Public Comments

If you wish to speak at this public meeting or leave a comment, please fill out the online Comment Form prior to the meeting.

Additional Information

1. Wisconsin Open Meetings Law still applies
    a. Persons interested in speaking to an item must state their name and address for the minutes.
    b. Committee/Commission/Board members will still follow *Roberts Rules of Order Newly Revised 12th edition*.
2. Please log into the Zoom meeting at least 10 minutes before the meeting begins to ensure a proper connection and that your technology is working.
    a. If you are a Board Member, please log into CivicClerk with a computer, laptop, or tablet device.
3. Once you are in the meeting please mute yourself.
    a. You may unmute yourself when you are called upon to speak.
4. Waiting room
    a. When you call in or connect via web or Zoom app, you will be placed in a "waiting room."
    b. The meeting host will then admit you to the meeting, and mute you upon entrance (you will still be able to hear and or otherwise observe the meeting).
5. Registering
    a. The host may ask you to register for the meeting. A registration link will be sent to you along with the invite. You'll receive another email confirming that you're registered for the meeting.
    b. If you're using a phone, your registration will be tied to an email.
6. Raising your hand
    a. Committee/Commission/Board members—you can either use CivicClerk and request to speak or you can also utilize the "raise your hand" tool in the Zoom platform (you'd need to use a computer or tablet) to let the host know you would like to speak. You can also un-mute yourself and start speaking.
    b. Persons with items on the agenda or other interested parties —you can also utilize the "raise your hand" tool on the Zoom platform via computer or mobile device. You will be allowed to speak once the committee, commission, or board has moved to "open the floor for interested parties to speak." Once discussion on your agenda item has concluded, the host will mute you, unless the committee opens the floor again.
7. What devices should I use?
    a. Smart phone (please see more detailed instructions on page 3)
    b. Land line
    c. Tablet— in advance of the meeting, please download the Zoom Meeting app by using either the Apple Store or the Play Store. You will be asked to input your name, to identify you for the meeting.
    d. Computer— you can access the meeting through a web browser by clicking on the meeting link, or through the Zoom Meeting app. If using the app, please download it in advance of the meeting. You will be asked to input your name, to identify yourself for the meeting.
    e. For tablet and computer users--if you download the app you may be asked to verify your email.

8. Zoom etiquette
    a. Muting yourself when you're not speaking will prevent your background noise from interfering with others' ability to listen to and participate in the meeting.
    b. If you're using a telephone, please identify yourself with your phone number and state your name and address before you speak. Zoom meeting hosts can see only your telephone number and will ask you to identify yourself.
9. Closed session
    a. Persons in the Zoom meeting will be put into a waiting room while the committee/commission/board meets in Closed Session. Participants will be admitted back into the Zoom meeting once the committee reconvenes in Open Session.
    b. Persons watching a Common Council meeting live on YouTube will see a gray screen with the City logo during closed session.
10. Persons interested in attending anonymously or listening to the meeting may call in by dialing *67 followed by the phone number in the Zoom Meeting Information box.

Calling into the Zoom meeting using a smartphone

1. Dial the phone number listed at the beginning of this document.
2. When prompted, enter the Meeting ID number followed by **#**
3. Once you are in the meeting, notify the meeting host that you are in and state your name.
4. If you do not wish to speak, please make sure your phone is on **Mute**
    a. If you're using a smartphone, look at your screen and click the Mute button

AGENDA ITEM # E.2

For consideration with possible action to obligate funding for two refuse vehicles for 2024 and two refuse vehicles for 2025 at a total cost of approximately $708,000 each year.

BACKGROUND

The 5-Year Capital Improvement Plan (CIP) includes replacement of two refuse vehicles each year.

Request to secure a build slot for future years due to current lead time of 18-months.

Pay for vehicles once received.

RECOMMENDATION

Approval to obligate funding and allow the department to order the refuse replacement trucks to stay on the necessary replacement schedule.

Re: 2024-2025 Equipment Replacement Purchases

Truck-based heavy equipment used by the Department of Public Works, specifically garbage/recycling trucks, are produced differently than many other trucks. One manufacturer will produce the basic truck with bare frame rails behind the cab. We then contract with a second vendor to fabricate and install the body on the bare truck.

Due to manufacturing and supply-chain issues, bare trucks are in limited supply. Engine manufacturers are only building a fixed number of engines, which then limits the number of trucks that can be supplied. Truck manufacturers are reserving the limited number of trucks being produced in the name of their vendors, with each vendor only getting a certain number of build slots (assigned units). As of now, there are no unassigned build slots for all of 2023. We expect the 2024 build slots to become available to vendors shortly after the beginning of 2023, and be spoken for by the end of March 2023. What this means to customers like the City of Green Bay is that we will need to secure our 2024 truck replacement build slots in early 2023. Vehicles requested in the first quarter of 2023 will likely be available for us to bring into service in the third quarter of 2024 (18 month lead time).

We have been in contact with our vendors to develop a plan to secure build slots for future years. The City can commit to purchasing vehicles in future years by issuing a Purchase Order with the vendor. This will secure a build slot for a future year, but likewise commits the City to purchasing the vehicle. Generally, the City would not have to commit funds until the vehicle is actually being built, which is the year we expect to take delivery.

Our current process has led to delayed vehicle acquisition. The City is still waiting for delivery of a plow truck from 2021, and the refuse trucks we ordered in early 2022 will not be delivered until March 2023, at the earliest.

Another drawback to continuing to use these older vehicles on a daily basis is the increased maintenance costs. From engine and transmission failure to structural frame issues and hydraulic system replacements needed to keep these older vehicles in operation, our equipment repair budget now exceeds $1 million annually.

To avoid the delays in our equipment acquisition process and ensure timely delivery of needed replacement vehicles, the Department of Public Works requests that the Common Council authorize the replacement of 2 refuse vehicles for 2024 and 2 refuse vehicles for 2025. This action involves the obligation of approximately $708,000 in each year (2022 dollars).

Re: Natural Gas Contract – Authorization to Contract and Report Out

Background:

- The City of Green Bay's current Natural Gas Contract is approaching its end date on October 31, 2022. The contract will have been in place for 36 months. The contract locked in base cost at $3.50 a Dekatherm with 100% swing. The $3.50 a Dekatherm does not include transportation costs. The average total cost of Ownership (TCO) during the contract duration was averaged out to $4.79 a Dekatherm. Our average annual consumption of 48,000 Dekatherms at an annual cost of $229,920 Dollars.

Recommendations:

- We continue to monitor the market through Tradition Energy, the City's Energy Procurement Advisor on our Contract.
- The volatility of the Natural Gas Market is indicating significant price increases in Natural Gas today and the near future unless certain market influencers change.
- Attachment 1 included with this information shows the current contract buys from 4 suppliers and the cost from 12-48-month contracts.
- Attachment 2 indicates document shows current site list with usage numbers. Although the site information is static the contract pricing changes daily.
- As we monitor the market and pricing, we need to be able to move if a price drop or event makes for a favorable market to purchase Natural Gas. The decision window continues to get narrower, however, we are watching pricing daily.
- The associated risk is included in the decision process and we will make this decision with the most current and relevant information available.

Requested Motion:

- Allow the City of Green Bay's Purchasing Department to Contract Natural Gas before the current contract expires on October 31, 2022. Contract Price and Term will be reported out at the Council Meeting directly following contract activation.

AGENDA ITEM # E.5

For consideration and possible action to approve License Plate Recognition camera system subscription for three years for a sum of $332,000 to Flock Group, Inc.

BACKGROUND

3-year subscription – Total of $332,000

Request for 40 camera system

Approved funding:
ARPA - $151,000
CDBG - $66,000
Request for $115,000 additional ARPA fund from the Crime Prevention and Neighborhood Enhancement category.
Current balance remaining in this category is: $940,400

To offset this additional ARPA request, the Police department has decided not to move forward with the Gun Shot detection ARPA request.

Ongoing cost is $106,000 starting in year 4

RECOMMENDATION

Approval of License Plate recognition system for three years for a total of $332,000 requiring an additional $115,000 of ARPA funds from the Crime Prevention and Neighborhood Enhancement category.

GENERAL ORDINANCE NO. 18-22

AN ORDINANCE REPEALING AND RECREATING CHAPTER 2, ARTICLE IX, GREEN BAY MUNICIPAL CODE, RELATING TO ETHICS

THE COMMON COUNCIL OF THE CITY OF GREEN BAY DOES ORDAIN AS FOLLOWS:

SECTION 1. Chapter 2, Article IX, Green Bay Municipal Code, is hereby repealed and recreated to read:

ARTICLE IX. Ethics.

Sec. 2-321. Declaration of policy.

The proper operation of democratic government requires that public officials and employees be independent, impartial, and responsible to the people; that governmental decisions and policy be made in proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government. To assist in attaining these goals, there is established a Code of Ethics for all City officials, including members of boards, committees, and commissions, and employees, whether elected or appointed, paid or unpaid. The purpose of this code is to establish guidelines for ethical standards of conduct for all such officials and employees by setting forth those acts or actions which are incompatible with the best interests of the City and by requiring such officials and employees to disclose personal interests, financial or otherwise, in matters affecting the City. The purpose of this code and the rules and regulations established hereby are declared to be in the public interest. This article may be called the "Code of Ethics."

***Comment**: No change from current sec. 2-321, but see new sec. 2-328(c).*

Sec. 2-322. Responsibility of public office.

Public officials and employees hold office for the benefit of the public. They are bound to uphold the state and federal constitutions; to observe the highest standards of law in the exercise of the powers and duties of their office; to impartially carry out the laws of the nation, state, and City; to discharge faithfully the duties of their office regardless of personal considerations; and to recognize that the public interest must be their prime concern.

***Comment:** No change from current sec. 2-321, but see new sec. 2-328(c).*

Sec. 2-323 Definitions.

As used in this section:

(a) *Anything of value* means any money or property, favor, service, payment, advance, forbearance, loan, or promise of future employment, but does not include compensation and expenses paid by the City, money or items which are permitted and reported under 2-324(i), political contributions which are reported under Wis. Stats. Ch. 11, or hospitality extended for a purpose unrelated to City business by a person other than an organization.

(b) *Associated*, when used with reference to an organization, includes any organization of which an individual or a member of their immediate family is a director or officer or owns or controls, directly or indirectly, and severally or in the aggregate, at least five percent (5%) of the outstanding equity. Notwithstanding the foregoing, an elected official or employee who is appointed by the Mayor or approved by the Council to serve as an officer or board member of a private non-profit organization, or a public committee or board, does so in their official capacity as a representative of the City and, as such, is not "associated" with the private or public organization.

(c) *Board* means the Ethics Board.

(d) *City-Related Purpose* means those purposes authorized by the Common Council of the City, its boards, commissions, or committees.

(e) *Covered Person* means and includes all persons who are covered by and subject to this Code. Covered Person includes:

(1) All elected officials of the City.

(2) All City employees.

(3) All members of City boards, authorities, committees, or commissions, including subcommittees and ad hoc committees.

When a part of this ordinance only covers some Covered Persons, the ordinance will so state.

(f) *Economic interest* or *financial interest* means a business or cause in which a person or their immediate family member has a concern, responsibility, share, right, or title in the ownership of property in a commercial or financial undertaking which relates to the source, production, distribution, or use of the person's or immediate family member's income, wealth, or goods, including debts, or which affects or is likely to affect the welfare or the material resources of the person or immediate family member.

(g) *Immediate family* means 1. An individual's spouse or designated family or domestic partner, or 2. An individual's relative by marriage, lineal descent, or adoption, or any similar step relations of any of the above.

(h) *Organization* means any public or private, profit or non-profit, religious, educational, charitable, or political organization or entity but does not include governmental bodies.

(i) *Personal interest* means any interest greater than nominal, direct or indirect, arising from blood, marriage, adoption, guardianship, or designated family or domestic partner relations or from close business, political, or other associations.

Comment: *This section is new. It takes some definitions spread out in the existing Ethics code and adds others taken from municipal codes or the State Code, Sec. 19.42, Wis. Stats. Unlike some codes, the definition of "immediate family" does not include a requirement of any level of financial support. The new definitions use the phrase "Covered Person" for persons subject to the Code.*

Sec. 2-324 Standards of Conduct.

(a) *Financial gain*. No Covered Person may use their public position or office to obtain financial gain or anything of value for the Covered Person's private benefit or that of their immediate family, or for an organization with which they are associated. This subsection does not prohibit an elected official from using the title or prestige of their office to obtain contributions permitted and reported under Wis. Stats. Ch. 11.

Comment: *This section replaces sections of old sec. 2-325 with language more precise and more commonly used in Ethics Codes.*

(b) *Offer, solicitation, or acceptance of anything of value*. No person may offer or give to any Covered Person, directly or indirectly, and no Covered Person may solicit or accept from any person, directly or indirectly, anything of value if it could reasonably be expected to influence the Covered Person's vote, official actions, or judgment, or could reasonably be considered as a reward for any official action or inaction on the part of the Covered Person. This subsection does not prohibit a Covered Person from engaging in outside employment, except as may be prohibited elsewhere in this chapter.

Comment: *This section replaces the ambiguous prohibition in former sec. 2-325(c)(3). Note that the question of whether a gift may violate this section is an objective standard ("reasonably be expected to influence") and is not to be judged by the subjective belief of the Covered Person.*

(c) *Conflict of interest*.

(1) No Covered Person may:

a. Take any official action affecting, directly or indirectly, a matter in which they, a member of their immediate family, or an organization with which they are associated has a financial or personal interest.

b. Use their office or position in a way that produces or assists in the production of a benefit, direct or indirect, for them, a member of their immediate family either separately or together, or an organization with which the Covered Person or an immediate family member is associated.

(2) This subsection does not prohibit a Covered Person from taking any action concerning the lawful payment of salaries or employee benefits or reimbursement of actual and necessary expenses or prohibit a Covered Person from taking official action with respect to any proposal to create, modify, or repeal a City ordinance, resolution, or matter benefiting the public.

Comment: *This section is new. It is modeled on sec. 19.59(1)(c), Wis. Stats., part of the state law on local government ethics limitations.*

(d) *Outside employment*.

(1) No Covered Person shall engage in or accept private employment, or render service for a private interest, compensated or uncompensated, when such employment or service is incompatible with the proper discharge of their official duties or would tend to impair such Covered Person's independence of judgment or action in the performance of such duties.

(2) No City employee shall engage in non-City related activities for which compensation is received for so many hours or to such an extent as to interfere with the proper performance of the duties and responsibilities of their official position.

(3) All Covered Persons shall disclose to their supervisor or, in the case of a Covered Person without a recognized supervisor (such as elected officials or committee members), to the City Clerk, any outside employment by a third party other than the City.

Comment: *This section expands upon the prohibition in former sec. 2-325(c)(1).*

(e) *Contracts or leases*. No Covered Person, member of a Covered Person's immediate family, nor any organization in which the Covered Person or a member of their immediate family owns or controls at least five percent (5%) of the outstanding equity, indebtedness, or voting rights may enter into any contract or lease involving a payment or payments of more than $3,000 within a 12-month period, in whole or in part derived from funds administered by the City, unless the Covered Person has first made written disclosure of the nature and extent of such relationship or interest to the Common Council, the Board, Commission, or Authority, and to the department acting for the City in regard to such contract or lease. In addition to such disclosure, the Covered Person shall recuse themself from taking any actions in their official capacity with respect to the contract. In addition to any other remedy under this Article, any contract or lease entered into in violation of this provision may be voided by the City in an action commenced within 3 years of the date on which the City or any agent of the City discovered that a violation of this subsection had occurred. Nothing in this provision affects the application of Wis. Stats. § 946.13, as amended from time to time, relating to a Covered Person's activity concerning a direct or indirect financial interest in a proposed City contract.

Comment: *This section is a modification and expansion of sec. 2-325(d). It provides for the ability to void a contract entered into in violation of the section.*

(f) *Misuse of information*. No Covered Person shall, without proper legal authorization, disclose confidential information concerning the property, government, or affairs of the City. This includes information protected by attorney-client privilege or discussed in a closed session. No Covered Person may use or disclose information gained in the course of or by reason of their official position or activities in any way that could result in the receipt of anything of value for themself, for a member of their immediate family, or for any other person or entity if the information has not been communicated to the public or is not a public record.

Comment: *This section expands on the current prohibition in sec. 2-325(c)(2).*

(g) *Appearance before City bodies and in other proceedings*.

(1) (a) No elected official shall appear on behalf of private interests with or without compensation before any City entity nor represent private interests in any action or proceeding against the City.

(b) No member of any board, committee, commission, or authority of the City shall appear on behalf of private interests with or without compensation before any board, committee, or commission of which they are a member nor represent private interests in any action or proceeding against the City which involves, is related to, or arises out of the work or jurisdiction of the board, committee commission, or authority of which they are a member or negotiate with any Covered Person in connection with any such matter.

(c) No employee of the City shall appear on behalf of private interests with or without compensation before any entity for or with which they work nor appear on behalf of private interests, with or without compensation, in any action or proceeding against the City.

(2) These provisions shall not apply to the appearance of any Covered Person when subpoenaed as a witness by a party involved in litigation which may also involve the City nor to employee representatives of a certified labor organization representing any group of City employees.

(3) An elected official may appear before any City entity and confer with any Covered Person on any matter in the course of their duties as a representative of the

electorate or in the performance of public or civic obligations; however, they shall not accept any compensation therefore.

(4) A Covered Person may appear without compensation before any City entity on any matter involving their own property or interests.

Comment: *This section is new. It limits the ability of Covered Persons to appear on behalf of third parties before the City. For employees and members of boards or commissions, the limitation only covers those areas of authority of the employee or member.*

(h) *Solicitation of funds*. No Covered Person shall solicit private donations or funds for any City-Related Purpose unless authorized to do so in their official capacity by ordinance, resolution, or rule of the City. Any Covered Person who receives funds for any City-related purpose shall file a report of the receipt and expenditure of such funds with the City Clerk within 30 days thereof. Nothing contained herein shall limit the statutory powers and authority of any public official, nor shall the provisions of this subsection prohibit the private solicitation of funds by any person or public official for any charitable, campaign, or other private purpose.

Comment: *This section essentially tracks existing sec. 2-325(c)(4).*

(i) *Honoraria and Gifts*.

(1) No Covered Person shall accept any honoraria, gifts, or Anything of Value except as allowed by this section.

(2) A Covered Person may accept gifts unrelated to a Covered Person's relationship to the City (e.g., birthday presents from family members).

(3) A Covered Person may not accept, and no person shall offer, a gift of more than de minimus value if the gift could be perceived by a reasonable person as likely to affect the judgment or actions of the Covered Person or be perceived by a reasonable person as a reward for official action taken or an inducement to take official action by the Covered Person.

(4) A Covered Person may accept reimbursement from a third party for the costs of attending a conference or other event approved by the City, provided that the reimbursement of costs does not exceed the reimbursement that the Covered Person would receive from the City. A Covered Person invoking this provision shall obtain approval of the City Finance Director and file a report of reimbursement with the City Clerk. The Covered Person may only seek reimbursement from the City or a third party when they are attending a conference or engaged in other activities that are primarily for the benefit of the City and not for their private benefit.

(5) In the event a Covered Person receives a gift that is not allowed under this Article, the Covered Person shall either (a) pay to the City Treasurer the value of the gift, (b) give the gift back to the person who made the gift, or (c) give the gift to a non-profit organization such as a homeless shelter.

Comment: *This section is new. It covers explicitly the general ban on acceptance of gifts by Covered Persons, and the sometimes troublesome issue of Covered Persons accepting reimbursement from third parties for the costs of attending conferences or other events.*

(j) *Use of City property*. No Covered Person shall use or permit the use of City-owned vehicles, equipment, materials, or property by or for the benefit of any private person or entity, or for personal or financial gain, unless authorized to do so by City ordinance, resolution, or rule.

Comment: *This follows existing sec. 2-324. The language about arbitrarily or capriciously treating one person differently than another was removed due to concerns about enforcement and possible misuse of the section.*

(k) *Communication with City employees.* Unless otherwise provided in this code, no elected official or member of any City body shall attempt to supersede the administrative powers and duties of a Department Director or appointed official, or deputy thereof, either publicly or privately, including by giving any order(s) to any subordinate thereof. Elected officials and members of City bodies shall not attempt to unduly influence or coerce City employees concerning their actions or recommendations to any City body about personnel, purchasing, awarding contracts, selection of consultants, processing of development applications, inspection matters, or the granting of City licenses and permits.

Comment: *The content of this provision originated in the Code of Conduct, Section 3.C. The Law Department is recommending that the Code of Conduct be repealed in its entirety, and we had previously indicated that this provision would be among those that would be part of the revised Ethics code. The purpose of this section is to preempt any situation of possible undue influence or pressure over an employee when dealing with requests from an elected official.*

Sec. 2-325. Post Employment Limitations.

(a) No Covered Person shall, within 12 months of leaving their position with the City, engage in lobbying as set forth in Ch. 10, Art. XIII of this Code before any Covered Person, City entity, board, committee, or commission with which the Covered Person had duties or authority while with the City.

(b) *Employment within the City.* No Alderperson, during their term of office or within 12 months thereafter, is eligible for any employment with the City, whether by regular employment or contractual services. Exceptions to this policy will be as follows:

(1) Where an Alderperson is appointed to fill a vacancy for another elected office or is elected;

(2) Where an Alderperson serves as a poll worker or at any other position which has a stipend of less than $1,000.00 a year; or

(3) Where an Alderperson is appointed to a post with an 80 percent majority consent of the Council.

Comment: *The first paragraph is new and is a limitation on lobbying for one year after leaving City government. The second paragraph is former sec. 2-325(c)(5).*

Sec. 2-326. Political Activity.

(a) No employee while on duty or on official City business shall, for the apparent purpose of influencing the outcome of any referendum or improving the chance of election of a person seeking elective office:

(1) Wear or display any campaign material.

(2) Distribute any campaign literature.

(3) Solicit, receive, or give subscriptions, contributions, or service for any candidate or referendum position.

(4) Actively campaign for or against any candidate or referendum position.

(b) No employee shall wear or otherwise use official uniforms, insignia, seals, etc., in political ads or for the purpose of influencing an election or referendum unless the image of such official emblem originates from a publicly available image first made public during the course of City employment and not for purposes of a campaign.

(c) No employee shall use their employment or any indicia of such employment with the City as a means of endorsement of any candidate or referendum.

(d) No employee shall in any way coerce or attempt to coerce subscriptions, contributions, or service from other employees in support of a political party or a candidate for elective office or for or against a referendum position, or retaliate against or reward an employee for refraining from participating in any political activity. All persons are subject to the limitations on solicitation from public employees contained in Wis. Stat. § 11.1207.

(e) This subsection does not apply to a response by a legal custodian or subordinate of the custodian to a request to locate, reproduce, or inspect a record under Wis. Stat. § 19.35, if the request is processed in the same manner as the custodian or subordinate responds to other requests to locate, reproduce, or inspect a record under such section or to an employee providing other information within the knowledge of the employee by virtue of their City position, if such information is made equally available upon request to any other person.

(f) Persons subject to the federal Hatch Act shall comply with all applicable provisions of the Act.

(g) *Solicitation of staff forbidden.* Elected officials shall not solicit any type of political support (financial contributions, display of posters or lawn signs, name on support list, collection of petition signatures, etc.) from City employees. City employees may, as private citizens within their constitutional rights, support political candidates, but all such activities must be done away from the workplace.

Comment: *This section pulls together a number of provisions in the City's Ethics Code and Code of Conduct. Almost all ethics codes have similar limitations on political activity.*

Sec. 2-327. Disclosure of Interests.

(a) *General filing for employment or appointment*. A person elected, appointed, or hired for any office or position of employment or appointed to any City of Green Bay board, commission, or authority set forth below shall file initial and amended statements of economic interest as required by the provisions of this section.

(1) Elected officials.

a. Mayor.

b. Municipal Judge.

c. Alderpersons.

(2) Appointed officials.

a. Assessor.

b. City Attorney.

c. Chief Building Official.

d. Chief of Operations.

e. City Clerk.

f. Comptroller.

g. Director of Community and Economic Development.

h. Director of Parks, Recreation, and Forestry.

i. Director of Public Works.

j. Fire Chief.

k. Police Chief.

l. Treasurer.

m. Zoning Administrator.

(3) Employees.

a. Human Resources Manager.

b. Mayor's Chief of Staff.

c. Purchasing Manager.

(4) Boards.

a. Board of Review.

b. Ethics Board.

c. Sex Offender Residence Board.

d. Zoning and Planning Board of Appeals.

(5) Commissions.

a. Annexation Commission.

b. Equal Rights Commission.

c. Landmarks Commission.

d. Plan Commission.

e. Police and Fire Commission.

f. Public Arts Commission.

g. Room Tax Commission.

h. Traffic, Bicycle and Pedestrian Commission.

i. Transit Commission.

j. Water Commission.

(6) Authorities.

a. Economic Development Authority.

b. Housing Authority~~.~~, including Green Bay Housing Authority Properties I, Inc.

c. Redevelopment Authority.

d. Transit Authority.

(b) *Filing statement of economic interest with Clerk*. Within seven (7) days after such person becomes a candidate for any elective City office enumerated in this section, or within seven (7) days of appointment to such office, such person shall file a statement of economic interest with the City Clerk.

(c) *Form of statement*. A person filing any statement of economic interest under this section shall file the statement on a form prescribed by the Ethics Board and shall supply the following information to the Board.

(1) *Interest in land*. The statement shall include a description of all parcels of real estate within the City and adjoining towns or villages in which the person owns any interest, including an option to purchase, except for homestead property.

(2) *Corporate interests*. The statement shall identify all of the person's corporate interests in any business organization, either as an owner, part owner, partner, or silent partner, in which such individual owns more than two (2) percent of the outstanding stock or more than two (2) percent of any other business ownership that is doing business with the City in an amount in excess of $5,000.00 annually.

(3) *Other financial holdings*. The statement shall identify any of the person's other stock or securities or other financial holdings of any type exceeding $10,000, but excluding personal checking and savings accounts, money market funds, and any funds held in a bona fide retirement account.

(d) *Amended statements*. Any person required to file a statement hereunder shall not be required to file an amended statement unless that person undergoes a change in those economic interests that are required to be disclosed by this section. Such person shall file the amended statement in the manner prescribed by subsection (b) of this section within seven days of the date of any change in circumstances requiring filing thereof. In addition, all persons covered by this section shall file an annual update of the statement no later than January 31 of each year. The City Clerk shall send a notice to all person covered by this section no later than December 15 of each year, notifying them of the annual update requirement.

Comment: *This section picks up most of the language in sec. 2-326 of the existing Green Bay Code. It modifies current law to require filings within 7 days of the application of this section to an individual and provides that persons covered are to update their filings annually.*

Sec. 2-328. Exceptions.

(a) Nothing in this ordinance shall be construed to cover the actions of a Covered Person in the official action of approving or amending City ordinances, resolutions, or rules, unless such official action was accompanied by a violation of this ordinance.

(b) Nothing in this ordinance shall be construed to limit the authority of Covered Persons to approve the lawful payment of salaries or employee benefits or reimbursement of actual and necessary expenses.

(c) Sec. 2-321 and 2-322 are aspirational statements to be used in application and interpretation of this article. No complaint may be filed under this article solely claiming a violation of either of those two sections.

Comment: *This section is new. The first two paragraphs are common in ethics codes to make it clear that certain routine acts of Covered Person are not to be considered as violations. The final section solves the problem of persons using the first two sections of the Code as a basis for a complaint, as they are aspirational and not to be used to create a violation where no other provision was violated.*

Sec. 2-329. Disclosure and Recusal.

(a) Any Covered Person who faces a situation where they may violate the standards of conduct in sec. 2-324, or any other provision of this Article, shall determine whether such a situation requires the Covered Person to make a disclosure or to recuse themself. Such disclosure or recusal shall take place before the matter comes before the Covered Person.

(b) The Covered Person shall disclose any conflict or financial interest or other section of the Code, as well as whether they can reasonably and objectively determine that the situation presents a tangential interest that will not conflict with their official duties, and will not influence their actions, independence, or judgment.

(c) The Covered Person need not make a disclosure if they recuse themselves. If the Covered Person determines that the situation reasonably and objectively would conflict with their official duties, or impair their independence, action, or judgment, the Covered Person shall recuse themself from any action with respect to the matter. Recusal is accomplished by announcing that the Covered Person will take no part in the proposed action, will not discuss it with any person, will not attempt to influence any other person's action, and effectively will be absent when any aspect of the matter is considered.

Comment: *This section is new. The City's Code had no provisions directing when and how an official was to disclose a potential conflict, or in what instances recusal was required, or what recusal means. It adopts an objective standard ("reasonably and objectively would conflict with their official duties, or impair their independence, action, or judgment") to determine when recusal is necessary. Note, however, that the Code retains the current situation that the determination is to be made by the Covered Person. Nobody may force an official to recuse themselves. The remedy if an official violates this section is to file a complaint with the Ethics Board.*

Sec. 2-330. Ethics Board: Composition and Duties

(a) There shall be an Ethics Board which shall consist of five (5) regular members and one (1) alternate member: one (1) Alderperson; one (1) City officer or employee; and four (4) residents of the City, one of whom shall be an alternate who shall vote only in the absence or abstention of a regular member. Each member shall be appointed by the Mayor and subject to confirmation by the Common Council. The resident members shall not be City employees. Terms of office of citizens shall be three (3) years, and shall be staggered, so that no more than two (2) appointments are made annually. The Ethics Board shall elect its own Chairperson and Vice-Chairperson annually. If any member of the Ethics Board petitions the Board for a hearing and advice regarding their own conduct, or if a complaint is filed against a member of the Ethics Board, such member shall not be eligible to sit in their own case, and the alternate shall substitute therefor when the need arises. In the event a complaint is filed against two (2) or more members of the Ethics Board, the Personnel Committee shall sit as the *ad hoc* Ethics Board for any hearing.

(b) The City Attorney shall advise the Ethics Board and shall not represent any person requesting an advisory opinion, filing a complaint, or subject to a complaint before the Board. The City Attorney may, but need not, issue advisory opinions to any City employee covered by this Article who has a question as to the applicability of any portion hereof themselves. If the facts stated in the request for an Advisory Opinion are accurate, and the requestor follows the advice of the City Attorney, it will be prima facie evidence that no violation of this Code took place. The City Attorney may refer any request for an advisory opinion to the Ethics Board.

(c) The Ethics Board may issue advisory opinions. Any person who questions whether they may be in a position to violate the Ethics Code may make a request for an

Advisory Opinion. The Board may issue an opinion to the person. The opinion shall be public, unless the person in the original request asked that it be a confidential inquiry. Any opinion issued in response to a request for a confidential inquiry may be made public by the person obtaining the opinion. The Board also may issue summaries of confidential opinions written to protect the identity of the person requesting the opinion. If the facts stated in the request for an Advisory Opinion are accurate, and the requestor follows the advice of the Ethics Board, it will be *prima facie* evidence that no violation of this Code took place.

(d) Any adult resident of the City of Green Bay may file a sworn complaint alleging that a Covered Person has violated the Ethics Code. The complaint shall be filed with the City Attorney. Upon receipt of the complaint, the official(s) complained of shall be provided a copy and be given no less than 15 nor more than 30 days to file a written response. The complaint must allege the specific section(s) of the ethics code that were violated.

(e) *Jurisdictional Hearing*. The Board shall hold a jurisdictional hearing to determine if the allegations of the complaint merit a hearing on the substance of the allegations. The Board shall assume that allegations in the complaint are true unless contradicted by public documents of which the Board may take notice. The Board shall determine if the complaint alleges sufficient provable facts to have an evidentiary hearing. No evidentiary testimony shall be taken at a jurisdictional hearing. Any complaint filed more than one hundred eighty (180) days after the actions alleged, or the discovery of those actions by the complainant who acted with reasonable efforts to discover the actions, shall be summarily dismissed at the jurisdictional hearing.

(f) If the Board determines an evidentiary hearing shall be held, both the complainant and respondent may present such relevant evidence as will assist the Board in determining if a violation of the Code occurred. The City Attorney shall advise the Board in any hearing. If the Board finds no violation, it shall dismiss the complaint.

(g) The Board may adopt rules and procedures to govern complaints, responses to complaints, the conduct of hearings, and any other matters relevant to its duties.

(h) If the Board finds the complaint was brought in bad faith, with no reasonable basis in fact or law, or with an intent to harass the respondent, the Board may recommend that the City Attorney bring an action in the name of the City in municipal court for a forfeiture not to exceed $200.

(i) If the Board finds that a violation occurred, the Board may take any of the following actions:

(1) Find that any violation was *de minimis* and no further action is needed.

(2) Issue an order censuring the respondent for the violation.

(3) Recommend that the Common Council censure the respondent.

(4) Recommend that the City Attorney bring an action in municipal court in the name of the City, seeking a forfeiture of not less than $100 and nor more than $500 per violation.

(5) Recommend that the Common Council or other appropriate authority remove the respondent from public position for cause.

(j) Except as provided for a confidential advisory opinion, the meetings and records of the Board are subject to the Open Meetings Law and Public Records Law.

(k) The Ethics Board may recommend amendments of the Ethics Code to the Common Council.

Comment: *This section takes some provisions from the existing Code of Ethics (sec. 2-328), the Code of Conduct, and adds some common provisions from other codes of Wisconsin municipalities. It retains the jurisdictional hearing and the power to recommend amendments to the Code. It changes the period during which a complaint is to be brought from one year after the alleged violation to 180 days after the violation and retains the discovery rule. It clarifies that complaints may only be filed by residents of Green Bay.*

SECTION 2. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

SECTION 3. Effective date. This ordinance shall take effect on and after its passage and publication.

GENERAL ORDINANCE NO. 18-22

AN ORDINANCE REPEALING AND RECREATING CHAPTER 2, ARTICLE IX, GREEN BAY MUNICIPAL CODE, RELATING TO ETHICS

THE COMMON COUNCIL OF THE CITY OF GREEN BAY DOES ORDAIN AS FOLLOWS:

SECTION 1. Chapter 2, Article IX, Green Bay Municipal Code, is hereby repealed and recreated to read:

ARTICLE IX. Ethics.

Sec. 2-321. Declaration of policy.

The proper operation of democratic government requires that public officials and employees be independent, impartial, and responsible to the people; that governmental decisions and policy be made in proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government. To assist in attaining these goals, there is established a Code of Ethics for all City officials, including members of boards, committees, and commissions, and employees, whether elected or appointed, paid or unpaid. The purpose of this code is to establish guidelines for ethical standards of conduct for all such officials and employees by setting forth those acts or actions which are incompatible with the best interests of the City and by requiring such officials and employees to disclose personal interests, financial or otherwise, in matters affecting the City. The purpose of this code and the rules and regulations established hereby are declared to be in the public interest. This article may be called the "Code of Ethics."

Sec. 2-322. Responsibility of public office.

Public officials and employees hold office for the benefit of the public. They are bound to uphold the state and federal constitutions; to observe the highest standards of law in the exercise of the powers and duties of their office; to impartially carry out the laws of the nation, state, and City; to discharge faithfully the duties of their office regardless of personal considerations; and to recognize that the public interest must be their prime concern.

Sec. 2-323 Definitions.

As used in this section:

(a) *Anything of value* means any money or property, favor, service, payment, advance, forbearance, loan, or promise of future employment, but does not include compensation and expenses paid by the City, money or items which are permitted and reported under 2-324(i), political contributions which are reported under Wis. Stats. Ch.

11, or hospitality extended for a purpose unrelated to City business by a person other than an organization.

(b) *Associated*, when used with reference to an organization, includes any organization of which an individual or a member of their immediate family is a director or officer or owns or controls, directly or indirectly, and severally or in the aggregate, at least five percent (5%) of the outstanding equity. Notwithstanding the foregoing, an elected official or employee who is appointed by the Mayor or approved by the Council to serve as an officer or board member of a private non-profit organization, or a public committee or board, does so in their official capacity as a representative of the City and, as such, is not "associated" with the private or public organization.

(c) *Board* means the Ethics Board.

(d) *City-Related Purpose* means those purposes authorized by the Common Council of the City, its boards, commissions, or committees.

(e) *Covered Person* means and includes all persons who are covered by and subject to this Code. Covered Person includes:

(1) All elected officials of the City.

(2) All City employees.

(3) All members of City boards, authorities, committees, or commissions, including subcommittees and ad hoc committees.

When a part of this ordinance only covers some Covered Persons, the ordinance will so state.

(f) *Economic interest* or *financial interest* means a business or cause in which a person or their immediate family member has a concern, responsibility, share, right, or title in the ownership of property in a commercial or financial undertaking which relates to the source, production, distribution, or use of the person's or immediate family member's income, wealth, or goods, including debts, or which affects or is likely to affect the welfare or the material resources of the person or immediate family member.

(g) *Immediate family* means 1. An individual's spouse or designated family or domestic partner, or 2. An individual's relative by marriage, lineal descent, or adoption, or any similar step relations of any of the above.

(h) *Organization* means any public or private, profit or non-profit, religious, educational, charitable, or political organization or entity but does not include governmental bodies.

(i) *Personal interest* means any interest greater than nominal, direct or indirect, arising from blood, marriage, adoption, guardianship, or designated family or domestic partner relations or from close business, political, or other associations.

Sec. 2-324 Standards of Conduct.

(a) *Financial gain*. No Covered Person may use their public position or office to obtain financial gain or anything of value for the Covered Person's private benefit or that of their immediate family, or for an organization with which they are associated. This subsection does not prohibit an elected official from using the title or prestige of their office to obtain contributions permitted and reported under Wis. Stats. Ch. 11.

(b) *Offer, solicitation, or acceptance of anything of value*. No person may offer or give to any Covered Person, directly or indirectly, and no Covered Person may solicit or accept from any person, directly or indirectly, anything of value if it could reasonably be expected to influence the Covered Person's vote, official actions, or judgment, or could reasonably be considered as a reward for any official action or inaction on the part of the Covered Person. This subsection does not prohibit a Covered Person from engaging in outside employment, except as may be prohibited elsewhere in this chapter.

(c) *Conflict of interest*.

(1) No Covered Person may:

a. Take any official action affecting, directly or indirectly, a matter in which they, a member of their immediate family, or an organization with which they are associated has a financial or personal interest.

b. Use their office or position in a way that produces or assists in the production of a benefit, direct or indirect, for them, a member of their immediate family either separately or together, or an organization with which the Covered Person or an immediate family member is associated.

(2) This subsection does not prohibit a Covered Person from taking any action concerning the lawful payment of salaries or employee benefits or reimbursement of actual and necessary expenses or prohibit a Covered Person from taking official action with respect to any proposal to create, modify, or repeal a City ordinance, resolution, or matter benefiting the public.

(d) *Outside employment*.

(1) No Covered Person shall engage in or accept private employment, or render service for a private interest, compensated or uncompensated, when such employment or service is incompatible with the proper discharge of their official duties or would tend to impair such Covered Person's independence of judgment or action in the performance of such duties.

(2) No City employee shall engage in non-City related activities for which compensation is received for so many hours or to such an extent as to interfere with the proper performance of the duties and responsibilities of their official position.

(3) All Covered Persons shall disclose to their supervisor or, in the case of a Covered Person without a recognized supervisor (such as elected officials or committee members), to the City Clerk, any outside employment by a third party other than the City.

(e) *Contracts or leases*. No Covered Person, member of a Covered Person's immediate family, nor any organization in which the Covered Person or a member of their immediate family owns or controls at least five percent (5%) of the outstanding equity, indebtedness, or voting rights may enter into any contract or lease involving a payment or payments of more than $3,000 within a 12-month period, in whole or in part derived from funds administered by the City, unless the Covered Person has first made written disclosure of the nature and extent of such relationship or interest to the Common Council, the Board, Commission, or Authority, and to the department acting for the City in regard to such contract or lease. In addition to such disclosure, the Covered Person shall recuse themself from taking any actions in their official capacity with respect to the contract. In addition to any other remedy under this Article, any contract or lease entered into in violation of this provision may be voided by the City in an action commenced within 3 years of the date on which the City or any agent of the City discovered that a violation of this subsection had occurred. Nothing in this provision affects the application of Wis. Stats. § 946.13, as amended from time to time, relating to a Covered Person's activity concerning a direct or indirect financial interest in a proposed City contract.

(f) *Misuse of information*. No Covered Person shall, without proper legal authorization, disclose confidential information concerning the property, government, or affairs of the City. This includes information protected by attorney-client privilege or discussed in a closed session. No Covered Person may use or disclose information gained in the course of or by reason of their official position or activities in any way that could result in the receipt of anything of value for themself, for a member of their immediate family, or for any other person or entity if the information has not been communicated to the public or is not a public record.

(g) *Appearance before City bodies and in other proceedings*.

(1) (a) No elected official shall appear on behalf of private interests with or without compensation before any City entity nor represent private interests in any action or proceeding against the City.

(b) No member of any board, committee, commission, or authority of the City shall appear on behalf of private interests with or without compensation before any board, committee, or commission of which they are a member nor represent private interests in any action or proceeding against the City which involves, is related to, or arises out of the work or jurisdiction of the board, committee commission, or authority of which they are a member or negotiate with any Covered Person in connection with any such matter.

(c) No employee of the City shall appear on behalf of private interests with or without compensation before any entity for or with which they work nor appear on behalf of private interests, with or without compensation, in any action or proceeding against the City.

(2) These provisions shall not apply to the appearance of any Covered Person when subpoenaed as a witness by a party involved in litigation which may also involve the City nor to employee representatives of a certified labor organization representing any group of City employees.

(3) An elected official may appear before any City entity and confer with any Covered Person on any matter in the course of their duties as a representative of the electorate or in the performance of public or civic obligations; however, they shall not accept any compensation therefore.

(4) A Covered Person may appear without compensation before any City entity on any matter involving their own property or interests.

(h) *Solicitation of funds*. No Covered Person shall solicit private donations or funds for any City-Related Purpose unless authorized to do so in their official capacity by ordinance, resolution, or rule of the City. Any Covered Person who receives funds for any City-related purpose shall file a report of the receipt and expenditure of such funds with the City Clerk within 30 days thereof. Nothing contained herein shall limit the statutory powers and authority of any public official, nor shall the provisions of this subsection prohibit the private solicitation of funds by any person or public official for any charitable, campaign, or other private purpose.

(i) *Honoraria and Gifts*.

(1) No Covered Person shall accept any honoraria, gifts, or Anything of Value except as allowed by this section.

(2) A Covered Person may accept gifts unrelated to a Covered Person's relationship to the City (e.g., birthday presents from family members).

(3) A Covered Person may not accept, and no person shall offer, a gift of more than de minimus value if the gift could be perceived by a reasonable person as likely to affect the judgment or actions of the Covered Person or be perceived by a reasonable person as a reward for official action taken or an inducement to take official action by the Covered Person.

(4) A Covered Person may accept reimbursement from a third party for the costs of attending a conference or other event approved by the City, provided that the reimbursement of costs does not exceed the reimbursement that the Covered Person would receive from the City. A Covered Person invoking this provision shall obtain approval of the City Finance Director and file a report of reimbursement with the City Clerk. The Covered Person may only seek reimbursement from the City or a third party when they are attending a conference or engaged in other activities that are primarily for the benefit of the City and not for their private benefit.

(5) In the event a Covered Person receives a gift that is not allowed under this Article, the Covered Person shall either (a) pay to the City Treasurer the value of the gift, (b) give the gift back to the person who made the gift, or (c) give the gift to a non-profit organization such as a homeless shelter.

(j) *Use of City property*. No Covered Person shall use or permit the use of City-owned vehicles, equipment, materials, or property by or for the benefit of any private person or entity, or for personal or financial gain, unless authorized to do so by City ordinance, resolution, or rule.

(k) *Communication with City employees.* Unless otherwise provided in this code, no elected official or member of any City body shall attempt to supersede the administrative powers and duties of a Department Director or appointed official, or deputy thereof, either publicly or privately, including by giving any order(s) to any subordinate thereof. Elected officials and members of City bodies shall not attempt to **unduly** influence or coerce City employees concerning their actions or recommendations to any City body about personnel, purchasing, awarding contracts, selection of consultants, processing of development applications, **inspection matters,** or the granting of City licenses and permits.

Sec. 2-325. Post Employment Limitations.

(a) No Covered Person shall, within 12 months of leaving their position with the City, engage in lobbying as set forth in Ch. 10, Art. XIII of this Code before any Covered Person, City entity, board, committee, or commission with which the Covered Person had duties or authority while with the City.

(b) *Employment within the City.* No Alderperson, during their term of office or within 12 months thereafter, is eligible for any employment with the City, whether by regular employment or contractual services. Exceptions to this policy will be as follows:

(1) Where an Alderperson is appointed to fill a vacancy for another elected office or is elected;

(2) Where an Alderperson serves as a poll worker or at any other position which has a stipend of less than $1,000.00 a year; or

(3) Where an Alderperson is appointed to a post with an 80 percent majority consent of the Council.

Sec. 2-326. Political Activity.

(a) No employee while on duty or on official City business shall, for the apparent purpose of influencing the outcome of any referendum or improving the chance of election of a person seeking elective office:

(1) Wear or display any campaign material.

(2) Distribute any campaign literature.

(3) Solicit, receive, or give subscriptions, contributions, or service for any candidate or referendum position.

(4) Actively campaign for or against any candidate or referendum position.

(b) No employee shall wear or otherwise use official uniforms, insignia, seals, etc., in political ads or for the purpose of influencing an election or referendum unless the image of such official emblem originates from a publicly available image first made public during the course of City employment and not for purposes of a campaign.

(c) No employee shall use their employment or any indicia of such employment with the City as a means of endorsement of any candidate or referendum.

(d) No employee shall in any way coerce or attempt to coerce subscriptions, contributions, or service from other employees in support of a political party or a candidate for elective office or for or against a referendum position, or retaliate against or reward an employee for refraining from participating in any political activity. All persons are subject to the limitations on solicitation from public employees contained in Wis. Stat. § 11.1207.

(e) This subsection does not apply to a response by a legal custodian or subordinate of the custodian to a request to locate, reproduce, or inspect a record under Wis. Stat. § 19.35, if the request is processed in the same manner as the custodian or subordinate responds to other requests to locate, reproduce, or inspect a record under such section or to an employee providing other information within the knowledge of the employee by virtue of their City position, if such information is made equally available upon request to any other person.

(f) Persons subject to the federal Hatch Act shall comply with all applicable provisions of the Act.

(g) *Solicitation of staff forbidden.* Elected officials shall not solicit any type of political support (financial contributions, display of posters or lawn signs, name on support list, collection of petition signatures, etc.) from City employees. City employees may, as private citizens within their constitutional rights, support political candidates, but all such activities must be done away from the workplace.

Sec. 2-327. Disclosure of Interests.

(a) *General filing for employment or appointment*. A person elected, appointed, or hired for any office or position of employment or appointed to any **City of Green Bay** board, commission, or authority set forth below shall file initial and amended statements of economic interest as required by the provisions of this section.

(b) *Filing statement of economic interest with Clerk*. Within seven (7) days after such person becomes a candidate for any elective City office enumerated in this section, or within seven (7) days of appointment to such office, such person shall file a statement of economic interest with the City Clerk.

(c) *Form of statement*. A person filing any statement of economic interest under this section shall file the statement on a form prescribed by the Ethics Board and shall supply the following information to the Board.

(1) *Interest in land*. The statement shall include a description of all parcels of real estate within the City and adjoining towns or villages in which the person owns any interest, including an option to purchase, except for homestead property.

(2) *Corporate interests*. The statement shall identify all of the person's corporate interests in any business organization, either as an owner, part owner, partner, or silent partner, in which such individual owns more than two (2) percent of the outstanding stock or more than two (2) percent of any other business ownership that is doing business with the City in an amount in excess of $5,000.00 annually.

(3) *Other financial holdings*. The statement shall identify any of the person's other stock or securities or other financial holdings of any type exceeding $10,000, but excluding personal checking and savings accounts, money market funds, and any funds held in a bona fide retirement account.

(d) *Amended statements*. Any person required to file a statement hereunder shall not be required to file an amended statement unless that person undergoes a change in those economic interests that are required to be disclosed by this section. Such person shall file the amended statement in the manner prescribed by subsection (b) of this section within seven days of the date of any change in circumstances requiring filing thereof. In addition, all persons covered by this section shall file an annual update of the statement no later than January 31 of each year. The City Clerk shall send a notice to all person covered by this section no later than December 15 of each year, notifying them of the annual update requirement.

Sec. 2-328. Exceptions.

(a) Nothing in this ordinance shall be construed to cover the actions of a Covered Person in the official action of approving or amending City ordinances, resolutions, or rules, unless such official action was accompanied by a violation of this ordinance.

(b) Nothing in this ordinance shall be construed to limit the authority of Covered Persons to approve the lawful payment of salaries or employee benefits or reimbursement of actual and necessary expenses.

(c) Sec. 2-321 and 2-322 are aspirational statements to be used in application and interpretation of this article. No complaint may be filed under this article solely claiming a violation of either of those two sections.

Sec. 2-329. Disclosure and Recusal.

(a) Any Covered Person who faces a situation where they may violate the standards of conduct in sec. 2-324, or any other provision of this Article, shall determine whether such a situation requires the Covered Person to make a disclosure or to recuse themself. Such disclosure or recusal shall take place before the matter comes before the Covered Person.

(b) The Covered Person shall disclose any conflict or financial interest or other section of the Code, as well as whether they can reasonably and objectively determine that the situation presents a tangential interest that will not conflict with their official duties, and will not influence their actions, independence, or judgment.

(c) The Covered Person need not make a disclosure if they recuse themselves. If the Covered Person determines that the situation reasonably and objectively would conflict with their official duties, or impair their independence, action, or judgment, the Covered Person shall recuse themself from any action with respect to the matter. Recusal is accomplished by announcing that the Covered Person will take no part in the proposed action, will not discuss it with any person, will not attempt to influence any other person’s action, and effectively will be absent when any aspect of the matter is considered.

Sec. 2-330. Ethics Board: Composition and Duties

(a) There shall be an Ethics Board which shall consist of five (5) regular members and one (1) alternate member: one (1) Alderperson; one (1) City officer or employee; and four (4) residents of the City, one of whom shall be an alternate who shall vote only in the absence or abstention of a regular member. Each member shall be appointed by the Mayor and subject to confirmation by the Common Council. The resident members shall not be City employees. Terms of office of citizens shall be three (3) years, and shall be staggered, so that no more than two (2) appointments are made annually. The Ethics Board shall elect its own Chairperson and Vice-Chairperson annually. If any member of the Ethics Board petitions the Board for a hearing and advice regarding their own conduct, or if a complaint is filed against a member of the Ethics Board, such member shall not be eligible to sit in their own case, and the alternate shall substitute therefor when the need arises. In the event a complaint is filed against two (2) or more members of the Ethics Board, the Personnel Committee shall sit as the *ad hoc* Ethics Board for any hearing.

(b) The City Attorney shall advise the Ethics Board and shall not represent any person requesting an advisory opinion, filing a complaint, or subject to a complaint before the Board. The City Attorney may, but need not, issue advisory opinions to any City employee covered by this Article who has a question as to the applicability of any portion hereof themselves. If the facts stated in the request for an Advisory Opinion are accurate, and the requestor follows the advice of the City Attorney, it will be prima facie evidence that no violation of this Code took place. The City attorney may refer any request for an advisory opinion to the Ethics Board.

(c) The Ethics Board may issue advisory opinions. Any person who questions whether they may be in a position to violate the Ethics Code may make a request for an Advisory Opinion. The Board may issue an opinion to the person. The opinion shall be public, unless the person in the original request asked that it be a confidential inquiry. Any opinion issued in response to a request for a confidential inquiry may be made public by the person obtaining the opinion. The Board also may issue summaries of confidential opinions written to protect the identity of the person requesting the opinion. If the facts stated in the request for an Advisory Opinion are accurate, and the requestor follows the advice of the Ethics Board, it will be *prima facie* evidence that no violation of this Code took place.

(d) Any adult resident of the City of Green Bay may file a sworn complaint alleging that a Covered Person has violated the Ethics Code. The complaint shall be filed with the City Attorney. Upon receipt of the complaint, the official(s) complained of shall be provided a copy and be given no less than 15 nor more than 30 days to file a written response. **The complaint must allege the specific section(s) of the ethics code that were violated.**

(e) *Jurisdictional Hearing*. The Board shall hold a jurisdictional hearing to determine if the allegations of the complaint merit a hearing on the substance of the allegations. The Board shall assume that allegations in the complaint are true unless contradicted by public documents of which the Board may take notice. The Board shall determine if the complaint alleges sufficient provable facts to have an evidentiary hearing. No evidentiary testimony shall be taken at a jurisdictional hearing. Any complaint filed more than one hundred eighty (180) days after the actions alleged, or the discovery of those actions by the complainant who acted with reasonable efforts to discover the actions, shall be summarily dismissed at the jurisdictional hearing.

(f) If the Board determines an evidentiary hearing shall be held, both the complainant and respondent may present such relevant evidence as will assist the Board in determining if a violation of the Code occurred. The City Attorney shall advise the Board in any hearing. If the Board finds no violation, it shall dismiss the complaint.

(g) The Board may adopt rules and procedures to govern complaints, responses to complaints, the conduct of hearings, and any other matters relevant to its duties.

(h) If the Board finds the complaint was brought in bad faith, with no reasonable basis in fact or law, or with an intent to harass the respondent, the Board may recommend that the City Attorney bring an action in the name of the City in municipal court for a forfeiture not to exceed $200.

(i) If the Board finds that a violation occurred, the Board may take any of the following actions:

(1) Find that any violation was *de minimis* and no further action is needed.

(2) Issue an order censuring the respondent for the violation.

(3) Recommend that the Common Council censure the respondent.

(4) Recommend that the City Attorney bring an action in municipal court in the name of the City, seeking a forfeiture of not less than $100 and nor more than $500 per violation.

(5) Recommend that the Common Council or other appropriate authority remove the respondent from public position for cause.

(j) Except as provided for a confidential advisory opinion, the meetings and records of the Board are subject to the Open Meetings Law and Public Records Law.

(k) The Ethics Board may recommend amendments of the Ethics Code to the Common Council.

SECTION 2. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

SECTION 3. Effective date. This ordinance shall take effect on and after its passage and publication.

MEETING DATE	PREPARED BY
September 13, 2022	

AGENDA ITEM # E.9

For consideration with possible action the resolution authorizing a budget amendment for Fire Overtime reimbursement of $41,174.75 for unbudgeted community events.

BACKGROUND

Per state statues any change to a Common Council approved budget must be brought through as a budget amendment resolution.

This is an item that was not budgeted, neither the revenue or expense, the resolution will increase both budgets.

The additional revenue received offsets the unbudgeted expense incurred. It has a zero impact on the fund balance.

RECOMMENDATION

To approve.

AGENDA ITEM # F.1

For discussion, the 2023-2027 Capital Improvement Plan (CIP).

BACKGROUND

In front of you is a draft of the 2023-2027 Capital Improvement Plan (CIP) for the City of Green Bay. This includes expenses and revenue sources for:

- General Levy
- TIF's
- Parking Utility
- Sanitary
- Storm

First page of this packet includes an overall summary of the city's capital needs (over $5,000 each) broken down into three categories of expenses: Major, Equipment and Fleet. After each summary by category are all the detailed pages to describe/justify the need. The final pages are a summary of requests by funding source.

For this meeting, the goal would be to start the conversation of what the city's capital needs are. This item is informational, so no action can be taken. We would like you to have plenty of time to review the documents before the next Finance Committee meeting. It is important to look at the full five-year CIP which will impact the 2023 borrowing request as well as the 2023 operating budget.

RECOMMENDATION

Review and discuss, with action taken at future Finance Committee meetings.

Description of Expenditure

Replace lots/apron at Fire Stations 1 and 3

Justification Information

The lots and aprons at the fire stations 1 and 3 are cracked and failing. The cracking allows erosion underneath the surface which worsens the situation and can eventually cause a significant failure and damage to fire apparatus.

MUNIS Financial Information

Description of Expenditure

Replace HVAC/Boiler Systems and radiators at Fire Stations 1 and 3

Justification Information

The HVAC systems at Fire Stations 1 and 3 have reached their expected life span. These stations rely on a complex system of roof top units working in conjunction with boilers and radiators. The radiators in both stations are original and perform very poorly, including leaking scalding hot water. The systems have air trapped in them which causes constant pressure shifts that put extreme pressure on the pipes and cause significant movement of the pipes, which makes the leaking worse. Temperature control is difficult at best and extreme temperatures inside the building are not uncommon.

EST INITIAL INVESTMENT	$27,300.00

Description of Expenditure

12 KW Roof Mounted Solar array to provide power for Station 4.

Justification Information

Station #4 has been identified as an ideal location for a solar array. It's highly visible to the public and a modestly sized array would reduce electrical usage by ~13%. Coupling a solar array with any planned energy efficiency upgrades would further decrease your operating expenses at that station.

MUNIS Financial Information

Description of Expenditure

Repave lots/aprons

Justification Information

The lots and aprons at the fire department shop are cracked and failing. The cracking allows erosion underneath the surface which worsens the situation and can eventually cause a significant failure and damage to fire apparatus.

MUNIS Financial Information

Funding Source	$18,750.00	General Levy Borrowing	2023
	$18,750.00		
Expenditure	$18,750.00	Lot/Apron - Shop	2023
	$18,750.00		

How will this improve our service level and efficiency

Normal preventative maintenance instead of emergency patchwork repairs. Additionally, less chance of damage to fire apparatus and retain the ability to quickly exit the building for a response. Less risk to employees and public from uneven surfaces.

Description of Expenditure

Fire Station Alerting is the system used to notify personnel in the fire station of an incident they need to respond to. The system includes computer hardware and software, speakers, lighting systems, information displays and building systems control equipment.

Justification Information

The current station alerting system is nothing more than a system that receives a radio signal. There is no information display. The speakers are not designed specifically for the use in the building, making them very hard to understand. There is no control of building systems or lighting systems. There is no redundancy in the system or failsafe in the event of an equipment failure.

MUNIS Financial Information

Funding Source	$940,500.00	General Levy Borrowing	2023
	$940,500.00		
Expenditure	$940,500.00	Station Alerting All Stations	2023
	$940,500.00		

How will this improve our service level and efficiency

The system will shorten the time that it takes to notify personnel of an emergency and provide a route to respond. The system will also function to reduce stress levels caused by the current system as it is extremely loud and assaulting when it sounds. This could help to reduce long term healthcare costs amongst personnel. The system will also shut off lights and some appliances when triggered, creating a more energy efficient and safer environment.

Description of Expenditure

Electrical Shop HVAC/Plumbing/ and receptacle replacements.

Justification Information

The building was constructed in 1988, the original HVAC system has reached it's maximum life expectancy and the addition of makeup air and exhaust units are needed. The plumbing is also original, the addition of thermal mixing valves and recirculation pumps and backflow preventers are necessary. Additionally, GCFI receptacles are necessary. Tthese items were included and recommended for upgrade in the BSA building evaluation to improve efficiency and to meet codes.

Description of Expenditure

Remove improper panel labeling, replace existing exit signs with signs that have battery back-up, and add supports for electrical conduit.

Justification Information

The existing panel is improperly labeled as a disconnect and is a safety concern. Existing exit signs are the only emergency egress lighting; without battery back-up they may not work in the event of an emergency. Per code, electrical conduit should be supported. These items were discussed and recommended in the BSA 2014 report.

Description of Expenditure

Repair stairwell cracking and install a fire rated door.

Justification Information

The existing building stairwell has settled resulting in cracking. Left un-repaired, the cracking may result in additional repair costs and safety concerns. The fire rated door is necessary to provide at least one code compliant means of egress from the 2nd floor. These items were included in the BSA building evaluation.

MAIN BUILDING ELECTRICAL

Justification Information

The electrical system of the main building is original to the building which was constructed in 1952. The main distribution panel and branch panels are showing signs of corrosion and wear on the circuit breakers. Due to these items are no longer serviceable and parts are not in production, the upgrade is recommended in the BSA building study to improve electrical efficiency and safety.

Description of Expenditure

Replacement of abandoned air intake/make-up unit, heating equipment, exhaust fan, and controls.

Justification Information

Improper ventilation is a life safety concern. The building ventilation and heating system is abandoned. A gas fired make-up ventilation unit previously provided heated ventilation and make-up air for the building. The two roof ventilators previously provided exhaust/relief ventilation. None of these system currently work; a warning sign is posted at the entrance to the building indicating "Carbon Monoxide may be Present."

In order to replace the playgrounds on a 30-year cycle, the City needs to replace two playgrounds per year. This is one of the oldest playgrounds in the park system and was installed in 1997. For playgrounds of this age, it becomes difficult to find replacement parts when items break. One half of the playground has already been replaced.

Description of Expenditure

The City is working with the DNR to develop a grant application to complete significant habitat restoration efforts at Joliet Park in 2022. We are hopeful that these grant projects will be approved. As part of this project the City would like to pave the parking lot and drive, along with installing a paved walk to the water's edge and storm water management. We are hopeful that this funding can be used as a match for other potential grant funding. If grant funding is not secured for this paving, additional funding will be required.

EST INITIAL INVESTMENT	$450,000.00

Description of Expenditure

$450,000 was bonded in 2022 to convert one little league field to a baseball field ballfield at Perkins Park. To complete this project, the hockey rink will need to be relocated. This funding will cover the cost to relocate the hockey rink and to install new lighting for the hockey rink and ballfield.

Justification Information

With the development of the Phase 1 ballfield development at Colburn Park, one baseball field was removed at Colburn. There is now a shortage of baseball fields in the City. This funding will convert one little league field to a baseball field, which will give us a 2 baseball field complex at Perkins Park. This will accommodate adult and/or sanctioned leagues. This will also allow for the movement of the Hockey Rinks and upgrade them at that time.

Description of Expenditure

In 2020 the City bonded for $50,000 for engineering services to design upgrades to the mechanical equipment in City Hall. The City issued a Request for Proposals and found that the cost of the engineering will be more than originally anticipated. The City is working with a consultant on a predesign study to determine a more refined scope for the reissuing of the RFP. The cost of the preliminary study is $9,000. With the remaining 2020 funding and the amount being requested for 2021, it is anticipated that this will be enough funding to cover all of the engineering fees needed to complete the construction plans and specifications.

The Shipyard is critical future redevelopment of the South Broadway corridor. This major redevelopment project involves remediating brownfields, repurposing vacant and underused structures, and enhancing a residential neighborhood on the near west side of the City. Includes parcels on W. Mason, S Broadway, Arndt St.

Justification Information

The City and/or RDA is committee to invest on million dollars within three years into residential acquisition, rehabilitation, and development projects in the neighborhood to the immediate west of the property. The Shipyard will generate additional economic activity and tax base, both residential and commercial, office and recreational uses.

Description of Expenditure

NEW COMMERCIAL DISHWASHER - STATION 5; includes dishwasher, plumbing for grease trap, and installation

Justification Information

These dishwashers reach temperatures that are capable of killing viruses and bacteria that often are not killed by water temperatures found when hand washing dishes. Additionally, they are found to be far more thorough than handwashing.

MUNIS Financial Information

Est Salvage Value of Asset	$0.00
EST INITIAL INVESTMENT	$17,700.00

Description of Expenditure

Purchase, plumbing, and installation of Commercial Dishwasher at Station 7.

Justification Information

All Fire Stations are being supplied with commercial dishwashers. The dishwashers reach temperatures high enough to sanitize the dishes. This helps to reduce transmission of germs and illness in the communal setting of a fire station. It provides a safer work environment for personnel. It is not uncommon for illness to spread quickly in a fire station given exposure to ill patients and 24 hour exposure to each other.

Est Salvage Value of Asset	$0.00
EST INITIAL INVESTMENT	$191,450.00

Description of Expenditure

Replace vehicle extrication equipment ("Jaws of Life")

Justification Information

Extrication equipment technology changes rapidly over time. The materials used in vehicle and machinery construction are changing constantly and require higher hydraulic pressures and use different metals to allow for cutting and bending of materials used in the manufacture of vehicles and machinery. Without regular replacement, there may be metals and materials that we cannot cut or bend and we may not be able to rescue a person entrapped or entangled in a vehicle or machine.

Description of Expenditure

Turnout Gear washer/extractor and dryer; commercial grade

Justification Information

These washers and dryers are commercial grade and able to withstand the weight of turnout gear and other response equipment. The washer's spin at very high RPM's in order to extract the carcinogenic particulates left in the gear after a fire and remove them. These carcinogens are found to be a leading cause of cancer amongst firefighters due to repeated contact with them each time they wear their gear. Personnel are required to wash their gear after every fire in order to reduce their exposure.

Expenditure	$25,000.00	Gear Washer/Dryer - Station 4	2023
	$25,000.00		

How will this improve our service level and efficiency

This will maintain our current level of service. Reduced exposure to carcinogens will reduce the city's exposure to workers' compensation liability. Additionally, clean turnout gear is more likely to last its expected life cycle and not have to be replaced early.

HAZMAT MASS SPEC

Justification Information

This is a sophisticated piece of equipment that allows hazardous materials technicians to identify unknown substances to determine whether or not they are a hazard to people. This is a necessary piece of equipment for the hazardous materials team and is regularly deployed to Lambeau Field on game days and other special events as well as being used routinely by law enforcement to identify drugs. This technology advances rapidly which is why the lifespan of this equipment is brief.

	$140,500.00		
Expenditure	$140,500.00	Hazmat Mass Spec	2023
	$140,500.00		

How will this improve our service level and efficiency

This equipment allows us to quickly identify unknown substances to determine hazard. The ability to do this allows us to keep businesses open and events to continue by creating an effective response. Without it, our only choice would be to shut down businesses for hours and stop special events while waiting to identify a substance that may be hazardous. The financial impact of these shut downs to the community could be significant.

Description of Expenditure

20 Thermal imaging cameras for use in firefighting, hazardous materials response, search and rescue operations, and other emergency responses.

Justification Information

This equipment is critical, life-saving equipment used in search and rescue efforts in low or zero visibility environments. These cameras are high-tech equipment that evolves rapidly, causing old equipment to become outdated and not supported. As with any high-tech equipment subjected to remarkably brutal environmental conditions, including extreme heat, extreme cold, water vapor, droppage, etc, they need to be replaced in order to avoid failure.

EST INITIAL INVESTMENT	$20,000.00

Description of Expenditure

15 Water Rescue Suits.

Justification Information

Water Rescue Suits are necessary for any rescues in the Fox River or Bay of Green Bay as water temperatures are commonly too cold for wet suits. The suits have water-tight seams and zippers and are insulated so that rescuers can operate longer in cold water. The seams and zippers wear out and small holes develop during use, requiring the regular replacement of the suits.

Description of Expenditure

Replacement of 32 mobile data computers in all fire apparatus.

Justification Information

These computers receive and send emergency incident information to and from the 911 dispatch center. These are critical components of the dispatch and response system. The computers are in poor condition after 4 years in an apparatus, which is a harsh environment for a computer. Furthermore, technology changes make the current equipment obsolete.

Description of Expenditure

Due to the large number of captive animals on-site at various buildings throughout the park we currently have 4 large walk-in freezers. As these are aging they are proving to be inefficient and repair costs are mounting. We often receive thousands of dollars of product in large shipments to be more cost effective and also utilize one of these for our on-site deer management and our road kill that we receive from the county to utilize (if fresh). These are already old and failing. At least one of them is designed to be indoors, but built outdoors and the wall panels on another have gaps. I'm looking to replace these properly one by one over the next several years.

Replacement of Ambulance 421 and associated equipment.

Justification Information

This ambulance will be moved in to reserve status. The standard replacement cycle for an ambulance is 4 years front line, then 5 to 6 years as a reserve ambulance. Reserve ambulances are put in service when a front line ambulance breaks down or requires routine maintenance. After the 10 year life span, the ambulance is often in poor condition, accounting for the low salvage value.

Description of Expenditure

New Ambulance 491 and associated equipment.

Justification Information

This is adds a seventh frontline ambulance to the fleet. The ambulance will be placed at GBMFD Station 9, at 3100 Eaton Road. The metrics outlined to justify the addition of this ambulance are outlined in the contract with the Village of Bellevue. Those metrics have been met. As part of the contract, the City of Green Bay will purchase the ambulance and the Village will reimburse the city for the costs of staffing it. It will serve all parts of the GBMFD response areas.

How will this improve our service level and efficiency

The addition of this asset allows us to meet response time parameters outlined in the service contract and national standards for Emergency Medical Services delivery. Maintaining our service level is critical to the safety and security of our citizens and guests. Reduced availability due to high incident volume for any ambulance results in decreased service and could result in a loss of revenue if EMS incidents are diverted to a mutual aid EMS agency.

Mobile Command Post for Fire Department

Justification Information

This asset allows for the establishment of a mobile command post at larger or long duration incident scenes. The vehicle serves as an office type environment at an incident scene, including bolstered radio communications, small meeting spaces, computer, camera, remote power, and lighting capabilities. This vehicle may function for days or weeks at an incident scene. It is only a few in the region.

Description of Expenditure

Fire Truck, Ladder with 2% contingency.

Justification Information

This replaces the existing ladder truck, which has reached it's useful life as a frontline apparatus. The current ladder truck will be moved in to reserve status. The standard replacement cycle for a ladder truck is 16 years front line, then approximately 5 to 7 years as a reserve. Reserve fire ladder trucks are put in service when a front line vehicle breaks down or requires routine maintenance. After the 23 year life span, the vehicle is often in poor condition and outdated technology, accounting for the low salvage value.

Description of Expenditure

Fire and Rescue Boat, drop bow, fire pump, boom deployment

Justification Information

The fire and rescue boat is used for rescue of persons in the water and on the bay. It is also used for fire suppression for watercraft fires and to support fire operations along the Fox River and Bay of Green Bay. The boat is also used to deploy containment boom for hazardous materials spills along the water. It is critical to protecting the critical infrastructure of the port and for the rescue of recreational boaters.

Expenditure	$355,000.00	Marine 1 Fire Boat	2025
	$355,000.00		

How will this improve our service level and efficiency

The replacement of this equipment will reduce maintenance costs. The boat allows us to mitigate incidents on the bay and river more quickly which allows the port to remain open. Without it, the port may be forced to close due to a fire or hazardous materials incident. This could have a significant financial impact on the city and region. The boat allows us to effectively rescue persons in the water who would otherwise have to wait for other agencies who take far longer to deploy resources.

How will this improve our service level and efficiency

Public transit buses are replaced based off of federal asset management requirements and when federal funding is available. Typically Green Bay Metro maintains and utilizes buses till they are no longer deemed safe for the road. As many new advancements in emissions and technology have become available, federal funding levels have not been adequate to allow buses to be replaced for these purposes only. When buses are replaced the reduced emissions have been substantial. Dependable vehicles also prevent time delays that may occur with in service breakdowns.
