Report to the
Redevelopment Authority of the City of Green Bay

MEETING DATE	PREPARED BY
January 11, 2022	Matt Buchanan, Staff

AGENDA ITEM # E.1

Consideration with possible action on a request to amend Development Agreement 2021-01 with Merge, LLC.

BACKGROUND

In May 2021, the Redevelopment Authority and Green Bay Common Council approved Development Agreement 2021-01 with Merge, LLC, which will facilitate the redevelopment of the Shipyard North site at 239 Arndt Street, 101 Bridge Street, and 119 Bridge Street (Tax Parcels 3-551, 3-554-A, and 3-556). Merge plans to construct approximately 225 market rate apartments in two four-story buildings with approximately 4,000 square feet of ground floor restaurant or retail space. The City estimates the aggregate assessed property value will be $21,000,000 when the project is complete.

Due to unforeseen delays in the project timeline, Merge requests an amendment to the Development Agreement which would allow for an additional five to seven months to complete key milestones specified in the agreement. The result of these extensions would allow for a total project completion date no later than May, 31, 2026, instead of the previously agreed upon date of December 31, 2025.

Additionally, Merge requests the timing of the reconstruction of Arndt Street be moved up to better accommodate their future residents. Previously, Arndt Street was planned to be reconstructed one year after the certificate of occupancy for Building One, which was expected by December 2023. Merge now requests that Arndt Street be completed by the estimated time of Building One's completion, which is May 31, 2024.

City staff also recommends a specified date (October 31, 2022) be added to the agreement for the transfer of ownership of the property. A specific date was not included in the original agreement.

RECOMMENDATION

To approve the First Amendment to Development Agreement 2021-01 with Merge, LLC

FISCAL IMPACT

The delay in development will have a negative impact on the amount of increment that could be generated by and for the project over the life of the TID. The City will also incur costs sooner for the reconstruction of Arndt Street than previously planned. No change in the formula for distributing the funds generated by the TID has been requested.

DEVELOPMENT AGREEMENT 2021-01

MERGE @ THE SHIPYARD

This Development Agreement is made this 18th day of May, 2021, by THE CITY OF GREEN BAY, a Wisconsin municipal corporation ("City"), THE REDEVELOPMENT AUTHORITY OF THE CITY OF GREEN BAY ("RDA"), and MERGE, LLC, an Iowa limited liability company ("Developer").

G. Developer has requested Tax Incremental Finance ("TIF") assistance from the City and RDA with regard to certain expenses, including, but not limited to environmental remediation; clearing of land; construction of new buildings; or the construction of public works infrastructure, which will constitute qualified expenditures for which TIF assistance may be afforded Developer.

H. The City and RDA desire to have Developer perform the Project in order to generate economic activity and tax base for the community consistent with the City Comprehensive Plan.

I. In order to induce Developer to undertake the Project, such that the Project will remediate environmental contamination and/or enhance the physical (soil, water, air) landscape, build new structures with high-performance designs, systems, and finishes, create a significantly higher per-acre property value than adjacent properties and the City average, generate property taxes greater than the cost of providing infrastructure and services, build new structures for individuals of all ages and abilities, is located in places easy to reach on foot, bicycle, or transit, expand non-motorized transportation networks, expand our range of residential and commercial real estate products, create and/or enhance unique public spaces, amenities, and art, and the public will generally benefit, the City has agreed to provide assistance to Developer as provided by this Agreement, all in accordance with the terms and conditions of this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties agree as follows:

I. PURPOSE

A. Incorporation of Proceedings, Exhibits, and Recitals. Any material modification or deviation from an approved schedule described in this Agreement shall occur only upon approval of the City and RDA, with any such approvals required to be in writing as an amendment to this Agreement, and which approvals shall not be unreasonably withheld. City shall cooperate and act promptly with respect to any and all permits or approvals necessary for completion of the Project upon receipt of complete and accurate application materials. Notwithstanding the above, this Agreement shall not limit the discretion of the City, or any of its duly appointed and authorized governing bodies, boards or entities, in approving or rejecting any aspect of the Project or improvements contemplated on or about the Property as part of the City's customary processes.

C. Entire Agreement. This writing including all Exhibits hereto, and the other documents and agreements referenced herein, constitutes the entire Agreement between the parties hereto in respect to the Project and all prior letters of intent or offers, if any, are hereby terminated. This Agreement shall be deemed to include and incorporate such minutes, approvals, plans, and specifications, as referenced in this Agreement, and in the event of a conflict between this Agreement and any action of the City or RDA, granting approvals or conditions attendant with such approval, the terms of this Agreement shall be deemed controlling and the City and RDA will take the necessary action to amend any conflicting approvals or conditions.

D. Purpose of the Agreement. In order to cause the Project to occur and to induce Developer to undertake the Project, to promote community development, industry and job creation and to expand and enhance the tax base within the City, the City intends to provide the TIF Incentives as set forth in this Agreement. The City intends to recover its costs through the Available Tax Increment generated by the Property. B. Nature of TIF Incentive. The TIF Incentive available to Developer under this Agreement shall be defined as the following:

1. Property Transfer. The City and/or RDA shall convey the Property to the Developer through the following process:

(III) The City and/or RDA will, as required, grant the Developer easements to permit the construction, operation, and maintenance of a permanent patio, landscaping, berms and/or retaining walls as required by federal, state, and local floodplain regulations within the new right-of-way and/or City and/or RDA-owned parcel(s) described above in (I) and (II).

e)

2. Public Improvements. Prior to the dates or timelines specified below, the City and/or RDA shall, at their expense, complete the following Public Improvements in accordance with all applicable codes and ordinances:

a) Arndt Street. One year after the date a certificate of occupancy is issued for Building One, appropriate paving, landscaping, lighting, controls, and other improvements required to ensure a safe, comfortable crossing of the CN railroad tracks for both motorized and non-motorized users, in compliance with current industry standards. The RDA and/or City shall take steps in accordance with all applicable codes and ordinances to rename the segment of Arndt Street east of Broadway to a new name agreeable to the parties.

b) Bridge Street. One year after the date a certificate of occupancy is issued for Building Two, appropriate paving, landscaping, lighting, and other improvements required to ensure safe, comfortable, and contiguous pedestrian accommodations on Bridge Street between Broadway and the Fox River, in compliance with current industry standards.

c) The Shipyard. The City and/or RDA shall construct a signature public recreation and entertainment facility at 100 W. Mason St. (Tax Parcel 2-78) and surrounding property, in accordance with all applicable codes and ordinances, which includes the following phases and timelines:

(I) Phase 1 - December 1, 2022. A multi-modal public path and/or boardwalk along the entire waterfront boundaries of the slip (cove); a floating dock for transient boaters; and an accessible kayak launch.

(II) Phase 2 – One year after a certificate of occupancy is issued for Building One. A great lawn for concerts, festivals, and other events; a dog park; an urban beach, playground, play fountain or splash pad, and/or similar amenities.

(III) Phase 3 – One year after a certificate of occupancy is issued for Building Two. A commercial plaza with permanent and/or seasonal structures for food, beverage, retail, and recreation.

d) Environmental Remediation: The City and/or RDA shall submit and obtain a post closure modification request in accordance with requirements of the Wisconsin Department of Natural Resources (herein "WDNR") which allows for modification of the existing cap. The City will take necessary action to provide a site that has obtained WDNR closure with continuing obligations. The City and/or RDA will utilize City's environmental consultant (currently Stantec) to perform this work. 3. Off-Street Public Parking. In the event the City constructs off-street public parking improvements on properties located at 401 S. Broadway (Tax Parcel 3-568), 511-513 S. Broadway (Tax Parcel 2-949-A), 515 S. Broadway (Tax Parcel 2-70), 517 S. Broadway (Tax Parcel 2-71) and S. Broadway (Tax Parcel 3-568-1), the City will make parking available to the Developer on an as-available basis, for as long as such property remains undeveloped.

4. PAYGo Reimbursement. The City shall provide a TIF Incentive as a pay-as-you-go (PAYGo) obligation of the City, which is further defined as follows:

a) The Developer guarantees that the Property shall have a minimum aggregate assessed value of fifteen million dollars ($15,000,000.00) on or before January 1, 2026.

b) Developer shall be responsible to incur and pay all of the upfront costs of the Project and, to the extent TID revenues are sufficient to the limits of the TID and this Agreement, Qualified Expenditures shall be reimbursed to Developer.

c) Commencing the first year after the first occupancy permit for the Project has been issued, the assessed value of the Property shall be determined on January 1 of each tax year and shall be compared to the assessed value of the Property as of January 1 of the year in which construction commenced. The difference in assessed values shall be known as the Incremental Property Value.

d) Incremental Property Value multiplied by the assessed mill rate, less payments of real estate taxes to the State of Wisconsin, shall be known as the Available TIF Increment.

e) Provided the aggregate assessed Property value meets or exceeds eighteen million, seven hundred fifty thousand dollars ($18,750,000.00) on or before January 1, 2026, the City shall make available seventy percent (70%) of the remaining TIF Increment

to the Developer until all Qualified Expenditures have been repaid. Developer shall not be entitled to any TIF Increment unless the aggregate assessed Property value meets or exceeds fifteen million dollars ($15,000,000.00). In the event the aggregate assessed Property value is between fifteen million dollars ($15,000,000.00) and eighteen million seven hundred fifty thousand ($18,750,000.00) on or before January 1, 2026, the City shall prorate the remaining TIF Increment available to the Developer, based on a percentage of fifty-six percent (56%) for an amount equal to fifteen million dollars ($15,000,000.00), and seventy percent (70%) for an amount equal to eighteen million seven hundred fifty thousand ($18,750,000.00). For example, if the aggregate assessed Property value is sixteen million eight hundred seventy-five thousand dollars ($16,875,000.00) on January 1, 2026, the City shall make available sixty-three percent (63%) of the remaining TIF Increment to Developer.

f) PAYGo Reimbursement payments will be payable to Developer in the year following the year of the TIF Increment determination, after Developer has provided proof to the City of the full payment of the real estate taxes, special assessments and special charges against the Real Estate for the previous year. For example, if the first occupancy permit is issued on September 1, 2023, the TIF Increment would be determined as of January 1, 2024 and the PAYGo reimbursement would first be payable in 2025.

g) The City shall take all actions necessary to continue the existence of the TID in good standing through its current 2046 termination date.

h) Upon the request of the Developer or an assignee of the Developer's payment rights hereunder, the City or RDA shall provide a written certification of facts regarding the current amount due to the Developer or assignee pursuant to Section III.B.4, the current Available TIF Increment, and a confirmation of the person or location to which the City will make payments.

i) The PAYGo Reimbursement shall be available to Developer unless and until Developer challenges any of its real or personal property taxes for the Project below twenty-two million dollars ($22,000,000.00).

5. Qualified Expenditures. The TIF Incentive available to Developer under this Agreement shall be disbursed in the following priority, and only fund:

   a) Public Improvements, as defined in Section II. P., and environmental remediation, and asbestos abatement as required by State and Federal law; then

   b) "Private Improvements" specifically approved by the City or RDA as stated in Section IV. C.; then

   c) Any other activity specifically approved by the City or RDA.

6. Assignment. Developer may assign any of its payment rights hereunder to any future purchaser or developer of any part of the Property upon approval of the RDA, provided however, that the City shall be obligated only to disburse TIF Incentives to the party with whom the City has an agreement. It shall be incumbent upon Developer to enter into a separate agreement with any third parties if it intends to assign its payment rights hereunder, or seek either reimbursement or allocation of any Incremental Property Value and guaranteed aggregate assessed value generated by any third party purchaser and/or developer of any part

of the Property. Notwithstanding the foregoing, Developer may sell or assign its payment rights hereunder to any party without the consent or the City or the RDA following the Completion Date, provided that the Developer provides the RDA and the City with timely written notice and a copy of such fully executed sale or assignment instrument.

C. Limitations. The TIF Incentive available to Developer for the Project is limited as follows:

D. No General Obligation of City. The City's obligation to make TIF Incentive payments shall be a special and limited obligation only and shall not be considered a general obligation of the City, and neither the full faith and credit nor the taxing powers of the City are pledged to the payment of such amounts. The City shall take no action to dissolve the TID before payment of all TIF Incentive payments due to the Developer, subject to the provisions of this Agreement. In no circumstances shall amounts to be paid Developer hereunder be considered an indebtedness of the City, and the obligation of the City hereunder is limited to the Available Tax Increment appropriated and received by the City. Amounts due hereunder shall not count against the City's constitutional debt limitation, and no taxes will be levied for its payment or pledged to its payment other than from the Available Tax Increment.

E. Other Grants and Credits. The City and RDA, as appropriate and in its sole discretion, may also apply for such other grants and credits in regard to the Project as they shall deem appropriate for the benefit of the Project and as may be required to achieve necessary financing for the Project, provided, however, the City and RDA make no representations or warranties about the availability of such grants and credits or whether any such grants or credits that may be available will be awarded.

If Developer does not assume the defense of such claim, suit or action, Developer shall reimburse the City and RDA for the reasonable fees and expenses of counsel(s) retained by the City and by RDA, and shall be bound by the results obtained by the City and RDA; provided, however, that no such claim, suit or action shall be settled without Developer's prior written consent, which consent shall not be unreasonably withheld. No such assignment shall relieve Developer of any of its obligations hereunder.

c) Transfers of Equity Interests. Nothing herein shall prevent, and RDA and City consent shall not be required for, the transfer of equity interests in Developer or in any direct or indirect owner thereof, any portion thereof among family members, or trusts for the benefit of family members for estate planning purposes.

C. Nondiscrimination. In the performance of work under this Agreement, Developer shall not discriminate against any employee or applicant for employment nor shall the Property or any portion thereof be sold to, leased or used by any party in any manner to permit discrimination or restriction on the basis of the basis of race, color, national or ethnic origin, ancestry, age, religion or religious creed, disability or handicap, sex or gender (including pregnancy), gender identity and/or expression, sexual orientation, military or veteran status, genetic information, or any other characteristic protected under applicable federal, state or local law. PROJECT DRIVERS

SERVE // SPACES FOCUSED ON LIFE OF *PEOPLE + PLACE*

PEOPLE // *Multiplicity*

The quality or state of being multiple or various

The Broadway district is a culturally rich district that is diverse in its racial, ethic, and economic makeup. The bulk of people coming into the district are young singles and couples.

The community contains a strong art and culinary scene. Broadway is home to Green Bay's most dense collection of public art.

Designed to serve both blue collar and high tech work force.

PLACE // *Anchor*

Reliable, something that serves to hold firmly

The adjacent Shipyard Park development will create a tourism and recreation destination at the south end of the Broadway District. Dense residential development will activate the new park and enliven the waterfront, which will spur further development on the south end of the district.

Project site is situated between juxtaposed places of work (active shipyard and riverfront) and play (large shipyard park)

MAKE SENSE // QUALITY EXECUTION SHAPED BY *REGIONALISM + ENDURANCE*

REGIONALISM // *Form*

The essential nature of a thing

Building forms and materials inspired by a history of industrial, ship building, and paper making structures, detailed in a contemporary way, to create a modern interpretation of the old buildings that formerly lined the Fox River.

The dominant feature of the site is the Fox River. Amenities should allow people to view and interact with it in various ways, during each season.

Pedestrian focused experience to promote activity and interaction with the various community activities that take place year round.

ENDURANCE // *Hardy*

Bold, Brave, capable of withstanding adverse conditions

Industrial quality, durability, and timelessness will be referenced in the architecture

Incorporate solar panels to offset energy cost of common areas and shared amenity area.

As the project site is raised up & out of the flood plain, it should not disconnect itself from accessing the riverfront.

Materials and detailing should create a hybrid character of the industrial past and the high-tech future.

MEAN IT // HOLISTIC CONCEPTS DEVELOPED WITH *CLARITY + OPTIMISM*

CLARITY // *Shipyard*

a yard, place, or enclosure where ships are built or repaired

Incorporate clean lines and bold features that are prevalent throughout midwest industrial architecture

Allow the architecture to direct the flow of pedestrians' views and movement as they are they spill out to the riverfront.

Use building and landscaping to shape and promote the pedestrian experience as a hub of community.

OPTIMISM // *Recreation*

Refreshment of strength and spirits after work

This development should not add additional burden to the lives of its users. The architecture and site should create areas of play and rest that reinvigorate the lives of its users

Provide different scales of dynamic spaces to create an active and peaceful environment that engages with the river.

MEETING DATE	PREPARED BY

AGENDA ITEM # E.2

Consideration with possible action to approve a 60-day extension of planning option with Maker Solutions for a four-plex townhouse development at 115 S. Van Buren Street.

BACKGROUND

The RDA previously issued a 30-day extension to a planning option with Maker Solutions LLC, who represents Jake Petroski, for the proposed construction of a multi-unit, single family residential development located at 115 S. Van Buren Street.

Staff received a request to extend the planning option for 60 days with Maker Solutions.

Staff has met with Ken Rovinski (developer) to discuss the project. The developer has been actively working on site development, financing options and a possible partnership with Neighborworks to create a mix of affordable and market rate units during the extension period. There have been no other interested parties for this site. Staff believes this remains a viable project and would recommend granting a 60-day extension to the planning option to allow the developer time to work with staff on the plan moving forward.

RECOMMENDATION

To approve a 60-day extension to Maker Solutions for new house development at 115 S. Van Buren Street.

Subject: 115 S Van Buren extension

Thank you again for meeting with me today. As we discussed, I am requesting a 60-day extension to my planning option for 115 S Van Buren Street as I continue to work with my buyers, their lender (Nicolet Bank) and NeighborWorks Green Bay to make this project financially feasible and responsible for all parties. In the 60-day period, I will be meeting with Noel Halverson (NeighborWorks Green Bay President & CEO) to continue discussions of including their organization to provide an affordable housing element to the project. I will also be presenting the project to the Navarino Neighborhood Association. Additionally, I will be applying for a PUD with the City of Green Bay and working to finalize and execute a contract with my selected general contractor (Drury Designs).

Thank you again for your consideration of this project. I look forward to continuing to work with you!

Best,

AGENDA ITEM # E.3

Consideration with possible action on a six-month extension to the 2020 CDBG CARES Agreement with Legal Action of Wisconsin.

BACKGROUND

In December 2020, the Redevelopment Authority entered into an agreement with Legal Action of Wisconsin to use a portion of their CARES funding to provide legal services to Green Bay residents who are experiencing legal issues due to the COVID-19 pandemic. The agreement was issued for a year and after December 2021 the funds would revert back to the RDA.

Staff received a letter from Legal Action of Wisconsin requesting a six-month extension (through June 30, 2022) to the agreement due to an unforeseen staffing shortage during 2021. Their Green Bay office was temporarily short two full-time staff attorneys, which significantly impacted their ability to service clients. They are back fully staffed and able to serve clients experiencing legal problems due to COVID-19.

Staff recommends the extension of the contract through June 30, 2022.

RECOMMENDATION

To approve a six-month extension to the 2020 CDBG CARES Agreement with Legal Action of Wisconsin.

RE: Community Development Block Grant CARES (CDBG-CV) funding

Dear Mr. Stechschulte:

I am writing to request an extension of Legal Action's contract allocating $80,000 to Legal Action of Wisconsin to prevent and respond to civil legal issues created by COVID-19. Our contract ended on December 11, 2021. As of the end of October 2021, Legal Action only spent about half of the allocation due to unforeseen staffing shortages in our Green Bay office. Our Green Bay office was temporarily short two full-time staff attorneys (April - August 2021) which significantly impacted our ability to serve clients with these funds. We are now fully staffed again and are requesting an extension through June 30, 2022.

It is important to note the decreased spending was not due to decreased community need; it was exclusively due to the unforeseen staff shortage. During this time (April - August 2021), we were forced to decline services to many potential clients until we were able to return to normal staffing levels.

Like the pandemic itself, civil legal problems caused by the pandemic will be long-lasting. Our attorneys report ongoing increases in the need for representation in civil legal problems affecting economic stability such as housing, unemployment benefits and pandemic unemployment assistance (PUA), medical insurance, and FoodShare. We fully expect this need to last well into 2022, and the assistance of an attorney is critical to resolution of these issues.

Please consider the extension request and the ongoing importance of civil legal aid during this pandemic. I am happy to make myself available to discuss this matter further or answer any questions that might arise.

Respectfully,

Jacquelyn K. Jawaski
