Abstain: None

Voice vote. Motion carried.

VERBATIM MINUTES

- Call the meeting to order-
- Recording in progress.
- Of the Traffic, Bicycle, and Pedestrian Commission. First of all, I want to say that I'm sorry we're bringing you here for a very short meeting. The main item on the agenda for an initial request was from Alderman Galvin. Alderman Galvin emailed me last night and said he wanted his item postponed until the next meeting, which we will do, obviously, but that takes a major thing off of the agenda. I emailed David this morning to see if we could just simply cancel the meeting and he informed me that, no, by state law, we would have to inform the public 24 hours in advance to cancel the meeting. So therefore, all us happy people are here for a five minute, hopefully, five minute meeting. And sorry to take your time away from your gardening or bicycling or whatever. Please note that all commissioners are present except for Steve Larsen. And we have Commissioners Teaters and Sorelle here virtually. Call approval of the agenda, is there motion to approve the agenda?
- Motion to approve.
- Second.
- Motion to approve and seconded. All in favor signify by saying aye?
- [Commission Members] Aye.
- Opposed nay? The ayes have it. Approval of the minutes of the April 17th meeting. Is there a motion?
- Motion to approve.
- Second.
- Motion and seconded. All in favor signify by saying aye?
- [Commission Members] Aye.
- Opposed nay? The ayes have it. Regular business, report of the police department. Would you introduce yourself, Officer, and give us-
- Officer Zwicky, Green Bay Traffic Unit.
- Okay. And would you give us your report?
- I guess I'm just supposed to let you know that traffic citations are exceptionally high compared to previous months, and that should mean less accidents. We did have two serious accidents. One was on Mason and 16th.

That was an intoxicated driver who struck a pedestrian. And we had another intoxicated driver at Main and Newberry strike a vehicle. Those people lived. It looked like it was a marijuana driving. Yeah.

- And you arrested the wonderful lady that tried to run down a police officer?

- Did we?

- Yeah, the police officer that was dragged?

- Could be.

- Okay.

- I honestly don't know about that one.

- That's not under your jurisdiction.

- Mm mm.

- Is there, first of all, any questions of the Officer? Any questions at all?

- Just a, if I could have one quick one?

- Sure.

- Any, do you know if there's any incidences, other than the one that I found in Community Maps relative to crashes at Mason and Packerland? I know there's only been one since the modifications

- Since the modification? What update did he send me? They said there's, they don't wanna address that one yet because it's too new or something.

- Right. I know it's in the report, but I just wasn't sure if maybe you were familiar if there's been any?

- No, I'm not familiar if we've had any. I think it's been relatively quiet out there, since that adjustment.

- Mm hm.

- Mm hm.

- Which is good.

- Yeah.

- And is that-

- How fast is that intersection gonna be redone by the county and the state?

- It'll be done this summer.

- This summer?

- Yeah.

- Okay.
- Yeah. And also construction update on that as well. I guess that they were able to get that land agreement with the Oneida Tribe, relative to that roundabout at Trojan and Packerland.
- Oh good.
- If you recall, that was actually supposed to be part of the plan, but then they ran into that as a time issue. So I guess that's gonna be next year. The roundabout.
- Okay.
- Yeah, so they kind of, they have to take that out in order to get this year's project done but now that they've come to an agreement on that they're moving forward with the roundabout plans.
- Good. Good, good, good.
- I do have one question about what's up on the screen. Is the high teen driver on area number four because that's right by East High School?
- That's up, is that one out by Southwest?
- That's the one up there.
- Oh, it's the art garage. That's-
- Yeah.
- What's that, Baird?
- It's Main and Baird.
- It's Main and Baird.
- I mean, that is right by the school.
- Yeah, it just seems, that's probably-
- Well, Main and Baird would be Preble, wouldn't it?
- No.
- It'd be East High School.
- That's right by East High School-
- Oh, East High, you're right. Near East High.
- Yeah. That's just, yeah, anytime you see... Just a lot of teen drivers in general.
- Yeah.
- Yeah. All right, I'll make a motion to receive and place on file.

- All right. Is there a second?
- Second.
- All in favor signify by saying aye?
- [Commission Members] Aye.
- Opposed nay? The ayes have it. The next meeting is Monday, June 19th. Oh, wait. Okay.
- You want to, E2, make an official motion.
- I'll make a motion to hold this until our next meeting.
- Oh, I'm sorry.
- I'll second.
- Any questions? All in favor signify by saying aye?
- [Commission Members] Aye.
- Opposed nay? The ayes have it. Next meeting is Monday, June 19th. Is there a motion to adjourn?
- Motion to adjourn.
- Second.
- Moved and seconded. All in favor signify by saying aye?
- [Commission Members] Aye.
- Opposed nay? The ayes have it. Dan, I heard a no from you, is that right?
- [Dan] Nope.
- No?
- [Dan] We can go, we can adjourn.
- Okay, let's go! Happy biking.
- Okay, that's a record. Well done.
- All right. Thanks, everyone. Oh, one thing.
- Recording stopped.
- Did everybody get their traffic thing?
- Yes.
