold harmless the City, RDA, and their respective officers, employees, agents, attorneys, insurers and the successors and assigns of all of the foregoing, from any and all liabilities, claims, losses, damages, judgments or awards, costs or expenses, including reasonable attorneys' fees, of whatsoever nature and by whomsoever asserted, whether asserted by a third party or by a party to this Agreement (hereinafter "Losses"), directly or indirectly, arising out of, resulting from or in any way connected with:
- a) Any breach by Developer of the terms of this Agreement;
 - b) Any non-compliance with laws, ordinances, rules or regulations applicable to Developer's obligations under this Agreement; or

- c) Any governmental, regulatory or other proceedings to the extent any such proceedings result from Developer's failure to comply with its obligations under this Agreement or otherwise.
2. Indemnification Procedures. Developer shall promptly assume full and complete responsibility for the investigation, defense, compromise and settlement of any claim, suit or action arising out of or relating to the indemnified matters following written notice thereof from the City or RDA, which notice shall be given by the City or RDA within ten (10) days of their knowledge of such claim, suit or action. Failure to provide such timely notice shall not eliminate Developer's indemnification obligations to the City and RDA unless, and only to the extent to which, such failure has substantially prejudiced Developer. Notwithstanding the foregoing, in its sole discretion and at its expense, the City and RDA may participate in or defend or prosecute, through their own counsel(s), any claim suit or action for which either of them is entitled to indemnification by Developer; provided, however, that if the City or RDA is advised in writing by its legal counsel that there is a conflict between the positions of Developer and City or RDA, as appropriate, in conducting the defense of such action or that there are legal defenses available to the City or RDA different from or in addition to those available to Developer, then counsel for the City or RDA, at Developer's expense, shall be entitled to conduct the defense only to the extent necessary to protect the interests of the City or RDA. Developer shall not enter into any compromise or settlement without the prior written consent of the City or RDA, as appropriate, which consent shall not be unreasonably withheld. The absence of a complete and general release of all claims against the City or RDA shall be reasonable grounds for the City or RDA to refuse to provide written consent to a compromise or settlement. If Developer does not assume the defense of such claim, suit or action, Developer shall reimburse the City and RDA for the reasonable fees and expenses of counsel(s) retained by the City and by RDA, and shall be bound by the results obtained by the City and RDA; provided, however, that no such claim, suit or action shall be settled without Developer's prior written consent, which consent shall not be unreasonably withheld. The absence of a complete and general release of all claims against Developer shall be reasonable grounds for Developer to refuse to provide written consent to a compromise or settlement.

V. CONDITIONS PRECEDENT TO OBLIGATIONS OF CITY AND RDA

The City's and RDA's obligations under this Agreement are conditioned upon the following:

- A. Existence. Developer shall have provided City and/or RDA a certified copy of its organizational documents and a certificate from the Department of Financial Institutions for the State of Wisconsin indicating Developer's existence and good standing.
- B. Incumbency; Due Authorization. - A. No Material Change in Documents. All contract documents and agreements have been furnished to the City and RDA, as the case may be, and are true and correct and there has been no material change in any of the same.
- B. No Material Change in Developer Operations. There has been no material change in the business operations of Developer since the date the parties began negotiation to enter into this Agreement.
- C. Compliance with Zoning. The Property now conforms and will continue to conform at all times and in all respects with applicable zoning and land division laws, rules, regulations and ordinances.
- D. Payment. Developer shall pay for all work performed or materials furnished for the Project when and as the same become due and payable. Developer shall not suffer any construction or other involuntary lien to be imposed upon the Property, except for liens for claims to payment that are subject to a bona fide dispute, and, in that case, such liens shall be removed by Developer posting bond or other security, paying one hundred and twenty percent (120%) of the lien claimed into court, escrowing funds or promptly taking other steps to remove the lien of record. Developer shall pay all other obligations relating to the Project, including all creditors holding liens or mortgages against the Property when and as the same become due. Developer will pay all taxes and assessments levied against the Property when and as the same become due.
- E. Certification of Facts. No statement of fact by Developer contained in this Agreement and no statement of fact furnished or to be furnished by Developer to the City or RDA pursuant to this Agreement contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact necessary in order to make the statements herein or therein contained not misleading.

- F. Good Standing. Developer is a limited liability company organized and existing in good standing under the laws of the State of Wisconsin and has the power and all necessary licenses, permits and franchises to own its assets and properties and to carry on its business.
- G. Due Authorization. The execution, delivery and performance of this Agreement and all other agreements requested to be executed and delivered by Developer hereunder have been duly authorized by all necessary company action of Developer and constitute valid and binding obligations of Developer, in accordance with their terms, subject only to applicable bankruptcy, insolvency, reorganization, moratorium, general principles of equity, and other similar laws of general application affecting the enforceability of creditors' rights generally.
- H. No Conflict. The execution, delivery, and performance of the obligations of Developer pursuant to this Agreement will not violate or conflict with the Articles of Organization or Operating Agreement of Developer or any indenture, instrument or material agreement by which Developer is bound, nor will the execution, delivery, or performance of obligations of Developer pursuant to this Agreement violate or conflict with any law applicable to Developer.
- I. No Litigation. There is no litigation or proceeding pending or threatened against or affecting Developer or the Property that would adversely affect the Project, Developer or the priority or enforceability of this Agreement, the ability of Developer to complete the Project or the ability of Developer to perform its obligations under this Agreement.
- J. No Default. No default, or event that with the giving of notice or lapse of time or both would be a default, exists under this Agreement, and Developer is not in default (beyond any applicable period of grace) of any of its obligations under any other material agreement or instrument to which Developer is a party or an obligor.
- K. Compliance with Laws and Codes. The Project, when completed, will conform and comply in all respects with all applicable laws, rules, regulations and ordinances, including without limitation, all building codes and ordinances of the City. Developer will comply with, and will cause the Project to be in compliance with all applicable federal, state, local and other laws, rules, regulations and ordinances, including without limitation, all environmental laws, rules, regulations and ordinances.
- L. Fees or Commissions. Neither the City nor RDA shall be liable for any broker fees or commissions incurred by Developer in connection with the Property or any transactions contemplated by this Agreement.

VIII. DEFAULT

- A. Developer Default. Each of the following shall be an Event of Default by Developer:
 - 1. Failure to Make Payment. Developer fails to make any payment required and such failure continues for a period of thirty (30) days after its due date;
 - 2. Failure to Abide by Other Terms. Developer fails to perform any other of its obligations under this Agreement and such failure continues for a period of thirty (30) days from the date of notice from the City or RDA; provided, however, if such cure cannot reasonably be accomplished within such thirty (30) days and the delay in cure does not materially impair the financial interests of the City or RDA, and if Developer promptly commences cure within the initial thirty (30) days and diligently pursues cure thereafter, Developer shall have a reasonable time, not to exceed sixty (60) days after the initial thirty (30) days, for a total of ninety (90) days to cure;

3. Misrepresentation. Any representation or warranty of Developer in this Agreement or any agreement contemplated by this Agreement is untrue in any material respect;
 4. Fraud and Other Illicit Behavior. Developer or any of its members is convicted of, pleads no contest to, or enters into any other agreement other than a dismissal with no conditions as to any allegation of:
 - a) Fraud; or
 - b) Indecent or illicit behavior that in the determination of the City or RDA would threaten the reputation of Developer or its ability to complete the Project according to the requirements of this Agreement;
 5. Insolvency. Developer or any guarantor of the obligations of Developer hereunder is insolvent or becomes the subject of a petition in bankruptcy, a receivership, a composition or any other proceeding designed for the benefit of creditors generally that is not dismissed within ninety (90) days of the date of filing;
 6. Involuntary Liens. Any lien is imposed upon the Property involuntarily due to the acts or omissions of Developer and such lien is not removed within sixty (60) days of it being imposed upon the Property.
- B. Remedies Upon Default. In the event of the occurrence of an Event of Default by Developer, the City may in its discretion:
1. Termination. Terminate this Agreement without further notice to Developer;
 2. Offset and Recoupment. Offset or recoup against any amounts that may then or thereafter come due from the City or RDA to Developer, whether under this Agreement or otherwise, an amount of damages reasonably estimated by the City or RDA resulting from Developer's breach;
 3. Specific Performance. Sue for specific performance;
 4. Sue for Damages. Sue for all damages caused by the Event of Default;
 5. Other Remedies. Pursue any other remedies available to the City or RDA at law or in equity;
 6. Interest. Collect interest on all delinquent amounts at the rate of twelve percent (12%) per annum from the date such amount was due; and
 7. Costs and Attorney Fees. Collect all costs and fees, including reasonable attorney fees incurred by the City and RDA, or either of them, by virtue of the Event of Default.
- C. City or RDA Default. Developer shall have all rights and remedies available under law or equity with respect to any failure of the City and/or RDA to perform their obligations under this Agreement, but only after providing the City and RDA notice of such default and a failure by the City and/or RDA to commence attempts to cure such default within the thirty (30)-day notice period. If the City and/or RDA, as appropriate, commences cure within the thirty (30)-day notice period and thereafter reasonably and continuously takes action to complete such cure, then the failure to perform shall not be an Event of Default.

- D. Limitation of Damages. The foregoing notwithstanding, none of the parties shall be liable to any other party for any incidental, consequential, indirect, punitive or exemplary damages. All claims and damages asserted against the City or RDA shall be subject to statutory protections of municipalities and their officials and employees, including the immunity and limitations set forth in §893.80 Wis. Stats.
- E. No Waiver. Any delay in instituting or prosecuting any actions or proceedings or otherwise asserting the rights granted in this Agreement, shall not operate as a waiver of such rights to, or deprive it of or limit such rights in any way, nor shall any waiver in fact made with respect to any specific default, be considered or treated as a waiver of any rights with respect to other defaults or with respect to the particular default except to the extent specifically waived in writing.
- F. Remedies Cumulative. Except as expressly provided otherwise in this Agreement, the rights and remedies of the parties to this Agreement, whether provided by law or by this Agreement, shall be cumulative, and the exercise by any party of any one or more of such remedies shall not preclude the exercise of it, at the same or different times, of any other such remedies for any other default or breach by any other party.

IX. TERMINATION

- A. Date of Termination. This Agreement shall terminate upon the earliest of the date:
1. All Qualified Expenditures have been repaid in full by Tax Increment;
 2. The City closes and terminates the TID;
 3. The Wisconsin Department of Revenue fails to certify or revokes certification of all or any portion of the TID or the Property;
 4. This Agreement is terminated because of an Event of Default;
 5. The parties agree in writing to terminate this Agreement.
- B. TIF Payments Termination. TIF payments shall terminate at the termination date of the TID; or the termination of this Agreement if before the termination of the TID.
- C. Survival of Certain Provisions. Sections III. D., IV. E., IV. I., IV. K., IV. P. 2., IV. Q., IV. R. 2., IV. T., V. A., V. B., V. C., V. D., V. E., VII. C., VII. D., VII. E., VII. G., VII. K., VII. L., VIII. B., VIII. D., VIII. E., VIII. F., X. B., X. C., X. G., X. J., X. M., X. O., X. P., and X. R. shall survive the termination of this Agreement.

X. MISCELLANEOUS PROVISIONS

- A. Assignment. Developer may not assign its rights under this Agreement without the express prior written consent of the City and RDA, until the obligations of the Developer under Section III hereof are fully performed and satisfied. Thereafter, this Agreement may be assigned by Developer only upon the prior, written consent of the City and RDA, which shall not be unreasonably withheld.
- B. Nondiscrimination. In the performance of work under this Agreement, Developer shall not discriminate against any employee or applicant for employment nor shall the Property or any portion thereof be sold to, leased or used by any party in any manner to permit discrimination or restriction on the basis of the basis of race, color, national or ethnic origin, ancestry, age, religion or

religious creed, disability or handicap, sex or gender (including pregnancy), gender identity and/or expression, sexual orientation, military or veteran status, genetic information, or any other characteristic protected under applicable federal, state or local law. Retaliation is also prohibited. The construction and operation of the Property shall be in compliance with all effective laws, ordinances and regulations relating to discrimination on any of the foregoing grounds.

- C. No Personal Liability. Under no circumstances shall any trustee, officer, official, commissioner, director, member, partner or employee of the City or RDA have any personal liability arising out of this Agreement, and Developer shall not seek or claim any such personal liability.
- D. No Personal Interest of Public Employee. No official or employee of the City or RDA shall have any personal interest in this Agreement, nor shall any such person voluntarily acquire any ownership interest, direct or indirect, in the legal entities that are parties to this Agreement. No official or employee of the City or RDA shall be personally liable to Developer or any successor in interest, in the event of any default or breach by the City or RDA, or for any amount that becomes due to the Developer or its successors under this Agreement.
- E. Relationship of Parties. The City and the RDA are not partners or joint venturers with Developer in the Project or otherwise. Under no circumstances shall the City or RDA be liable for any of the obligations of Developer under this Agreement or otherwise. There are no third party beneficiaries of this Agreement.
- F. Force Majeure. No party shall be responsible to any other party for any resulting losses and it shall not be a default hereunder if the fulfillment of any of the terms of this Agreement is delayed or prevented by revolutions or other civil disorders, wars, acts of enemies, strikes, fires, floods, acts of God, adverse weather conditions, legally required environmental remedial actions, industry-wide shortage of materials, or by any other cause not within the control of the party whose performance was interfered with, and which exercise of reasonable diligence, such party is unable to prevent, whether of the class of causes herein above enumerated or not, and the time for performance shall be extended by the period of delay occasioned by any such cause. The foregoing notwithstanding, a Force Majeure event may not be used to avoid an Event of Default if the delay caused by the Force Majeure event exceeds ninety (90) days from the date the event occurred.
- G. Parties and Survival of Agreement. Except as otherwise expressly provided herein, this Agreement is made solely for the benefit of the parties hereto and no other person, partnership, association or corporation shall acquire or have any rights hereunder or by virtue hereof. All representations and agreements in this Agreement shall remain operative and in full force and effect until fulfilled and shall survive the closing.
- H. Time. TIME IS OF THE ESSENCE with regard to all dates and time periods set forth herein.
- I. Notices. All notices, demands, certificates or other communications under this Agreement shall be given in writing and shall be considered given upon receipt if hand delivered to the party or person intended, or one (1) business day after deposit with a nationally recognized over-night commercial courier service, air bill pre-paid, or forty-eight (48) hours after deposit in the United States mail postage prepaid, by certified mail, return receipt requested, addressed by name and address to the party or person intended as follows:

Preliminary Concept Plan

July 6, 2021

Neil Stechschulte
Development Director
City of Green Bay, Wisconsin

Thank you for your support in the development of Whitney School Lofts. As you know the apartments were placed in service in January of 2020. It was our understanding that the PayGo TIF Increment Reimbursement would be in effect for 2020 taxes and the increment reimbursement would be paid in 2021. Whitney School Development LLC would like to request that the Development Agreement be amended to allow the 2019-2020 increment be reimbursed in 2021. Please find our explanation below with regards to our request;

- Whitney School Lofts (Whitney School Development LLC) was substantially completed December 17, 2019. Please see attached report from our contractor (CD Smith) which shows that all life/safety requirements were satisfied at that point. This allowed us to move tenants into the building by beginning of January 2020.
- Upon reaching substantial completion, we could have received a Certificate of Occupancy within 2019, however we could not do this due to restrictions related to our financing agreement with the Historic Tax Credits on the project. The Historic Tax Credits needed to be placed in service in 2020 and thus we had to hold off on receiving our full of CO until January 14, 2020. This is merely 14 days after year end 2019. Essentially due to a technicality, we could not get a CO before 2020 without jeopardizing our financing structure. We had a phone conversation with the City (in 2019) letting them know this and they understood our situation.
- Looking closer at the increment generated from beginning of construction in 2019 to the assessed value in 2020, we see that in 2019 the assessed value was \$550,900, in 2020 the assessed value was \$2,098,300, and in the 2021 the assessed value was \$2,238,000. As you can see the building was substantially complete/assessed by end of 2019, therefore there was a \$1,547,400 increment generated in 2019 compared to only a \$139,000 increment between 2020 and 2021. The main work completed in 2020 was related to landscaping on the project as we could not complete this in the winter months.
- To delay the PayGo reimbursement until next year would be a detriment to the project as we would be out of formula with HUD. Based on our HUD loan, the lender is

expecting this reimbursement starting in 2021 as it would go towards our debt service payment. We are hoping a technicality in delay of CO by 14 days does not put us in default with HUD.

We appreciate your consideration in this matter and thank you for your continued support. We look forward to working with you on this and other projects!

Regards,

AGENDA ITEM # E.4

Consideration with possible action on HOME funding request from Greater Green Bay Habitat for Humanity to build a home at 1267 Harvey Street.

BACKGROUND

Greater Green Bay Habitat for Humanity has submitted a HOME funding application requesting gap funding in the amount of \$23,500.00 to construct a four (4) bedroom, two (2) bathroom affordable, single family home at 1267 Harvey Street.

This lot is located in the City of Green Bay in a neighborhood that has predominately 2 or 1 1/2 story homes. It is difficult for Habitat to construct these higher level homes due to the liability of volunteers working on ladders at higher levels. Because of this, Habitat subcontracts out the construction of the roof. The roof, as well as the overall increase in construction costs and other expenses associated to this project, creates extra costs to the project and creates a gap in financing. Habitat sells homes to LMI individuals and families at affordable prices, which helps the City meet its need to provide this housing as described in our Housing Study.

Staff has reviewed the application and recommends the award of \$23,500.00 in gap funding to support this build and make the home affordable.

RECOMMENDATION

Approve HOME funding request from Greater Green Bay Habitat for Humanity to build a home at 1267 Harvey Street.

Consideration with possible action on the request from NEWCAP, Inc. of \$136,900.00 of Community Development Block Grant funding for the acquisition of 315 S. Jefferson Street (Parcel 13-122) to develop a temporary shelter facility which will serve unsheltered families.

BACKGROUND

NEWCAP, Inc. is requesting \$136,900.00 of Community Development Block Grant funding for the acquisition of 315 S. Jefferson Street (Parcel 13-122) to develop a temporary shelter facility. 315 S. Jefferson Street will be used as a short-term housing/shelter facility and will serve approximately 10-12 families that are not being served by the other shelters in the City. This project is called the Center for Advocating, Believing, and Achieving (CABA). There are currently two other family shelters in the City of Green Bay. One only serves the traditional family and the other one serves young parents and their children. This shelter would be used to fill the gap. This shelter will be staffed 24 hours per day and will offer a vast array of supportive services to families that reside there. These services will be structured in a way that will assist families in finding alternative housing as soon as they are able. A full-time Family-Centered Coach will be available 40 hours per week to help these families work toward their dreams while also working on housing stability. This facility will be able to help isolate families that may be in contact with or have contracted COVID-19. The asking price for this building is \$134,900.00 plus closing costs of approximately \$2,000.00.

RECOMMENDATION

Approve the request from NEWCAP, Inc. of \$136,900.00 of Community Development Block Grant funding for the acquisition of 315 S. Jefferson Street (Parcel 13-122) to develop a temporary shelter facility which will serve unsheltered families, contingent on any required zoning and permitting approvals.

Dear Mr. Peters,

The Green Bay Police Department is writing a letter of support to Newcap in support of both their short-term housing projects for families and for youth. Both projects are short-term housing facilities. These two facilities offer a variety of supportive services to families and youth (under the age of 18) within our community. These facilities will help keep the homeless populations off the streets and provide them a safe place to sleep at night. Both programs fill much needed gaps within our city.

The (CABA) Center for Advocating, Believing, and Achieving fills a gap in homeless services within our city and will provide safe and stable short-term housing for families. The proposed location for this facility is 315 S. Jefferson Street Green Bay, WI. Currently this short-term housing is needed. Newcap reports eight families are housed and 32 on the wait list that are not eligible anywhere else. The program is in a temporary facility now and needs to relocate to the S. Jefferson site.

The Center for Youth will provide short-term housing for youth under the age of 18 within our city while working on family reunification and/or finding alternate housing and provide supportive services and referrals to other area resources. The proposed location for this facility is 932 Cherry Street Green Bay, WI. The project will be able to serve 6-8 youth at a time.

Thank you for your time and consideration in this matter.

Respectfully,

Dear William,

Please accept this letter as our formal request for assistance in the purchase of two properties located in the City of Green Bay. The properties are located at 315 S Jefferson Street and 923 Cherry Street. These properties would be used as 24/7-hour shelters.

315 S Jefferson Street will be used as a short-term housing/shelter facility and will serve approximately 10-12 families that are not being served by the other shelters in the City. This project is called the Center for Advocating, Believing, and Achieving (CABA). There are currently two other family shelters in the City of Green Bay. This facility will be able to help isolate families that may be contact with or have contracted COVID-19. The asking price for this building is \$134,900 plus closing costs of approximately \$2,000.

932 Cherry Street will be used as a short-term housing facility for youth under the age of 18. This facility will be staffed 24/7 and residents will not have to leave during the day time hours. There will also be a drop-in center for youth to be at during the day. This facility is called the Center for Youth. This shelter received funding from DEHCR for rehabilitation, staffing and operations so we are looking for funds to purchase the facility. This facility will take all youth under the age of 18 no matter the situation. The Wisconsin Association for Homeless and Runaway Services is supporting Newcap in this venture and has included the project in their Basic Center Funding Grant for 2021-2022. The purchase price for this facility is \$139,900 plus closing cost of approximately \$2,000. Youth Case Managers will be on staff 40 hours per week do assist youth with family reunification or locating alternate housing. Youth are allowed to reside at the shelter up to 21 days but extension can be allowed on a case-by-case basis. This shelter is helping to close a gap in service in this community.

The funding that the City of Green Bay has available will make these projects possible and help in closing the gaps in services to end homelessness within the City. Newcap is currently housing families at a facility within the county. This facility can only house 8 families at one time and has been full since May 2021. There are currently 32 families on the CABA waitlist looking for housing. Also, the Safe Parking Project is averaging 10-12 cars per night. This new facility will help close the gap further and will not have these households on our streets during the daytime hours. The City funding will make a huge impact on the homeless and runaway youth in the community and will allow youth the opportunity of a safe place to sleep while working on other barriers.

Please let me know if you have any questions regarding this request.

For the above reasons, staff is recommending approval of this request contingent on zoning and permitting approvals.

Dear William,

The Wisconsin Association for Homeless and Runaway Services is happy to provide this letter of support of Newcap's Center for Youth in the City of Green Bay. This Center will serve unaccompanied youth under 18 years of age that are not eligible in any other facility in the community. As members of WAHRS, Newcap and the proposed shelter will collaborate with the other shelter service providers in the area of Green Bay and the surrounding communities. These services include those provided by: House of Hope, a licensed sheltercare facility that provides voluntary and court ordered shelter and services to female unaccompanied youth in the Green Bay area, as well as Boys & Girls Clubs of the Fox Valley in Appleton and Menasha, Foundations Health and Wholeness in Green Bay and Sheboygan, and Family Services of Northeast Wisconsin, all of whom currently provide shelter through voluntary placements in licensed foster homes. Despite collaboration and mutual referral among these agencies, we find that the options for voluntary shelter are not sufficient to meet the need for services in Green Bay and the surrounding communities, especially among runaway and homeless youth who are male and for whom host homes/licensed foster homes are not the best option.

The Center will provide crisis care to runaway and homeless youth not already receiving services from child welfare or juvenile systems. Center staff will work to establish and strengthen community-based programs that meet the immediate needs of runaway and homeless youth and their families. The Center will provide short-term housing, food, and clothing. Newcap's Community Health Clinic will provide mental health counseling and therapy and will have clinic hours provided at the shelter, as needed. The Center will be able to provide up to 21 days of housing for up to 6 youth and work toward reunification if possible. They will locate alternative placements, when appropriate. Center staff can also provide out-of-shelter services, including street outreach, family support, and referral to short-term housing. These facilities offer a range of needed, supportive services to youth (under the age of 18) within our community.

The Center for Youth will provide short-term housing for youth under the age of 18 within the city, while working on family reunification and/or finding alternate housing and provide supportive services and referrals to other area resources. This addresses a current gap in homeless services within Green Bay and will provide safe and stable short-term housing for unaccompanied youth.

AGENDA ITEM # E.7

Consideration with possible action on substantial amendment to 2020 Annual Action Plan to reallocate \$148,000.00 from Economic Development Revolving Loan funding to Infrastructure & Park Improvements in CDBG Eligible Areas.

BACKGROUND

The Redevelopment Authority approved an Economic Development Revolving Loan budget of \$150,000.00 to support job creation/retention in the City of Green Bay. To help support the businesses in Green Bay the City has used its CARES funding to support businesses in the form of grants instead of loans. The grants program has been more successful than the loan program.

To meet our timeliness requirement on the CDBG funding, staff would like to reallocate these funds to CDBG eligible projects that will be spent in time to meet the federal regulations. The Department of Public Works along with the Parks Department have identified a pedestrian crossing on Ashland Avenue to provide safe crossing for the residents who use Seymour Park, along with the resurfacing of a number of alleys in CDBG eligible areas.

AGENDA ITEM # E.8

Consideration with possible action on approving revisions to the Home Improvement Loan Program (HILP) Procedures Manual.

BACKGROUND

The Redevelopment Authority administers the HOME Improvement Loan Program (HILP) through its CDBG and HOME funding. In the procedures manual for the program, it identifies max loan amounts.

Staff has received a communication from NeighborWorks Green Bay, who runs the program for the RDA, requesting changes to the max loan amount in the procedures manual. Due to rising costs of materials and labor, staying below these max loan limits is proving to be very difficult in meeting the needs of the repairs.

NeighborWorks is recommending changing the max loan amount for a single family home from \$24,999.00 to \$35,000.00 and multi-family rehabilitation from \$37,500.00 to \$52,500.00. Staff has reviewed the recommendation and agrees with the increase to the max loan limits.

Approve revisions to the Home Improvement Loan Program (HILP) Procedures Manual.

Re: Home Improvement Loan Program

Dear Ms. Renier-Wigg and Members of the Authority,

NeighborWorks Green Bay has been serving as your administrator of the Home Improvement Loan (HILP) program for approximately one year. During that time, there have been challenges serving those in need of this program. With the rising cost of materials and labor, funding projects within current program loan limits has been difficult. In addition, there are currently 96 people on the waiting list. This represents a wait of 10 years or more depending on assumptions for the average cost of repair per home and amount of funds available. During the time people must wait, their homes continue to deteriorate, only exacerbating the problem. To address these challenges, we have developed a series of recommendations for your consideration:

1. Increase program loan limits. We recommend an increase from the current limit of \$24,999 (single family) and \$37,500 (multi-family) to \$35,000 and \$52,500 respectively. This recommendation is based on our analysis of construction costs in combination with our experience with the program over the past year. These new limits will not meet the needs of everyone on the waiting list. A scope of work totaling \$60,000 or more for a single family just to address urgent needs is not uncommon. However, we believe the proposed limits will allow us to better deploy the capital currently available to the program.
2. Seek opportunities to increase CDBG funding. The program is currently funded with a combination of CDBG and HOME dollars. HOME funding carries additional requirements that can increase the scope of work and cost. CDBG funds allow us to serve more clients by focusing on urgent needs.
3. Engage our Homeownership Advisors/Counselors. Many clients are facing significant home repair needs that even if approved would result in the program being able to serve a very small number of people each year. In addition, 10 years is a long time to wait. For some clients, we propose offering the services of our Counseling team to find a solution. In that process, we would work with the client to assess their budget and financial capabilities and recommend an appropriate course of action which might include seeking other housing within their means.

Thank you for your trust in us to serve these households with critical housing challenges. We look forward to working with the Authority and staff to consider ways to better serve those in need of this program.

Sincerely,

Jerry Tyrrell
