SECURITY PLAN

The following security plan represents the Licensee's anticipated operations and procedures. It is a collection of guidelines that are not legally binding on the Licensee, but are intended to give the police department, the Green Bay Common Council and the public a good picture of what the Licensee believes his or her business will look like and how it will operate. While the Licensee will not receive any citations for deviating from this security plan, it is a good idea to follow these guidelines because the Council may consider during renewal time how closely you follow your plan. If you deviate too far from your security plan and fail to update it at renewal time, it could adversely affect your license status.

105 Buyer with a sales and use tax clearance certificate from the Department of Revenue that any sales and use tax due has been paid,
106 per Wis. Stat. Ch. 77. These responsibilities shall survive closing.

107 ☒ **SALES AND USE TAX ESCROW:** Seller agrees to escrow \$ 10,000 at closing to be held by
108 _____ (escrow agent) and released to Seller

109 when Seller provides the escrow agent with a sales and use tax clearance certificate from the Department of Revenue confirming
110 that any sales and use tax due has been paid, per Wis. Stat. Ch. 77. If a certificate is not provided to escrow agent within 120 days of
111 closing, escrow funds shall be released to Buyer. Release of funds to Buyer shall not relieve Seller of Seller's obligation to pay any
112 sales and use tax due. All escrow fees shall be paid by Seller.

DELIVERY/ACTUAL RECEIPT Delivery to, or Actual Receipt by, any named Buyer or Seller constitutes delivery to, or Actual Receipt by, all Buyers or Sellers.

BUSINESS OPERATION Seller shall continue to conduct the Business in a regular and normal manner and shall use Seller's best efforts to keep available the services of Seller's present employees and to preserve the goodwill of Seller's suppliers, customers and others having business relations with Seller. Seller shall maintain the equipment, appliances, business fixtures, fixtures, tools, furniture and other Business Personal Property in substantially the same working order as of the date of acceptance of this Offer.

PROPERTY DAMAGE BETWEEN ACCEPTANCE AND CLOSING Seller shall maintain the physical Assets until the earlier of closing or occupancy of Buyer in materially the same condition as of the date of acceptance of this Offer, except for ordinary wear and tear. If, prior to the earlier of closing or occupancy by Buyer, the physical Assets are damaged in an amount of not more than five percent (5%) of the purchase price, Seller shall be obligated to repair the damaged property and restore it to the same condition that it was in on the day of this Offer. No later than closing, Seller shall provide Buyer with lien waivers for all lienable repairs and restoration. If Seller is unable to repair and restore the damaged property, Seller shall promptly notify Buyer in writing and this Offer may be canceled at the option of the Buyer. If the damage shall exceed such sum, Seller shall promptly notify Buyer in writing of the damage and this Offer may be canceled at the option of Buyer. Should Buyer elect to carry out this Offer despite such damage, Buyer shall be entitled to any insurance proceeds relating to the damaged property, plus a credit towards the purchase price equal to the amount of Seller's deductible on such policy, if any. However, if this sale is financed by a land contract or a mortgage to Seller, any insurance proceeds shall be held in trust for the sole purpose of restoring the physical Assets.

INSPECTIONS AND TESTING Buyer may only conduct inspections or tests if specific contingencies are included as a part of this Offer. An "inspection" is defined as an observation of the Assets which does not include an appraisal or testing of the Assets, other than testing for leaking carbon monoxide, or testing for leaking LP gas or natural gas used as a fuel source, which are hereby authorized. A "test" is defined as the taking of samples of materials such as soils, water, air or building materials from the Assets and the laboratory or other analysis of these materials. Seller agrees to allow Buyer's inspectors, testers, appraisers and qualified third parties reasonable access to the Assets upon advance notice, if necessary to satisfy the contingencies in this Offer. Buyer and licensees may be present at all inspections and testing. Except as otherwise provided, Seller's authorization for inspections does not authorize Buyer to conduct testing of the Assets.

NOTE: Any contingency authorizing testing should specify the Assets to be tested, the purpose of the test, (e.g., to determine if the presence or absence of a source of environmental contamination), any limitations on Buyer's testing and any other material terms of the contingency.

Buyer agrees to promptly restore the Assets to their original condition after Buyer's inspections and testing are completed unless otherwise agreed to with Seller. Buyer agrees to promptly provide copies of all inspection and testing reports to Seller. Seller acknowledges that certain inspections or tests may detect environmental pollution which may be required to be reported to the Wisconsin Department of Natural Resources.

BUYER'S PRE-CLOSING VIEW OF ASSETS Within 3 days prior to closing, at a reasonable time pre-approved by Seller or Seller's agent, Buyer shall have the right to view the Assets solely to determine that there has been no significant change in the condition of the Assets, except for ordinary wear and tear and changes approved by Buyer, and that any Defects Seller has agreed to cure have been repaired in the manner agreed to by the Parties.

CAUTION: The intention of this paragraph is only to allow Buyer to view the Assets. The Parties should consider separate language to address specific concerns.

PROPERTY IMPROVEMENT, DEVELOPMENT OR CHANGE OF USE If Buyer contemplates improving, developing or changing the use of the Assets, Buyer may need to address municipal ordinances and zoning, recorded building and use restrictions, covenants and easements which may prohibit some improvements or uses. The need for licenses, building permits, zoning variances, environmental audits, etc. may need to be investigated to determine feasibility of improvements, development or use changes for the Assets. Contingencies for investigation of these issues may be added to this Offer. See lines 355-381 and 382-424. If plant closings or mass layoffs will occur as a result of this Offer the Buyer and Seller should review federal and state plant closing laws.

PROPERTY DIMENSIONS AND SURVEYS Buyer acknowledges that any land, building or room dimensions, or total acreage or building square footage figures, provided to Buyer by Seller or by a broker, may be approximate because of rounding, formulas used or other reasons, unless verified by survey or other means.

CAUTION: Buyer should verify total square footage or acreage figures and land, building or room dimensions, if material to Buyer's decision to purchase.

DEFAULT Seller and Buyer each have the legal duty to use good faith and due diligence in completing the terms and conditions of this Offer. A material failure to perform any obligation under this Offer is a default which may subject the defaulting party to liability for damages or other legal remedies.

If Buyer defaults, Seller may:

- (1) sue for specific performance and request the earnest money as partial payment of the purchase price; or
- (2) terminate the Offer and have the option to: (a) request the earnest money as liquidated damages; or (b) sue for actual damages.

If Seller defaults, Buyer may:

- (1) sue for specific performance; or
- (2) terminate the Offer and request the return of the earnest money, sue for actual damages, or both.

In addition, the Parties may seek any other remedies available in law or equity.

174 The Parties understand that the availability of any judicial remedy will depend upon the circumstances of the situation and the
 175 discretion of the courts. If either Party defaults, the Parties may renegotiate the Offer or seek nonjudicial dispute resolution instead of
 176 the remedies outlined above. By agreeing to binding arbitration, the Parties may lose the right to litigate in a court of law those
 177 disputes covered by the arbitration agreement.

178 **NOTE: IF ACCEPTED, THIS OFFER CAN CREATE A LEGALLY ENFORCEABLE CONTRACT. BOTH PARTIES SHOULD READ**
 179 **THIS DOCUMENT CAREFULLY. BROKERS MAY PROVIDE A GENERAL EXPLANATION OF THE PROVISIONS OF THE**
 180 **OFFER BUT ARE PROHIBITED BY LAW FROM GIVING ADVICE OR OPINIONS CONCERNING YOUR LEGAL RIGHTS UNDER**
 181 **THIS OFFER OR HOW TITLE SHOULD BE TAKEN AT CLOSING. AN ATTORNEY SHOULD BE CONSULTED IF LEGAL**
 182 **ADVICE IS NEEDED.**

183 **ENTIRE CONTRACT** This Offer, including any amendments to it, contains the entire agreement of the Buyer and Seller regarding
 184 the transaction. All prior negotiations and discussions have been merged into this Offer. This agreement binds and inures to the
 185 benefit of the parties to this Offer and their successors in interest.

186 **EARNEST MONEY**

187 ■ **HELD BY:** Unless otherwise agreed, earnest money shall be paid to and held in the trust account of the listing broker (Buyer's
 188 broker if Assets are not listed or Seller's account if no broker is involved), until applied to purchase price or otherwise disbursed as
 189 provided in the Offer.

190 **CAUTION: Should persons other than a broker hold earnest money, an escrow agreement should be drafted by the Parties**
 191 **or an attorney. If someone other than Buyer makes payment of earnest money, consider a special disbursement agreement.**

192 ■ **DISBURSEMENT:** If negotiations do not result in an accepted offer, the earnest money shall be promptly disbursed (after
 193 clearance from payor's depository institution if earnest money is paid by check) to the person(s) who paid the earnest money. At
 194 closing, earnest money shall be disbursed according to the closing statement. If this Offer does not close, the earnest money shall be
 195 disbursed according to a written disbursement agreement signed by all Parties to this Offer. If said disbursement agreement has not
 196 been delivered to broker within 60 days after the date set for closing, broker may disburse the earnest money: (1) as directed by an
 197 attorney who has reviewed the transaction and does not represent Buyer or Seller; (2) into a court hearing a lawsuit involving the
 198 earnest money and all Parties to this Offer; (3) as directed by court order; or (4) any other disbursement required or allowed by law.
 199 Broker may retain legal services to direct disbursement per (1) or to file an interpleader action per (2) and broker may deduct from
 200 the earnest money any costs and reasonable attorney's fees, in an amount up to \$1,000 but no more than one-half of the earnest
 201 money, prior to disbursement.

202 ■ **LEGAL RIGHTS/ACTION:** Broker's disbursement of earnest money does not determine the legal rights of the Parties in relation to
 203 this Offer. Buyer's or Seller's legal right to earnest money cannot be determined by broker. At least 30 days prior to disbursement per
 204 (1) or (4) above, broker shall send Buyer and Seller notice of the disbursement by certified mail. If Buyer or Seller disagree with
 205 broker's proposed disbursement, a lawsuit may be filed to obtain a court order regarding disbursement. Small Claims Court has
 206 jurisdiction with regard to civil actions involving amounts claimed up to the amount specified in Wis. Stat. Ch. 799. Buyer and Seller
 207 should consider consulting attorneys regarding their legal rights under this Offer in case of a dispute. Both Parties agree to hold the
 208 broker harmless from any liability for good faith disbursement of earnest money in accordance with this Offer or applicable
 209 Department of Safety and Professional Service regulations concerning earnest money. See Wis. Admin. Code Ch. REEB 18.

210 **SPECIAL ASSESSMENTS/OTHER EXPENSES** Special assessments, if any, levied or for work actually commenced prior to date
 211 of this Offer shall be paid by Seller no later than closing. All other special assessments shall be paid by Buyer.

212 **CAUTION: Consider a special agreement if area assessments, property owners association assessments, special charges**
 213 **for current services under Wis. Stat. § 66.0627 or other expenses are contemplated. "Other expenses" are one-time charges**
 214 **or ongoing use fees for public improvements (other than those resulting in special assessments) relating to curb, gutter,**
 215 **street, sidewalk, municipal water, sanitary and storm water and storm sewer (including all sewer mains and hook-**
 216 **up/connection and interceptor charges), parks, street lighting and street trees, and impact fees for other public facilities, as**
 217 **defined in Wis. Stat. § 66.0617(1)(f).**

218 **DEFINITIONS**

219 ■ **ACTUAL RECEIPT:** "Actual Receipt" means that a Party, not the Party's recipient for delivery, if any, has the document or written
 220 notice physically in the Party's possession, regardless of the method of delivery.

221 ■ **BUSINESS PERSONAL PROPERTY:** "Business Personal Property" is defined as all tangible and intangible personal property and

Dear [Licensee, or Agent]:

Thank you for your interest in obtaining an alcohol license from the City of Green Bay. Running a tavern or restaurant can be very rewarding, but it also poses unique challenges that are not present in other types of businesses. But you can succeed with the right preparation, plan and attitude. A big factor unique to alcohol licensing is the extra state and local regulations placed upon the business owner. The Police Department asks Licensees to provide a Security Plan and sign a License Stipulation to ensure that they understand the laws surrounding alcohol licenses and any unique rules that apply to their specific business.

You will find attached a copy of the security plan developed by you and your community police officer. Please read it carefully and sign the final page if it accurately represents your policies, procedures, and goals in running your business. You will also find attached a copy of the License Stipulation which sets forth more requirements which are specific to your business. The License Stipulation is a legally binding document which lays out certain duties and restrictions that are particular to your business, and it must be signed by you and your community police officer.

Sincerely,

The Law Office of the City of Green Bay
