

AGENDA OF THE PARKS COMMITTEE

WEDNESDAY, NOVEMBER 29, 2023, 5:00 PM

In person at City Hall, Room 207.

Virtual attendance is also available via Zoom.

A. Zoom Meeting Information.

1. Join Zoom Meeting Online:

<https://us02web.zoom.us/j/84314784824?pwd=THBkdMwTlk4MG5DV3hhbC9xVDhXdz09>

Or call in by phone: +1 312 626 6799

Meeting ID: 843 1478 4824

Passcode: 278667

If you wish to speak at this public meeting or leave a comment, please fill out the online [Comment Form](#) prior to the meeting. More detailed [Zoom Instructions](#) can be found online.

B. Roll Call.

C. Approval of the Agenda.

D. Approval of Minutes.

E. Regular Business.

1. Consideration with possible action on the request by the Astor Neighborhood Association to purchase and install holiday lights and inflatables to be on display from December 16 - January 6 at the St. James Park bandshell.
2. Consideration with possible action on the request by the public to install a playground at Jackson Square Park.
3. Consideration with possible action on purchasing playground equipment for Sullivan Park/School for a total cost of \$110,000 from Lee Recreation LLC.
4. Consideration with possible action on the purchase of playground equipment for Murphy Park for a total cost of \$66,568.58 from Midwest Playscapes.

5. Consideration with possible action on the purchase of playground equipment for Murphy Park from Boland Recreation for a total cost of \$15,326.
6. Consideration with possible action on accepting a US Forest Service GLRI grant from the Green Bay Metropolitan Sewerage District to plant 800 trees.
7. Consideration with possible action on the purchase of an XTPro60/70-Ora Aerial Forestry Truck with lift from Terex USA, LLC dba Terex Utilities for a total cost of \$325,074.49.

F. Informational.

1. Director's Report on updates and recent activities of the Parks, Recreation & Forestry Department.
2. Next Meeting: December 13, 2023

G. Adjournment.

- 1) THIS MEETING IS RECORDED: THE VIDEO OF THIS MEETING AND MINUTES ARE AVAILABLE ONLINE AT www.greenbaywi.gov
- 2) ACCESSIBILITY: Any person wishing to attend who requires special accommodation because of a disability, should contact the City Safety Manager at 920-448-3125 at least 48 hours before the scheduled meeting time so that arrangements can be made.
- 3) QUORUM: Please take notice that a majority or quorum of the Common Council will attend this Parks Committee meeting and will constitute a meeting of the Common Council for purposes of discussion and information gathering relative to this agenda.
- 4) REPRESENTATION: The party requesting the communication, or their representative, should be present at this meeting.

AGENDA ITEM # E.I

Consideration with possible action on the request by the Astor Neighborhood Association to purchase and install holiday lights and inflatables to be on display from December 16 - January 6 at the St. James Park bandshell.

BACKGROUND

RECOMMENDATION

FISCAL IMPACT

ATTACHMENTS

1. Request for Holiday Lights at St. James Park
2. Holiday Lights at St. James Park

Attn:

City of Green Bay Parks Committee

Dan Ditscheit, PLA

Director

City of Green Bay

Parks, Recreation & Forestry Department

RE: Request for approval for a Holiday lighting display sponsored by the Astor Neighborhood Association in the Saint James Park bandshell from December 16th to January 6th.

Mr. Ditscheit & Parks Committee Members:

The Astor Neighborhood Association has approved funding for a Holiday Display in Saint James Bandshell. There will be 3 inflatable figures on the stage. A polar bear with penguins on one side, a Santa Arch in the center and a Snowman on the other blanketed by a LED Magical Snowfall Creates Visual Feast. This snowfall projector light perfectly combines "white dots" and "snowflakes" to create a real snowfall effect. The figures will be on timers and be tied to cinderblocks to anchor them on the stage.

I have attached the product overviews as well as a mockup of what the stage will look like.

Thank you for your consideration:

A handwritten signature in cursive script, appearing to read "Deby Dehn".

AGENDA ITEM # E.2

Consideration with possible action on the request by the public to install a playground at Jackson Square Park.

BACKGROUND

RECOMMENDATION

FISCAL IMPACT

ATTACHMENTS

1. Jackson Square Playground Proposal
2. Jackson Square Park-C

Playground Proposal

1. Objective

- a. Proposal: Jackson Square to be enhanced with a preschool playground.
- b. Location: Jackson Square: 300 S Monroe Ave, Green Bay WI 54301

2. Rationale

- a. There are three daycares in less than a half mile radius of the park, and a new playground would provide a clean, safe and available space to preschool students. Currently, daycares downtown have issue with homeless population utilizing park systems which makes caregivers feel unsafe due to the loitering and finding used needles on playground equipment.
- b. The downtown area does not have a playground that is focused on younger children.
- c. The YWCA could also utilize it, especially with parents who have children in programs after school who bring younger siblings along. This area would be across the street and easy to access while their sibling's 30 minute class is taking place.
- d. Howe School early elementary could also utilize the playground as small field trip since it is in walking distance.
- e. This playground would also be visible by traffic making it a safe area which may reduce the loitering and hopefully reduce public drug use.
- f. It is known that Jackson Square is a "passive park" and used to have musical entertainment prior to COVID. Since Music in the Park has been moved to St James, this would be a great time for Jackson Square to get an uplift.

3. Objectives

- a. To be able to continue to improve park facilities and infrastructure
- b. To be able to enhance nature-oriented areas, environment programs and playground esthetics
- c. To be able to improve access to and connectivity with the parks and other recreational opportunities

4. Possible approaches

- a. Recycle: To take the unused playground equipment that is at St. John Park where the homeless reside during the day and move to Jackson Square.
- b. New: create a preschool playground that would be intended for the new walkers to age 4 or a playground geared towards preschool age children.

- I. Forestry Grant Award

Green Bay Metropolitan Sewerage District (GBMSD)
PROFESSIONAL SERVICES AGREEMENT
US Forest Service GLRI Grant
A NEW Water Partnership to Reduce Stormwater Runoff in Brown County, WI

**City of Green Bay
2023**

This Professional Services Agreement (and all exhibits or other documents attached to or referenced herein, each of which is incorporated in its entirety by this reference) collectively “the Agreement” is being entered into by and between the City of Green Bay, for purposes of engaging the City of Green Bay to render the hereinafter described services in accordance with the terms and conditions hereof for the benefit of GBMSD. The Professional Services Agreement is made and entered into this _____ day of _____, 2023.

1. SCOPE OF ENGAGEMENT.

GBMSD engages the City of Green Bay (“Green Bay”) (DUNS #: 74797028) to **plant 800 trees from December 1, 2023 to August 1, 2026** and assume all responsibility for tree maintenance and grant-associated activities as described in the Scope of Services document attached hereto as Exhibit 1 and incorporated herein by reference (“Services”). Green Bay represents and warrants to GBMSD that it has reasonably sufficient training, experience, and qualifications to perform said Services in compliance with all applicable federal, state and local laws/regulations.

Green Bay is being engaged to perform the Services herein as a subawardee of GBMSD, who is the recipient of a United States Forest Service (USFS) – Great Lakes Restoration Initiative (“GLRI”) grant entitled ***A NEW Water Partnership to Reduce Storm water Runoff in Brown County, WI*** (“Grant”). As a sub-awardee, Green Bay shall not be responsible for any direct USFS grant reporting required by or relating to said Grant. Green Bay shall report directly, and exclusively, to GBMSD’s Contract and Grant Specialist, Angela Kowalzek, 2231 N. Quincy St, Green Bay, WI 54302, 920-438-1072, akowalzek@newwater.us.

During the performance of the Services, Green Bay shall submit to GBMSD for final resolution any question, decision, or matter regarding which Green Bay reasonably believes is subject to professional judgment and about which Green Bay is not certain.

2. TERM OF SERVICES.

The Term of this Agreement and the Services to be provided hereunder shall commence as of the date first set forth above and continue until **August 1, 2026** (“Term”); provided, however, that GBMSD shall have the option, exercisable in its discretion, to renew and extend the Term as needed to meet the obligations of the Grant. GBMSD shall exercise its renewal and extension option by providing written notice to Green Bay on or before the end of the Term, and GBMSD may terminate this Agreement and the Services at any time upon not less than thirty (30) days’ advance written notice to Green Bay. GBMSD shall pay Green Bay all compensation due hereunder, and Green Bay shall provide the Services through the effective date of any termination.

This Agreement and the Services to be provided hereunder may be terminated by either party if the other party materially defaults under any term or condition of this Agreement, if under any term or condition of the Agreement, the default remains uncured for a period of fifteen (15) days’ following the defaulting party’s receipt of written

notice of such default. GBMSD may terminate this Agreement and the Services to be provided hereunder immediately in the event of the death or total disability of Consultant.

3. COMPENSATION.

In consideration of the Services, GBMSD shall pay Green Bay for its Services, **not to exceed \$31,250**. Payment will be made within thirty (30) days upon receipt of invoices and appropriate documentation of services rendered. Note: At times, GBMSD may request interim or quarterly invoices to meet grant reporting requirements.

4. PAYMENTS/DELIVERABLES.

At least once per year, at the end of the year, during the Term, Green Bay shall submit to GBMSD a brief summary of trees planted (both grant and match funded), labor costs (for non-federal funds match), and maintenance activities performed.

Green Bay shall be responsible for and pay all payrolls, employment, and other taxes and governmental obligations arising from the compensation and fees paid by GBMSD to Green Bay hereunder.

5. FEDERAL REGULATIONS.

- A. Green Bay is subject to the OMB guidance in subparts A through F of 2 CFR Part 200, as adopted and supplemented by the USDA in 2 CFR Part 400 and must follow the regulations found in 2 CFR 200.3630 through .332.
- B. Green Bay shall include the following statement, in full, in any printed, audiovisual material, or electronic media for public distribution developed or printed with any Federal funding.

"In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. (Not all prohibited bases apply to all programs.)"

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 1400 Independence Avenue, SW, Washington, DC 20250-9410 or call (202) 720-5964 (voice and TDD). USDA is an equal opportunity provider and employer.

If the material is too small to permit the full statement to be included, the material must, at minimum, include the following statement, in print size no smaller than the text:

"This institution is an equal opportunity provider."

- C. Green Bay agree(s) that it will publish a drug-free workplace statement and provide a copy to each employee who will be engaged in the performance of any project/program that receives federal funding. The statement must:
 - i. Tell the employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in its workplace;
 - ii. Specify the actions Green Bay will take against employees for violating that prohibition; and
 - iii. Let each employee know that, as a condition of employment under any award, the employee:
 - a) Shall abide by the terms of the statement, and
 - b) Shall notify Green Bay in writing if they are convicted for a violation of a criminal drug statute occurring in the workplace, and shall do so no more than 5 calendar days after the conviction.

Green Bay agree(s) that it will establish an ongoing drug-free awareness program to inform employees about

- i. The dangers of drug abuse in the workplace;
- ii. The established policy of maintaining a drug-free workplace;

6. CONFIDENTIAL INFORMATION.

Green Bay agrees that any and all information relating to GBMSD's business operations including, without limitation: (a) know-how, inventions, ideas, product information, and trade secrets; (b) financial and pricing information; (c) customer and supplier identities and information; and (d) information relating to GBMSD's past, present, and future sales; marketing and research and development activities that may be imparted to, or in any way obtained directly or indirectly by Green Bay through GBMSD; and the results of Green Bay's performance of the Services pursuant to this Agreement, shall be maintained confidential information and secret. Confidential information as used herein shall not include, and Green Bay may disclose in its discretion, information that is generally known to the public, information legally required to be disclosed pursuant to judicial order or other legal proceedings, information required by applicable law or regulations to be disclosed to governmental authorities, or information that is lawfully disclosed to Green Bay by a third party not subject to this Agreement. Confidential information obtained by Green Bay shall not be used for the benefit of or disclosed to others, except to duly authorized persons employed or retained by GBMSD, without prior written consent and approval of GBMSD. Upon termination or expiration of this Agreement, Green Bay shall return to GBMSD all written or descriptive matter (whether in paper or electronic form) that contains confidential information. The obligations imposed on Green Bay by this Section 5 shall survive the termination or expiration of this Agreement and its Services for a period of three (3) years thereafter.

7. INDEMNIFICATION; INSURANCE.

Each party hereby indemnifies and holds the other harmless from and against any and all claims, actions, damages, liability, loss and expense (including reasonable attorneys' fees) suffered in connection with any loss of life, personal injury and/or damage to property arising from or out of: (i) breach of or nonperformance under this Agreement; and (ii) negligent acts or omissions or intentional misconduct. Any indemnified amount payable hereunder by either party to the other shall be net of insurance proceeds, if any, actually received by the indemnified party and pertaining to the indemnified claim. Except for the foregoing indemnification, GBMSD shall not be liable to Green Bay, and Green Bay shall not be liable to GBMSD for any incidental, consequential, special, exemplary, and punitive or other loss, cost, expense or damages in excess of actual damages, and each party's liability to the other shall be limited to the aggregate amount of compensation payable by GBMSD to Green Bay pursuant this Agreement.

Where Green Bay requires the use of a vehicle(s) in the performance of work under this Agreement, Green Bay will, at all times during the term hereof and at its own expense, keep in full force and effect automobile insurance, in amounts acceptable to GBMSD and/or in accord with Industry standards, for property damage, bodily injury or death. Green Bay shall provide GBMSD with a declaration showing insurance liability limits prior to payment of the first invoice. Green Bay has the responsibility and obligation to provide workers' compensation insurance for Green Bay employees, agents and/or sub-consultants, except for "casual employees." Green Bay is responsible for health, accident, catastrophic, and other insurance, none of which is the obligation of GBMSD.

8. PROPRIETARY RIGHTS, ASSIGNMENT.

The term "Business Ideas" means all ideas, designs, modifications, formulations, specifications, concepts, know-how, trade secrets, discoveries, inventions, data, software, developments and copyrightable works,

whether or not patentable or registrable, which Green Bay originates or develops, either alone or jointly with others while Green Bay is engaged by GBMSD, and which are: (i) related to any business known to Green Bay to be engaged in or contemplated by GBMSD; (ii) originated or developed during Green Bay's performance of the Services; or (iii) originated or developed in whole or in part using materials, labor, facilities, or equipment furnished by GBMSD in connection with the Services. GBMSD will own, and Green Bay hereby assigns to GBMSD and agrees to assign to GBMSD in the future, all rights in all Business Ideas that Green Bay originates or develops either alone or working with others while Green Bay is engaged with GBMSD. All Business Ideas that are or form the basis for copyrightable works are hereby assigned to GBMSD and/or shall be assigned to GBMSD or shall be considered "works for hire" as that term is defined by U.S. Copyright Law. Notwithstanding anything in this Agreement to the contrary, GBMSD shall not acquire any right, title, license, or interest in or to any intellectual property or proprietary or confidential information of Green Bay that: (i) existed prior to the effective date of this Agreement, or (ii) is not directly created as a Business Idea hereunder as a result of GBMSD's engagement of Green Bay hereunder.

9. FREEDOM TO PROVIDE SERVICES.

Green Bay represents and warrants that it is under no present obligations or restrictions, nor will it assume any obligation or restrictions, that will conflict with or prevent GBMSD from engaging Green Bay to perform any of the Services required by this Agreement.

10. ASSIGNMENTS, AMENDMENTS, SUCCESSION, AND WAIVERS.

Neither party may assign this Agreement or any interest herein (except that either party may assign this Agreement to any of its parent, subsidiary(ies) or affiliated entities or to a purchaser of substantially all of the assets or voting stock (or other securities)) without first obtaining the express written consent of the other party. This Agreement may not be amended or supplemented except by written agreement signed by each of the parties. This Agreement shall be binding upon, and shall inure to the benefit of, the parties and their successors and permitted assigns. No express or implied waiver, or any prior breach of or default under this Agreement, shall constitute a waiver of any subsequent breach or default hereof, and no waiver shall be implied thereby.

11. ENTIRE UNDERSTANDING.

This Agreement expresses the entire understanding between Green Bay and GBMSD with respect to the subject matter hereof, including without limitation, Green Bay's delivery of the Services to GBMSD.

12. INDEPENDENT MUNICIPAL AGENCIES.

Each party to this Agreement is, and shall at all times during the Term remain, an independent Municipal agency acting exclusively as an independent Municipal agency. Neither party shall be deemed or construed to be partners, joint venturers, principal and agent, employer/employee, or anything but independent Municipal Agencies. Neither party shall have the power nor authority to bind the other, except as may be expressly set forth herein. Green Bay shall not be entitled to participate in any employee benefit or welfare plan maintained from time to time by GBMSD for its employees.

13. INTERPRETATION; GOVERNING LAWS.

This Agreement and any other documents made part of this Agreement shall be read together and harmonized to the greatest extent reasonably possible; provided, however, any direct conflict between the terms and

conditions of this Agreement and the attached documents shall be resolved in favor of this Agreement. This Agreement shall be subject to such further written agreements, executed by the undersigned parties, as may be made during the Term of this Agreement. This Agreement shall be governed by and construed in accordance with the laws of the State of Wisconsin. Green Bay shall comply with all federal, state, and local statutes, rules and ordinances related to Green Bay's performance of the work.

14. NOTICES.

Notice to either party shall be deemed to have been given when delivered to it in person, by fax, by e-mail, or if mailed by registered or certified mail on the third day after deposited in the mail and if delivered by delivery service with proof of delivery, on the date received provided the notice is sent to the address or fax number shown above, or at such other address or fax number as Green Bay instead may from time to time designate in writing by notice to GBMSD in the same manner as herein set forth. Notice to Green Bay shall be similarly delivered to City of Green Bay, City Forester, 100 N Jefferson Street, Room 510, Green Bay WI 54301, Attention: Mark Freberg. Notice to GBMSD shall be similarly delivered to GBMSD, at GBMSD's principal place of business at 2231 North Quincy Street, Green Bay, Wisconsin 54302, Attention: Angela Kowalzek.

15. DISPUTE RESOLUTION: MEDIATION; and then LITIGATION.

Any dispute relating to this Agreement or arising from or out of the Services shall be submitted by the parties to mediation conducted before a single mediator (to be selected by mutual agreement of the parties, or in the absence of agreement, by the American Arbitration Association); provided, however, that the mediation shall be: (i) conducted on an expedited basis with a mediation within sixty (60) days following final identification of the mediator to which the matter is submitted; and (ii) the situs of the mediation shall be Green Bay, Wisconsin. Each party shall bear its own costs and expenses incurred in any mediation held hereunder. If the parties remain unsuccessful in resolving the dispute, each party may pursue other available legal remedies.

Any dispute, after such dispute is submitted to mediation, relating to this Agreement or arising from or out of the Services, may be brought forth in Brown County Court for the State of Wisconsin and/or if applicable, in Federal District Court in Brown County, Wisconsin.

IN WITNESS HEREOF, the parties hereto have duly executed this Agreement effective as of the date first set forth above.

Attachment: Exhibit 1: Scope of Engagement

This agreement is a subaward made under the Federal Financial Assistance Award 23-DG-11094200-240 between Green Bay Metropolitan Sewerage District (GBMSD) and the USDA, Forest Service, Region 9, State and Private Forestry in the amount of \$294,326, (using a de minimis indirect cost rate) under Great Lakes Restoration Initiative funding, CFDA 10.664 – Cooperative Forestry Assistance. The award was signed September 18, 2023 with a performance period from September 18, 2023 to August 16, 2026. Awarding official contact information: Hannah Milos, U.S. Forest Service, 1992 Folwell Ave, Saint Paul MN 55108, 510-593-1270, hannah.milos@usda.gov.

Exhibit 1 Scope of Engagement

The agreement is in effect through August 1, 2026 and may be extended and modified by mutual agreement by GBMSD and Green Bay.

GBMSD will work with the WI Department of Natural Resources, Brown County, the cities of Green Bay and De Pere, the villages of Allouez, Bellevue, Howard, Hobart, and Pulaski, and the Town of Ledgeview to plant 1,860 1-2" caliper trees in the Lower Fox River watershed, a GLRI priority watershed with direct drainage to Green Bay/Lake Michigan. Trees will be planted along streets, in parks, and in agricultural riparian and floodplain areas. This project will result in 372,000 gallons of storm water runoff avoided annually, increased urban tree canopy, and reforestation of riparian corridors.

Each municipality and Brown County shall:

- Assist in preparing a Planting and Maintenance Plan for the overall project, reach consensus on contents and implementation, and agree to its adherence. The planting plan shall emphasize species diversity, the use of native trees, and the use of pollinator-friendly native trees, and will consider the impact of climate change on species range when selecting species to plant.
- Plant trees funded by the grant in each own jurisdiction (as agreed upon at grant application, and as specified on page 1, section 1 of this agreement).
- Protect the planted trees during establishment and maintain them following best practices identified in the Guidance for Landscape Tree Planting (USDA, 2019), the American Standard for Nursery Stock (ANSI Z60.1), the American Standards for Pruning and Transplanting (ANSI A300 Part 1 and Part 6), and the International Society of Arboriculture Best Management Practices for Tree Planting.
- Follow the Tree Maintenance Plan developed during grant application (see attached **Exhibit 2: Tree Maintenance Plan**)
- Ensure project signs are posted at planting sites and all outreach materials and media contracts regarding this project provide project information and purpose, GLRI reference, and logos for NEW Water (GBMSD), USFS, and GLRI.
- Submit to GBMSD appropriate documentation of tree planting and maintenance efforts on at least a yearly basis during the Agreement Term to include number of trees planted, location (lat/long or GPS coordinates), species, size, and date planted.

U.S. DEPARTMENT OF AGRICULTURE

Eastern Region

TREE PLANTING AND MAINTENANCE PLAN TEMPLATE FOR NEWLY PLANTED TREES

USDA Forest Service Great Lake Restoration Initiative Grants

Organizations that plant trees through a U.S. Department of Agriculture, Forest Service Great Lakes Restoration Initiative grant agree to maintain newly planted trees and other vegetation for a reasonable life span, with particular emphasis on the initial 3-year establishment period. Maintenance work may be done by the applicant or partners. This document is a template for summarizing the planting plan and developing a maintenance plan. Use planting and maintenance standards generally accepted by the industry; they can be found in resources such as the [Guidance for Preparing Proposals for Landscape Tree Planting](#) and references cited in that guidance.

Planting Location Name (City, Town, Watershed, etc.): City of Green Bay

Grantee: NEW Water

Maintenance Contact: Brian Pelot **Email:** Brian.Pelot@greenbaywi.gov

Year(s)/Season(s) of Planting: 2023-2024/Spring and Fall

Trees/# Shrubs to be Planted: 800

Type(s) of Plant Stock (e.g., B & B, container, bareroot): Bareroot and B&B

Size (average caliper; include details in table on last page): 1-2"

Describe how activities below will be completed. If an activity is not applicable, briefly explain.

1. Tree Planting and Maintenance Personnel

- a. Identify the parties responsible for tree planting and maintenance during the grant period as well as long-term maintenance beyond the life of the grant. Describe the roles of each party.

City Forester-Planning, Site Marking, Utility Marking (Digger's Hotline), Crew coordination. Forestry Worker I and Forestry Worker II staff positions operate equipment and physically plant, water, stake and mulch trees. Planting crew consists of 4 men using 7 pieces of equip. Truck/stumper, tree truck, water truck, dump with trailer and skid steer. Stake crew consists of 2 men and a truck. Mulch crew consists of 2 men and a flatbed truck.

- b. Describe the experience level of tree planting and maintenance personnel. If volunteers, homeowners, or inexperienced staff will be utilized, they should receive basic training and literature on proper maintenance techniques. Is training needed, and how will you provide it?

N/A All staff are experienced urban forestry workers.

- c. When trees are planted on private property, the property owner should sign an agreement to confirm they will maintain and protect the trees and provide access to the organization responsible for planting and maintenance. If applicable, what steps have you taken to ensure maintenance of private property?

No plantings on private property.

- d. How will you periodically confirm tree maintenance work is performed correctly?

City Forester or staff will inspect annually and during the 3rd growing season (August 2025/2026 stakes will be removed and tree pruned.

2. Tree Watering Process

Describe in detail how trees will be watered, the time period and frequency of watering, and the source of the water at the planting locations (or how it will be delivered). For the first year, trees should be watered from planting date through September on a weekly basis. Watering may be reduced the 2nd and 3rd years, depending on rainfall and site conditions.

Watering needs are monitored on a weekly basis with a moisture probe. Green Bay soils consist of heavy clay and hold water for quite a long time. It is my experience that the majority of young tree mortality is due to over watering and drowning the root system. If we get an extended drought a water truck will be used. The soil moisture probe is used to check every tree before watering to make sure of the soil moisture level.

3. Mulching Trees

Describe how mulch and/or other ground treatments will be used to reduce competing vegetation and improve tree health. Identify quality control measures that will maintain proper mulch depth (2-4" for landscape trees) and keep mulch 1-2" away from the base of the tree trunk.

Trees are mulched soon after planting to a depth of 4", a diameter of 4-5' and replenished in year 3 when stakes are removed.

4. Staking and Guying Trees

If staking is deemed necessary due to mowing, vandalism, or wind conditions, describe the staking and guying method and materials to be used. Also describe plans (timing and responsible party) for inspection and removal.

Every tree will receive 2 stakes and be secured with a 2" wide seat belt type strap. In Green Bay, staking is mandatory due to strong winds and heavy wet clay soil. Staking also helps prevent vandalism.

5. Checking Tree Health

The grantee will check trees regularly (at minimum every 6-12 months) to identify and address tree health concerns. Indicate who will be inspecting the trees, frequency, the tree inspection process, and what follow-up will occur.

Trees will be inspected a minimum of 1X per year by City Forester and/or staff. Trees receive additional inspections from staff while in route to other assignments throughout the city. Public also calls in to inform staff of vandalism, wind damage, etc.

6. Tree Protection

Young trees may be easily damaged by human activity, animals, equipment, or competition from weeds and invasive plants. Describe how planted trees will be protected.

Each tree will receive a 2' trunk guard made of a corrugated drain tile type plastic pipe. Trunk guard is left on until sunlight degrades plastic and guards fall apart, usually 5-6 years.

7. Pruning

Newly planted trees should need little pruning if they were properly cared for at the nursery. In the first year after planting, remove only dead or broken branches. In later years, weakly attached limbs can be removed, and structural pruning can be done if needed. Describe how any needed pruning will be done.

Pruning will be done in year 3 of planting season, August 2025/2026. Standard pruning of dead, dying, diseased, broken limbs are pruned. We also prune for a single strong central leader, branches with strong angle of attachments is also done at this time. After year 3, trees will be included in the City of Green Bay cycle pruning program which currently sits at a 7.5-8.5 year cycle.

8. Tree Warranty

Trees planted under contract should include a warranty for replacement (due to poor condition or mortality), unless otherwise stated in the grant narrative. Describe your expected warranty conditions.

The City of Green Bay purchases trees from wholesale nurseries to obtain quantity pricing benefits. Wholesale nurseries do not offer warranty replacement. The City of Green Bay Forestry Division will replace dead trees from their existing inventory.

9. Tree Replacement

The grantee should be prepared to fully replace all trees that are in poor condition or die prior to the end of the project grant agreement, unless loss is due to natural disaster beyond the control of the project manager or is allowed for in the grant narrative. Describe tree replacement plans.

The City of Green Bay Forestry Division will replace dead trees from their existing inventory.

10. Planting Summary

Provide a summary of planned tree plantings for the proposed project in the table below. Add lines as needed to capture groupings of trees with similar attributes (e.g. species, size). This summary is not a substitute for a detailed planting plan developed by a qualified professional. The planting summary may be adjusted during project development, but diversity in the summary should be roughly representative of the final planting. Note that projects must avoid installing any state-listed invasive species, including invasives listed as “restricted”, “pending further review”, “non-restricted”, on a watch list, etc.

Location	Species	Size (caliper, in inches, preferred)	Number Planted
Westside Street Trees	Various for diversity	1.5"	300
Eastside Street Trees	Various for diversity	1.5"	500
	*Species to include; Coffeetree, Hybrid Elms, Hackberry, Blue Beech, Oaks, Red Bud, Horsechestnut, Planetree; and exempt those on the DNR regulated and non-regulated NDR list.		

USDA is an equal opportunity provider, employer, and lender.

**TEREX USA, LLC dba TEREX UTILITIES (“Seller”)
TERMS AND CONDITIONS OF SALE
U.S. and CANADA (except Quebec)**

1. Terms and Conditions. The provision by Seller to Buyer of any Equipment or Parts (collectively referred to as “Products”) shall be exclusively governed by these Terms and Conditions of Sale (“Terms and Conditions”) and Seller’s sales order acknowledgement (collectively referred to as “Agreement”). This Agreement cancels and supersedes any and all terms and conditions previously issued by Seller and shall remain in effect unless and until superseded in writing by Seller. Acceptance of an order for Products by Seller shall be deemed to constitute a binding agreement between the parties pursuant to these Terms and Conditions and Buyer agrees that the order may not thereafter be countermanded or otherwise changed without the explicit prior written consent of Seller. No other terms and conditions shall apply, including the terms of any purchase order submitted to Seller by Buyer, whether or not objected to by Seller or whether or not such terms are inconsistent or conflict with or are in addition to these Terms and Conditions. These Terms and Conditions shall be deemed accepted by Buyer if any of the following occurs: (i) if confirmed by Buyer, (ii) if undisputed by Buyer within ten (10) days after receipt, or (iii) if Seller delivers Products to Buyer. Any communication construed as an offer by Seller and acceptance thereof is expressly limited to these Terms and Conditions. The Products are intended for industrial/commercial use by professional contractors and their trained employees and are not intended for use by consumers.

2. Terms of Payments. Payment for Products purchased by Buyer shall be made in accordance with any of the following terms, provided they have been previously arranged with and expressly approved by Seller in writing: (1) cash in advance; (2) confirmed, irrevocable letter of credit established in such amount and form and at such time and at such bank as shall be approved by Seller in respect of each order; (3) credit account purchases for which payment will be due and payable on net thirty (30) day terms, plus service and other charges applicable to past due amounts in accordance with Seller’s written notices; or (4) other payment arrangements expressly approved by Seller in writing prior to or at the time the order is placed. If any Buyer credit account purchase is not paid in accordance with Seller’s credit payment terms, in addition to any other remedies allowed in equity or by law, Seller may refuse to make further shipments without advance payment by Buyer. Nothing contained herein shall be construed as requiring Seller to sell any Products to Buyer on credit terms at any time, or prohibiting Seller from making any and all credit decisions which it, in its sole discretion, deems appropriate for Seller. Seller shall have the right, at its option, to charge interest on all amounts not paid when due and Buyer agrees to pay such interest calculated on a daily basis, from the date that payment was due until the Seller receives payment in full, at the rate of 1.5% per month or the maximum rate permitted by applicable law. Unless otherwise agreed in writing between Seller and Buyer, Seller may, in its sole discretion, increase or decrease the price of any Product, as Seller deems reasonably necessary, at any time prior to shipment and invoice Buyer for the same. If Buyer orders the chassis through Seller, the chassis payment is due upon receipt of chassis by Seller and the balance owed for the completed unit is due in accordance with agreed upon payment terms. When supplied by Buyer, Seller will inspect the chassis upon receipt and will notify Buyer of any chassis mounted components (including but not limited to fuel tanks, air tanks, battery boxes and exhaust systems) that require relocation. Buyer will be invoiced for such work upon completion of the finished Equipment.

3. Taxes and Duties. Unless otherwise noted, prices quoted do not include taxes or duties of any kind or nature. Buyer agrees that it will be responsible for filing all tax returns and paying applicable tax, duty, export preparation charge and export documentation charge resulting from the purchase of the Products. In addition, in the event any other similar tax is determined to apply to Buyer’s purchase of the Products from Seller, Buyer agrees to indemnify and hold Seller harmless from and against any and all such other similar taxes, duties and fees. All prices quoted are U.S. dollars unless otherwise specified. The amount of any present or future taxes applicable to the sale, transfer, lease or use of the Products shall be paid by Buyer; or in lieu thereof, Buyer shall provide Seller with a tax exemption certificate satisfactory to the applicable taxing authority proving that no such tax is due and payable upon such sale, transfer, lease or use.

4. Title, Property, Risk and Delivery. Unless otherwise stated in writing, for all intra-continental United States shipments, all prices and delivery are FCA, point of manufacture (Incoterms 2020); for all other shipments, all prices and delivery are FAS, named port of shipment (Incoterms 2020). Title and all risk of loss or damage to Products shall pass to Buyer upon delivery, as per Incoterms 2020. Any claims for loss, damage or delay in transit must be entered and prosecuted by the Buyer directly with the carrier, who is hereby declared to be the agent of the Buyer. Seller shall not be liable for any delay in performance of this agreement or delivery of the Products, or for any damages suffered by Buyer by reason of delay, when the delay is caused, directly or indirectly, by a force majeure event described in Section 20 herein or any other cause beyond Seller’s control. Claims for shortages in shipments shall be deemed waived and released by Buyer unless made in writing within five (5) days after Buyer’s receipt of shipment. Seller’s responsibility for shipment shall cease upon delivery of the Products to the place of shipment, and all claims occurring thereafter shall be made to or against the carrier by Buyer. Delivery shall generally be 240 to 270 days after receipt by Seller of a signed Order, provided that, where applicable: (1) Seller receives the chassis a minimum of 90 days prior to scheduled delivery, (2) drawings are timely sent by Buyer and the approved drawings are returned to Seller by Buyer by the requested date, (3) all vendor-supplied components and Buyer-supplied accessories are received by Seller by the date necessary to comply with scheduled delivery. Seller shall not be liable for any delay in performance of this agreement or delivery of the Products, or for any damages suffered by Buyer by reason of delay, when the delay is caused, directly or indirectly, by a force majeure event described in Section 20 herein or any other cause beyond Seller’s control. Claims for shortages in shipments shall be deemed waived and released by Buyer unless made in writing within fifteen (15) days after Buyer’s receipt of shipment. Seller’s responsibility for shipment shall cease upon delivery of the Parts and or Equipment to the place of shipment, and all claims occurring thereafter shall be made to or against the carrier by Buyer.

5. Delays Caused By Buyer. In the event of a delay in shipment or delivery due to delay by Buyer in furnishing delivery instructions, arranging a method of payment satisfactory to Seller, submitting valid import permits or licenses, or any other delay caused by Buyer or at Buyer’s request, if the Products are not shipped or delivered within five (5) days from the first date they are ready to be shipped or

delivered, then Seller shall be entitled to charge, as compensation, any additional costs incurred related to such delay. If the Products are not shipped or delivered by the date which is ten (10) days from the first date they are ready to be shipped or delivered, then Buyer's order shall be deemed cancelled and Seller may, in its sole discretion, sell such Products to another buyer without any liability or responsibility to Buyer whatsoever. Seller shall have the right to keep payments on account already received from Buyer, and the difference between the sales price (increased by any other and all further costs, including but not limited to attorney's fees and expenses, storage and other costs, and interest accrued thereon) and the price received from another buyer shall constitute a debt of Buyer and bear interest at the same rate set forth in Section 2 herein. Seller shall be entitled to claim for any further damages suffered as a consequence of Buyer's breach of its obligations hereunder.

6. Cancellation. Prior to delivery to place of shipment, a Product order may be cancelled only with Seller's prior consent and upon terms indemnifying Seller from all resulting losses and damages. Seller shall have the right to cancel and refuse to complete a Product order if any term and/or condition governing this agreement is not complied with by Buyer. In the event of cancellation by Seller, or in the event Seller consents to a request by Buyer to stop work or to cancel the whole or any part of any order, Buyer shall, in the event that Seller asks Buyer to do so, make reimbursement to Seller, as follows: (i) any and all work that can be completed within thirty (30) days from date of notification to stop work on account of cancellation shall be completed, shipped and paid in full; and (ii) for work in progress and any materials and supplies procured or for which definite commitments have been made by Seller in connection with the order, Buyer shall pay such sums as may be required to fully compensate Seller for actual costs incurred, plus fifteen percent (15%). Buyer may not cancel any order after Seller's delivery to place of shipment. Orders for "Special" Equipment may not be cancelled after acceptance, except by Seller. Items of "Special" Equipment are those that differ from standard Seller specifications, have a limited market, or incorporate specifications that have been determined for a specific application. Determination of whether an item of Equipment is "Special" shall be made by Seller in its sole discretion.

7. Inspection and Acceptance. Buyer agrees that it shall inspect the Products immediately after receipt and promptly (in no event later than fifteen (15) days after receipt) notify Seller in writing of any non-conformity or defect. Buyer further agrees that failure to give such prompt notice or the commercial use of the Products shall constitute acceptance. Acceptance shall be final and Buyer waives the right to revoke acceptance for any reason, whether or not known by Buyer at the time of such acceptance. The giving of any such notice by Buyer shall automatically cause the provisions of Seller's warranty to apply and govern the rights, obligations and liabilities of the parties with respect to such nonconformity or defect, provided under no circumstances shall rejection give rise to any liability of Seller for incidental or consequential damages or losses of any kind. Seller shall not be bound by any agent's, employee's or any other representation, promise or inducement not set forth herein. Seller's catalogues, technical circulars, price lists, illustrations, drawings and any other similar literature are for Buyer's general guidance only and the particulars contained in them shall not constitute representations by Seller and Seller shall not be bound by them.

8. Warranty for New Products. Seller warrants its new Equipment and Parts manufactured and sold worldwide, to be free, under normal use and service, of any defects in material or workmanship for a period of twelve (12) months from the date of delivery (as limited by Seller's Limited Product Warranty); provided that Buyer sends Seller written notice of the defect within thirty (30) days of its discovery and establishes that: (i) the Equipment has been operated and maintained in strict compliance with Seller's operating and maintenance manuals; and (ii) the defect did not result in any manner from the intentional or negligent action or inaction of Buyer, its agents or employees and (2) a new machine registration certificate has been completed, signed and delivered to the Seller within thirty (30) days of the Equipment's "in-service" date. If requested by Seller, Buyer must return any defective Product to Seller's manufacturing facility, or other location designated by Seller, for inspection, and if Buyer cannot establish that conditions (i) and (ii) above have been met, then this warranty shall not cover the alleged defect. Failure to give written notice of defect within such period shall be a waiver of this warranty and any assistance rendered thereafter shall not extend or revive it. Accessories, assemblies and components included in the Products of Seller, which are not manufactured by Seller, are subject to the warranty of their respective manufacturers. This warranty shall not cover any item on which serial numbers have been altered, defaced or removed. Maintenance and wear parts are not covered by this warranty and are the sole maintenance responsibility of Buyer. This warranty is limited to the original purchaser or end-user if sold to a distributor, and is not assignable or otherwise transferable without written agreement of Seller. **THIS WARRANTY IS EXPRESSLY IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES, EXPRESS OR IMPLIED (INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE) AND ALL OTHER OBLIGATIONS OR LIABILITY ON SELLER'S PART. THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE LIMITED WARRANTY CONTAINED HEREIN.** Seller neither assumes nor authorizes any other person to assume for Seller any other liability in connection with the sale of Seller's Products. This warranty shall not apply to any of Seller's Products or any part thereof which has been subject to misuse, alteration, abuse, negligence, accident, acts of God or sabotage. No action by either party shall operate to extend or revive this limited warranty without prior written consent of Seller.

9. Warranty for Used Equipment. Used Equipment sold hereunder is sold on an "AS IS, WHERE IS, WITH ALL FAULTS" BASIS WITH NO WARRANTIES WHATSOEVER, EXCEPT AS TO TITLE, UNLESS OTHERWISE SPECIFICALLY AGREED IN WRITING BY BUYER AND SELLER. SELLER ASSUMES NO RESPONSIBILITY FOR THE CONDITION, SAFETY, LEGAL COMPLIANCE, OR USABILITY OF THE USED EQUIPMENT AND MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE USED EQUIPMENT INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. SELLER MAKES NO REPRESENTATION OR WARRANTY REGARDING THE CONDITION OF THE USED EQUIPMENT, NOR THE SUFFICIENCY OF ANY WARNINGS, INSTRUCTIONS OR MANUALS PROVIDED WITH THE USED EQUIPMENT. Seller recommends and Buyer acknowledges that Buyer should contact the original manufacturer to obtain all available information for the used Equipment, including but not limited to product manuals, warnings, safety bulletins, recall notices, and instructional placards before using the used Equipment. Seller shall not be responsible for providing such information. Buyer agrees not to assert any claims against Seller with respect to the used Equipment or its use. Buyer agrees that it shall inspect the used Equipment prior to issuance of a purchase order for such Equipment and acknowledges that it is not relying upon

any photographs, images, videos, representations, statements or other assertions made by Seller with respect to the used Equipment's condition, but is relying upon its own knowledge and/or inspection of the used Equipment.

10. Remedies for Breach. IN THE EVENT OF ANY BREACH OF THE WARRANTY BY SELLER, THE PARTIES AGREE THAT SELLER'S LIABILITY SHALL BE LIMITED EXCLUSIVELY TO THE REMEDIES OF REPAIR OR REPLACEMENT (AT SELLER'S SOLE DISCRETION) OF ANY DEFECTIVE EQUIPMENT COVERED BY THE WARRANTY. In no event shall any repair or replacement of any defective equipment covered by the Seller's warranty extend the length of the warranty beyond the period specified in Section 8 herein.

11. Limitation of Liability. NOTWITHSTANDING ANYTHING CONTAINED IN THIS AGREEMENT TO THE CONTRARY, Seller and its affiliates shall not be liable for, and specifically disclaim, any liability for any: (a) LOST PROFITS and/or business interruption (WHETHER DIRECT OR INDIRECT); and (b) indirect, incidental, consequential (whether direct or indirect) or other damages or losses of any kind whatsoever, including, without limitation, labor costs, lost profits, loss of use of other equipment, third party repairs, personal injury, emotional or mental distress, improper performance or work, penalties of any kind, loss of service of personnel, or failure of Products to comply with any federal, state, provincial or local laws, regardless of whether arising from a breach of contract, or warranty, legal claims or otherwise. Nothing in this Section shall operate to exclude Seller's liability for death or personal injury when directly related to Seller's negligent act or omission.

12. Limitation of Actions. Any action for breach of this agreement must be commenced within one (1) year after the cause of action has accrued.

13. Specification Changes. In the event Seller incurs additional expense because of changes in specifications or drawings previously approved by Buyer, or in the event Seller is required to modify the ordered Equipment, perform any additional work or supply any additional Products, the additional expense shall be added to the purchase price. Buyer must submit to Seller a revised purchase order specifying any and all requested changes. Upon receipt of Buyer's revised purchase order, Seller shall have the right, in its sole discretion, to accept or reject any changes in specifications requested by Buyer.

14. Trade-in Offers. Trade-in offers are subject to Seller's inspection and acceptance of the equipment, which must have been maintained to U.S. Department of Transportation operating and safety standards. All accessories on the equipment, including without limitation jibs, winches, pintle hooks and trailer connectors, must remain with the equipment unless otherwise agreed by Seller and Buyer in writing. Seller reserves the right to cancel any trade-in offers or agreements if these conditions are not met, or if Buyer has misrepresented any information about the trade-in unit.

15. Insurance. Until the purchase price of any Products is paid in full, the Buyer shall provide and maintain insurance equal to the total value of the Equipment delivered hereunder against customary casualties and risks; including, but not limited to fire and explosion, and shall also insure against liability for accidents and injuries to the public or to employees, in the names of Seller and Buyer as their interest may appear, and in an amount satisfactory to Seller. If the Buyer fails to provide such insurance, it then becomes the Buyer's responsibility to notify the Seller so that the Seller may provide same; and the cost thereof shall be added to the contract price. All loss resulting from the failure to affect such insurance shall be assumed by the Buyer.

16. Patents, Copyrights, Trademarks, Confidentiality. No license or other rights under any patents, copyrights or trademarks owned or controlled by Seller or under which Seller is licensed are granted to Buyer or implied by the sale of Products hereunder. Buyer shall not identify as genuine products of Seller products purchased hereunder which Buyer has treated, modified or altered in any way, nor shall Buyer use Seller's trademarks to identify such products; provided, however, that Buyer may identify such products as utilizing, containing or having been manufactured from genuine products of Seller as treated, modified or altered by Buyer or Buyer's representative, upon prior written approval of Seller. All plans, photographs, designs, drawings, blueprints, manuals, specifications and other documents relating to the business of Seller ("Information") shall be and remain the exclusive property of Seller and shall be treated by Buyer as confidential information and not disclosed, given, loaned, exhibited, sold or transferred to any third party without Seller's prior written approval; provided, however, that these restrictions shall not apply to Information that Buyer can demonstrate: (a) at the time of disclosure, is generally known to the public other than as a result of a breach of this Agreement by Buyer; or (b) is already in Buyer's possession at the time of disclosure by from a third party having a right to impart such Information.

17. Default and Seller's Remedies. In the event of default by Buyer, all unpaid sums and installments owed to Seller, shall, at Seller's sole option, become immediately due and payable without notice of any kind to Buyer. In addition to its right of acceleration, Seller may pursue any and all remedies allowed by law or in equity, including but not limited to any and all remedies available to it under the Delaware Uniform Commercial Code. In addition to the foregoing, and not in limitation thereof, Seller shall have the right to set off any credits or amounts owed to Buyer against any amounts owed by Buyer to Seller.

18. Indemnification by Buyer. Buyer hereby agrees to indemnify, release, defend and hold harmless Seller, its directors, officers, employees, agents, representatives, successors, and assigns against any and all suits, actions or proceedings at law or in equity (including the costs, expenses and reasonable attorney's fees incurred in connection with the defense of any such matter) and from any and all claims demands, losses, judgments, damages, costs, expenses or liabilities, to any person whatsoever (including Buyer's and Seller's employees or any third party), or damage to any property (including Buyer's property) arising out of or in any way connected with the performance or the furnishing of Products under this agreement, regardless of whether any act, omission, negligence (including any act, omission or negligence, relating to the manufacture, design, repair, erection, service or installation of or warnings made or lack thereof with respect to any Products furnished hereunder) of Seller, its directors, officers, employees, agents, representatives,

successors or assigns caused or contributed thereto. If Buyer fails to fulfill any of its obligations under this paragraph or this agreement, Buyer agrees to pay Seller all costs, expenses and attorney's fees incurred by Seller to establish or enforce Seller's rights. The provisions of this paragraph are in addition to any other rights or obligations set forth in this agreement.

19. Installation. Unless otherwise expressly agreed in writing, Buyer shall be solely responsible for the installation and erection of the Products purchased. Although Seller may in some cases provide a serviceman, data and drawings to aid Buyer with installation or start-up, Seller assumes no responsibility for proper installation or support of any Products when installed and disclaims any express or implied warranties with respect to such installation and support. Notwithstanding whether data and drawings are provided or a serviceman aids in the installation, Buyer shall indemnify and hold Seller harmless and at Seller's request, defend Seller from all claims, demands or legal proceedings (including the costs, expenses and reasonable attorney's fees incurred in connection with the defense of any such matter) which may be made or brought against Seller in connection with damage or personal injury arising out of said installation or start-up.

20. Force Majeure. Seller shall not be liable to Buyer or be deemed to be in breach of this agreement by reason of any delay in performing, or any failure to perform, any of Seller's obligations in relation to the Products if the delay or failure was due to any cause beyond the reasonable control of Seller including (without limitation) strike, lockout, riot, civil commotion, fire, accident, explosion, tempest, act of God, war, epidemic, stoppage of transport, terrorist activity, supply shortage or changes in government, governmental agency, laws, regulations or administrative practices.

21. Anti-Corruption; Export Controls; No Boycotts. Buyer agrees that it shall, and that any party retained or paid by the Buyer ("Retained Party") shall, comply with all applicable laws including, but not limited to, laws prohibiting public corruption and commercial bribery. Buyer further agrees that it shall, and that any Retained Party shall, comply with all applicable export controls, economic sanctions, embargoes and regulations regarding the export, re-export, shipment, distribution and/or sale of Products, technology, information or warranty related services. Buyer further agrees that it shall not, and any Retained Party shall not, export or re-export Products, technology, information or warranty related services directly or with its knowledge indirectly into Iran, Sudan, Cuba, Syria, North Korea, the Crimea Region of the Ukraine or Russia without Buyer first obtaining written approval from Seller. Failure to comply strictly with this section and all applicable laws, regulations and licensing/approval requirements shall be grounds for immediate termination of this agreement by Seller. Notwithstanding anything to the contrary contained in any agreement between the Buyer and Seller or in any other document or agreement relating to the Products sold hereunder, Seller will not comply with requests related to the boycott of any country or other jurisdiction, except to the extent such boycott is required by or otherwise not inconsistent with United States law.

22. Telematics. If a telematics system is included with the Equipment, the telematics system is administered by a third party ("Teleservice Provider") and collects a range of operational data about the Equipment including, but not limited to, usage, performance and reliability. Buyer consents to Seller's obtaining such data from the Teleservice Provider for warranty, product improvement, marketing and customer support purposes and to Seller's management and reporting of data (personal and non-personal) about the Equipment including, but not limited to, fuel consumption, up/down times, operation, defects, parts replacement, movement and location. Buyer shall, to the extent required by applicable law, obtain consent from its customers and/or any third party for Seller and/or third parties to provide teleservices and data to Buyer. Buyer shall comply with all applicable laws relating to the provision of teleservices. Buyer agrees to be bound by the current version of the Terex Telematics Terms of Use at <https://www.terex.com/en/products/telematics-tou>.

23. Construction and Severability. These Terms and Conditions of Sale constitute the entire agreement between the parties regarding the subject matter hereof and shall be construed and enforced in accordance with the laws of Delaware. The United Nations Convention on Contracts for the International Sale of Goods (1980) (CISG) shall not apply. The invalidity or unenforceability of any provisions of this agreement shall not affect any other provision and this agreement shall be construed in all respects as if such invalid or unenforceable provision were omitted.

24. Jurisdiction. The parties agree that the proper and exclusive forum and venue in all legal actions brought to enforce or construe any provisions herein shall be in United States District Court, District of Delaware or, if federal jurisdiction is lacking in such action, in New Castle County Superior Court in Delaware.

25. No Assignment. No rights arising under this agreement may be assigned by the Buyer unless expressly agreed to in writing by the Seller.

26. No Set-off. Buyer shall have no right to set-off any amounts it may owe Seller against amounts Seller may owe Buyer under this or any other agreement between Buyer and Seller.

27. Miscellaneous. Buyer represents that: (i) it is solvent and has the financial ability to pay for the Equipment and Parts purchased hereunder and (ii) it has all requisite right, power and authority to perform its obligations under this agreement.

Buyer's Initials: _____

LIMITED PRODUCT WARRANTY

TEREX USA, LLC dba TEREX UTILITIES ("Seller"), as to the equipment manufactured by each respective company, warrants its new equipment and parts manufactured and sold worldwide to be free, under normal use and service, of any defects in manufacture or materials for a period of **12 months from date of delivery to the first end user, but in no event longer than 18 months from date of shipment from the factory**; provided that (1) Seller receives written notice of the defect within thirty (30) days of its discovery and Buyer establishes that (i) the equipment has been maintained and operated within the limits of rated and normal usage; and (ii) the defect did not result in any manner from the intentional or negligent action or inaction by Buyer, its agents or employees, and (2) a new machine registration certificate has been completed and received by Seller within thirty (30) days of the equipment's "in-service" date. If requested by Seller, Buyer must return the defective equipment to Seller's manufacturing facility, or other location designated by Seller, for inspection, and if Buyer cannot establish that conditions (1) (i) and (1) (ii) above have been met, then this warranty shall not cover the alleged defect.

Seller's obligation and liability under this warranty is expressly limited to, at Seller's sole option, repairing or replacing, with new or remanufactured parts or components, any part which appears to Seller upon inspection to have been defective in material or workmanship. Such parts shall be provided at no cost to the owner, FOB Seller's parts facility (Incoterms 2010). If requested by Seller, components or parts for which a warranty claim is made shall be returned to Seller at a location designated by Seller. All components and parts replaced under this warranty become the property of Seller. This warranty shall be null and void if parts (including wear parts) or attachments other than genuine OEM Seller parts or approved attachments are used in or attached to the equipment.

Accessories, assemblies and components included in Seller's equipment, which are not manufactured by Seller, are subject to the warranty of their respective manufacturers. Normal maintenance, adjustments, or maintenance/wear parts, are not covered by this warranty and are the sole maintenance responsibility of Buyer.

The following structural members have a lifetime parts only warranty for the original Buyer after date of shipment from Seller: sub frame, pedestal, turntable, and boom. Replacement of fiberglass jibs, seals, gaskets, hoses, and exterior coating is not covered under the lifetime warranty. The lifetime warranty requires an annual service inspection of the equipment by an authorized distributor of Seller. The sub frame, pedestal, turntable, and boom shall have a 5 year parts only warranty if the annual service inspection is performed by an approved entity other than an authorized distributor of Seller. All replacement parts must be genuine OEM Seller parts.

SELLER MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, AND MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, AS TO THE EQUIPMENT AND PARTS IT SUPPLIES.

No employee or representative of Seller is authorized to modify this warranty unless such modification is made in writing and signed by an authorized officer of Seller. Seller's warranty is continuous for the stated period, and "stopping and restarting" such period is not permitted.

Seller's obligation under this warranty shall not include duty, taxes, environmental fees, including without limitation, disposal or handling of tires, batteries, petrochemical items, or any other charges whatsoever. Seller shall not be liable for indirect, incidental, or consequential damages, even if advised of the possibility of such damages.

Improper maintenance, improper use, abuse, improper storage, operation beyond rated capacity, operation after discovery of defective or worn parts, accident, sabotage or alteration or repair of the equipment by persons not authorized by Seller shall render this warranty null and void. Seller reserves the right to inspect the installation of the product and review maintenance procedures to determine if the failure is covered under this warranty.

Parts Warranty: Seller warrants the parts ordered from the Seller to be free of defects in materials or workmanship for either (1) a period of 12 months after date of shipment from the factory, or (2) the balance of the remaining new equipment warranty, whichever occurs first. With respect to parts ordered from Seller for equipment for which the warranty has expired, Seller warrants such parts to be free of defects in materials or workmanship for a period of 12 months after date of shipment from the factory.

NO TRANSFERABILITY OF WARRANTY: This warranty is limited to the original purchaser or original end-user if sold to a distributor, and is not assignable or otherwise transferable without the written agreement of Seller.

ITEMS NOT COVERED BY WARRANTY

The following listed items, which are not exhaustive, are **NOT** covered under this warranty:

1. Items sold by any individual, corporation, partnership or any other organization or legal entity that is not authorized by Seller to distribute its equipment.

LIMITED PRODUCT WARRANTY

2. Inbound freight, duty and taxes for replacement components or outbound freight, duty, and taxes for any part requested as a warranty return.
3. Components which are not manufactured by Seller or its affiliates. Such components may include, but are not limited to, chassis, engines, batteries, tires, customer-supplied products, transmissions, air compressors, and axles.
4. Replacement of a complete assembly that is field repairable by the replacement or repair of defective part(s) within the assembly. Seller has the option to repair or replace any defective part or assembly.
5. Wear parts and maintenance services including, but not limited to: lamps, lenses, seals, gaskets, hoses, filters, breathers, belts, nozzles, friction plates, glass, clutch and brake linings, wire rope, nuts and fittings, exterior coatings, proper tightening of bolts, adding or replacing of fluids, adjustments of any kind, services, inspections, diagnostic time, travel time and supplies such as hand cleaners, towels and lubricants.
6. Damage caused by carrier handling. Any such claim for damage should be filed immediately with the respective carrier.
7. Repairs, work required or parts exposed as the result of age, storage, weathering, lack of use, demonstration use, or use for transportation of corrosive chemicals.
8. Damage resulting to the equipment or parts should the owner or operator continue to operate the equipment after it has been noted that a failure has occurred.
9. Damage caused by, or labor or other costs related to, work performed by personnel not authorized by Seller to service the equipment.

IN NO EVENT SHALL SELLER, OR ANY AFFILIATE, SUBSIDIARY OR DIVISION THEREOF BE LIABLE FOR INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OR LOSSES RESULTING FROM ANY BREACH OF WARRANTY, REPRESENTATION OR CONDITION, EXPRESS OR IMPLIED, OR ANY TERMS OF THIS WARRANTY, OR ANY BREACH OF ANY DUTY OR OBLIGATION IMPOSED BY STATUTE, CONTRACT, TORT, COMMON LAW OR OTHERWISE (WHETHER OR NOT CAUSED BY THE NEGLIGENCE OF THE SELLER, ITS EMPLOYEES, AGENTS OR OTHERWISE), INCLUDING, WITHOUT LIMITATION, LOSS OF USE, LOST PROFITS OR REVENUES, LABOR OR EMPLOYMENT COSTS, LOSS OF USE OF OTHER EQUIPMENT, DOWNTIME OR HIRE CHARGES, THIRD PARTY REPAIRS, IMPROPER PERFORMANCE OR WORK, LOSS OF SERVICE OF PERSONNEL, LOSS OF CONTRACTOR OPPORTUNITY AND PENALTIES OF ANY KIND, PERSONAL INJURY, EMOTIONAL OR MENTAL DISTRESS, OR FAILURE OF EQUIPMENT TO COMPLY WITH ANY APPLICABLE LAWS. The Seller's liability to the Buyer shall not in any event exceed the purchase price of the equipment.

THIS WARRANTY IS EXPRESSLY IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES, REPRESENTATIONS AND CONDITIONS, EXPRESS OR IMPLIED AND ALL OTHER STATUTORY, CONTRACTUAL, TORTIOUS AND COMMON LAW OBLIGATIONS OR LIABILITY ON SELLER'S PART ARE HEREBY EXPRESSLY EXCLUDED TO THE MAXIMUM EXTENT PERMITTED BY LAW. THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE LIMITED WARRANTY CONTAINED HEREIN. Seller neither assumes nor authorizes any other person to assume for Seller any other liability in connection with the sale of Seller's equipment. In the event that any provision of this warranty is held unenforceable for any reason, the remaining provisions shall remain in full force and effect.

Green Bay , WI 54301

Qty. Description

UNIT

1 Xt Pro60 Ora Aerial W/10' Hyd. Lift

One (1) new Terex Hi-Ranger XT PRO 60/70 insulated overcenter aerial device providing a working height of 75.0 ft (22.9 m) and a side reach of 45.0 ft (13.7 m) non-overcenter and 49.9 ft (15.2 m) overcenter.

Design Criteria:

* Design criteria is in accordance with current industry and engineering standards applicable and accepted for structural and hydraulic design.

Boom Tip:

Upper Controls: Control-Plus single stick controller.

Maintenance free chain.

Manual Platform Tilt Release:

* Tilts perpendicular to the boom.

* Allows the platform to be horizontally tilted for rescue or clean out.

Dual Hydraulic Tool Outlets At Platform:

* Dual hydraulic tool outlets at platform to accommodate two (2) open center hydraulic tools.

* Tools cannot operate simultaneously.

* Includes relief to limit pressure to 2250 PSI.

* Flow is adjustable.

Lower Boom:

* Filament wound high strength fiberglass insert providing an insulation gap.

* The lower boom is supported when stored by a boom rest.

Upper Boom:

* Filament wound tapered fiberglass boom providing a clear span insulation gap.

Continuous & Unrestricted Rotation:

* A hydraulic rotary manifold provides a rotating oil distribution system for continuous and unrestricted rotation.

* Self-locking worm gear rotation drive is provided and equipped with bi-directional motor.

* A 4-channel electric collector ring is provided.

Lower Controls:

* Individual control levers with a console are provided and located in an accessible location on flatbed area.

* An upper/lower control selector provides override of platform controls.

Pedestal:

* The pedestal is designed with access for maintenance of hydraulic plumbing.

Rotation Bearing:

* The rotation bearing is a heavy duty shear-ball bearing with external gear teeth utilizing polished alloy steel balls.

* Both the inner and outer races are machined from high-strength alloy steel and are heat treated to provide maximum life.

* High-strength, grade 8 bolts attach the inner and outer races to the pedestal and turntable.

ANSI Rating:

Unit: XTPRO60/70-ORA

Aerial device is designed as a Category C machine in accordance and is dielectrically tested and rated for operation on systems up to 46 Kv phase to phase per ANSI/SIA A92.2-2015

Hydraulic System:

- * Full pressure, open center hydraulic system.
- * A external 40 gallon hydraulic oil reservoir is provided with a 60 mesh filter screen, baffles, 100 mesh suction screen with bypass, clean-out access hole, dipstick and shut off valve.
- * A 10 micron return line filter located in oil reservoir.
- * An in-line relief is also provided.
- * Hydraulic hoses are equipped with swaged hose fittings.

Miscellaneous:

- * All metallic components of the complete aerial device are powder coat white.
- * The fiberglass upper boom, lower boom insert, and platforms are white.
- * Two complete manuals providing operation and maintenance procedures, and a replacement parts listing.
- * Warning decals are provided with unit.

1 Tie Down Kit,2 Set O/R'S,Xt Pro,Trans HI

Tie down kit.

1 A-Frame,Heavy Duty,(9283)

Heavy Duty A-Frame Outriggers with swivel type stabilizer pads. (9283)

1 Front outrigger 8348 Ref EQR Q11098

1 O/R Cntrls, 2 Sets

Controls For 2-Sets OF Outriggers (Open center systems):

- * Recessed at rear of truck each side for ease of view for outrigger placement.
- * Includes switches and alarm for outrigger in motion alarm.

1 Outrigger Interlock,12v,Std (2 Sets Af)

Outrigger Interlock:

- * To operate the boom the outriggers must be extended.

1 Customer Declined - Subframe

Customer Decline Subframe.

1 Lift Shield For Ora S/L

Lift shield for around lift, it will be ship loose.

1 Two Speed, Aux Letdown 12v

Engine Two Speed Throttle Control and Auxiliary Power:

- * A two-speed engine throttle control is provided at the upper controls.
- * The chassis engine will advance to a pre-set speed when engaged and decrease to idle when disengaged.

Auxiliary Let Down for use with Open Center Hydraulics:

Terex USA, LLC dba Terex Utilities - 3140 15th Avenue SE - Watertown, SD 57201 - Phone: 605-882-4000

Unit: XTPRO60/70-ORA

* Allows for the descent of the boom (platform) in the most direct manner for a time limited by the duty cycle of the electric motor.

*Includes 12 volt electric motor for use on a 12 volt chassis.

Note: This includes a switch for activation at pedestal for electric or air function.

1 Terex Advanced Chassis Controller

Terex Advanced Chassis Controller:

* Multiplexed system to include: Controller, LCD Screen, Manual and Schematics.

* Standard Options: Diagnostics, Status Screens, Event Log, Hours Meter, Selectable Button Labels, System Alerts and System Test.

* Programmable settings allow installer to customize/select options need for their application.

* Screw terminal-type connections and enclosure to cover connections.

* Recommended on Class 6 and above chassis with multiple outputs

* The PTO hour is standard. The engine hour meter is standard (When available). This is a message we get from the truck Data link. All trucks except Ford give us the Engine hours. So if it's a Ford, we just display PTO hours.

1 Freightliner 4x2

1 42" Aluminum Transverse Body per attached specs

Date: 23-OCT-2023**Quote Number: QU31183-TU- V2****Unit: XTPRO60/70-ORA**

- 1 **156" x 96" flatbed with stake pockets. 1/8" diamond plate deck. Walking surface to have hard shell anti-slip coating.**

- 1 **Hose & Fitting Kit Group 2**
Hose and fittings to connect the hydraulic system from the oil reservoir to the pump and unit.

- 1 **Misc Shop Supplies Group 5**

- 1 **Platform Rest Bottom Base Group 3**
Platform rest, bottom base

- 1 **Pto (Muncie) For Automatic Transmission**
Power take off with indicator light for automatic transmission.

- 1 **Dot Inspection**
DOT Inspection.

- 1 **Set Chassis Parameters (Req'l'D)**
Set chassis parameters.

- 1 **Ecco Back-Up Alarm**
Back-up alarm to sound when the vehicle is shifted into reverse.

- 4 **Poly 24 X 24 X 2 Terex Logo**
24 x 24 x 2 poly outrigger pads.

- 2 **Pendulum Retainer - Outriggers**
Pendulum style retainer.

- 2 **Rubber Wheel Chock Eye Bolt (Standard)**
Rubber wheel chocks with eye bolt.

- 2 **Pendulum Retainer - Wheel Chocks**
Pendulum style retainer.

- 1 **Stirrup Step Rigid For Side Of Body**
Rigid stirrup step mounted on side access for ground to body access.

Terex USA, LLC dba Terex Utilities - 3140 15th Avenue SE - Watertown, SD 57201 - Phone: 605-882-4000

Date: 23-OCT-2023

Quote Number: QU31183-TU- V2

Unit: XTPRO60/70-ORA

- 1 **18' wide steps to the cab Guard**
- 1 **Step Basket Access Tm125 Truck Only**
Access steps to platform from top of body or flatbed floor.
- 2 **Mud Flap - Terex Logo (Standard)**
Mud flap with logo.
Note: Trim As-Required.
- 1 **Cab Guard 2 Tube Frame Full Length**
Cab guard constructed of tubing and heavy duty expanded metal.
Note: Consists of cab guard, rear module, and gussets.
Note -Must have either a front bumper winch or channel bumper required for mounting.
- 1 **Bumper Kit With Skirt**
Channel bumper and skirt required for mounting a cab guard.
- 1 **Boom Rest Aerial A-Frame Outriggers**
Boom rest for Aerial.
- 1 **Peterson 7-Lamp Led Kit Fmvss Dot**
Peterson LED 7-lamp DOT Lighting Package:
* Complies with FMVSS 108.
* Includes required lights, junction box and wiring harness.
* Note: Includes lighted License Plate Area
* Note: Includes Clearance Lights if Applicable to application.
- 1 **Inverter 2400w**
2400 watt inverter, continuous, 120VAC, Up to 20A.
- 1 **Strobe Lht Kit 4-Cnr FI Mt Led Amber 4**
Whelen 4 corner LED, Amber Strobe Light Kit with 4 grommets.
*Wired into On/Off switch in cab.
- 1 **Stop/Start And Two Speed Rear Of Truck**
Remote engine stop/start And two speed control from rear of vehicle.
- 1 **Pintle Hook 15t**
15 ton pintle hook:
* Safety chain eyes.
Pintle hook brackets and attachment methods are designed to meet the associated pintle hook ratings. They are not designed for recovery purposes. If recovery attachments are required, please order the appropriate tow eyes.

Terex USA, LLC dba Terex Utilities - 3140 15th Avenue SE - Watertown, SD 57201 - Phone: 605-882-4000

Date: 23-OCT-2023

Quote Number: QU31183-TU- V2

Unit: XTPRO60/70-ORA

- 1 **Icc Rear Bumper**
ICC rear bumper.

- 1 **7-Prong Trailer Socket Rv Style Combined**
7-blade trailer socket. (RV style)

- 1 **Oil Tank Mounting (Req For External)**
Oil tank mounting for external reservoirs.

- 45 **Hydraulic Oil - General Purpose**
Fill with Hydraulic oil for general purpose use.
* Refer to the product maintenance manual for specific type to be used.

- 1 **Safety Kit 10# Fire Extinguisher-Abc**
Safety Kit consists of the following:
*10-lb ABC fire extinguisher with the use of 0092099 bracket.
*James King triangle reflector kit.

- 1 **Paint Flatbed Up To 16'**
Paint flatbed one color up to 16'.
*Note - Paint under carriage black.

- 1 **Paint T-40 Saddle Box**
Paint T-40 saddle box one color.

- 1 **Paint Body Floor With Non-Skid Paint**
Paint body floor with non-skid paint.

- 1 **Paint Compartment Top Non-Skid Paint**
Paint compartment top with non-skid paint.

- 1 **Paint Cab Guard**
Paint cab guard one color.
* Note: specify color

- 1 **Paint Second Color Or Premium Color**
Paint second color or premium.

- 1 **First Article Inspection, Factory Onsite**
First Article Inspection, Factory On-Site

Warranty

1 Warranty,Extended,2 Year, Fully Installed

Terex USA, LLC dba Terex Utilities

- 1.** Federal Excise Tax will be added if certificate is not supplied with order.
- 2.** The following items must be considered by the purchaser if not already included: Back-up Alarm; Strobe Light; Wheel Chocks; Outrigger Pads; Truck Grounding Cable; Barricade Kit; Boom Stow Interlock; Auxiliary Let Down; and Platform Liner.
- 3.** Terex USA, LLC dba Terex Utilities strongly recommends all installation accessories be located up front in front in the quote or secondarily on the approved engineering drawing. Any accessories located or relocated during manufacturing may be subject to additional charges.
- 4.** Terex USA, LLC dba Terex Utilities - Offers In-service Training.
- 5.** Terex USA, LLC dba Terex Utilities - Assembly in Watertown.South Dakota is ISO 9001:2000 Certified.

14888

42" Aluminum Transverse Body 46 inches high X 94 inches wide.

28 Inch top of floor to top of body.

20 Inch compartment depth.

.090 Aluminum. - Main body material

.125 Aluminum Tread-Brite - Full height rock guards to bottom of crossmembers.

.125 Aluminum Treadplate - Compartment tops

Slam action paddle type door latches.

5/16" Aluminum continuous rod - Door Hinge Rod.

Stainless Steel - Door Hinge Sockets.

Vinyl Coated stainless steel cable door stays.

.063 Aluminum Double Panel Body Doors.

LED Compartment lights mounted in top of all body compartments with switch on light. (Dome Style)

Automotive Bulb Type Weatherstripping. **(Ship Loose)**

Hooks installed on DUAL Uni-Strut for infinite adjustment.

Streetside Compartmentation:

1st Vertical:

42 Inch open compartment.

Barn type compartment doors.

Curbside Compartmentation:

1st Vertical:

42 Inch wide Transverse compartment.

Two (2) - 1/2" Canine Bolt Swivel/ Locking material hooks 1-0-1.

Barn type compartment doors.

Paint:

NO Prime Paint - Bare Aluminum.

Report to the
Parks Committee
of the City of Green Bay

MEETING DATE

November 29, 2023

PREPARED BY

AGENDA ITEM # F.1

Director's Report on updates and recent activities of the Parks, Recreation & Forestry Department.

BACKGROUND

RECOMMENDATION

FISCAL IMPACT

ATTACHMENTS

- I. Director's Report 11.29

**PARKS COMMITTEE
DIRECTOR'S REPORT
WEDNESDAY, NOVEMBER 29, 2023**

PARK DIVISION

- Park mowing crews have been busy blowing leaves off fence lines and playgrounds. We are using mulching kits and blades on our lawnmowers to mulch up the leaves on the turf for the season.
- Landscape crews are finishing up fall pruning and cleaning up landscape beds around town.
- Park crews are also reducing the amount of garbage cans and picnic tables in the parks for the winter. Over the winter we'll evaluate use and locations for the 2024 season.
- On rain days park crews are prepping new boards for picnic table repair.
- Ball diamond crews are doing some off-season repair work to soccer, baseball, and other athletic fields. This includes overseeding and aerating.
- Off-season maintenance is continuing in the wading pools and aquatic centers.
- Park carpenters are finishing up some smaller projects around the park shop and shelters before winter sets in.
- Our park painter continues to clean up graffiti as well as working on indoor and outdoor paint projects.
- In the coming weeks park crews will begin setting up the holiday light display at Whitney Park.

FORESTRY DIVISION

- The pruning crew continues to work in the Astor Park area and individual requests as needed.
- Large trees posing an increased risk are being removed across the city. All other tree removals are being added to our winter list. The crew is currently in the Martin Luther King School neighborhood.
- Stump grinding continues. Westside operations are working in the Southwest High School area. Crews will be grinding stumps until the end of November.
- Staff continues to mark trees for the winter removal cycle. We anticipate 700-800 Ash trees and a few hundred more non-Ash trees on the winter list. It is still a large removal number but fewer than the 2023 list.
- Fall tree planting is complete. Staff planted 289 trees this fall.

DESIGN & DEVELOPMENT DIVISION

- Staff is working with the consultant on planning for the HVAC upgrades for the Bay Beach Amusement Park pavilion.
- The roof replacement of the Bay Beach Amusement Park pavilion was awarded to a contractor. Work will be completed in the spring of 2024.
- The stairs of the giant slide will need to be replaced prior to opening due to rusting

concerns. The City hired a consultant to complete the engineering documents necessary to bid out this work.

- Staff is planning for the installation of the inclusive playground at Bay Beach Amusement Park. The final construction details and grading plan is nearly completed.
- Public Works has bid out the underground utilities to the new concession stand/restrooms at the Finger Road Ballfield Complex.
- The engineering of the site work, shelter and stage is progressing at Leicht Memorial Park. The consultant will be submitting 90% of the complete set of construction plans soon.
- Shipyard Phase 1 construction continues. Work is scheduled to be completed in the summer of 2024.
- Staff is working with the consultant on the design of the JBS park/boulevard/barn development.
- The Brisk Park and Lakeside Place playground equipment has been delivered.
- Benches for the playground and splash pad at Farlin Park have been delivered.
- A kickoff meeting was held on November 17th for the Joliet Park AOC and habitat restoration planning.
- The advanced loop of the Bike Skills Course at Triangle Sports Area has been repaired due to erosion concerns.

GREEN BAY CONSERVATION CORPS

- The new staff position was filled. The new Field Assistant overseeing the AmeriCorps members started on October 30.
- Recruitment continues for new members and interviews continue.
- Staff continues to finalize AmeriCorps grant documents to close out the 2022-2023 grant year.
- Prairie Nursery donated over 20,000 plants to be planted throughout the park system. Crews completed plantings at Red Smith, WLS, Westside Trail, Olde Preble, and E.R. Emilie Park.
- Members are finalizing fall maintenance on all native plantings and biofilters throughout the city.
- Staff trained new members on brush cutter operations and members began removing invasive species.
- The GBCC hosted a volunteer event for National Make A Difference Day at Red Smith Park. The event focused on removing invasive species and planting native prairie plugs.
- The GBCC hosted a volunteer event at the WLS for UWGB students. Students helped mulch new plantings installed this fall.
- Members and staff have begun planning a celebration event for MLK day coming up in January. Stay tuned for further details.

RECREATION DIVISION

- We are currently taking registrations for the Mini-Dribblers youth basketball program. We have 20 participants registered at Red Smith and 3 participants registered at Ft. Howard. The program will be held Monday evenings beginning January 29th for 6 weeks.
- We are currently taking registration for our Winter Table Tennis League. It will be held on Wednesday evenings beginning January 2nd at Franklin Middle School. We have 2 players registered.
- Planning for the 2023-24 Chill Chaser is underway. There will be 20 parks around Green Bay with a symbol hanging in the window of the shelter located at the park. Participants will receive prizes for the number of symbols they find. The program will run December 22nd – January 3rd.
- The adult basketball program began on November 1st at various area high schools. We currently have 24 teams registered.
- The Tennis, Soccer, Football, and Pickleball facility permits will be completed by November 5th.
- Open gyms began in November at Franklin, Baird, Chappell, Wilder, Beaumont, and Jackson.
- The Youth Dance Program is underway. Classes include Creative Movement, Preschool Dance, Tap and Ballet, and Hip Hop.
- Planning is underway for the 2024 Frenzy on the Fox event. This event celebrates the 4-season use of the Fox River Trail with a 5k run, walk, and bike. The event will start and end on the CityDeck with registration and post-event at Hagemeister Park. Registration is open.
- The new Recreation Coordinator position is currently being advertised.

AQUATICS

- Staff is completing a sign inventory of all three pools:
 - Pictures and lists of required signs.
 - Signs in need of repair.
 - Where signs were purchased.
- Staff did a walkthrough of all facilities with maintenance to talk through winter projects and updates needed.
- Off season projects include:
 - Updating staffing plans at all three facilities to become compliant with the updated DATCP 172 Pool Operating Code.
 - Create an updated database on staff certifications to comply with the new requirement that lifeguards must recertify their CPR certifications annually (versus every two years).
 - Research scheduling options to accommodate the increased need for flexible scheduling for our seasonal staff.
- Rehire information has been sent out to all eligible staff in November. Many staff have already committed to returning for the summer of 2024.
- The 2024 Seasonal Lifeguard and Facility Attendant positions have been posted and application reviews will begin in December.

BAY BEACH AMUSEMENT PARK

- Attendance and revenue
 - The park closed on 9/25.
 - Online sales—a new website has been created. We are working with the Finance Department to help with setting up the payment system before it can go live.
- Staffing
 - Updates to all onboarding documents have been completed.
 - Handbook
 - Orientation
 - Certification of training
 - Offer letters.
 - The interview process will be evaluated.
 - The rehire list has been completed. All rehires have been notified.
 - Staff started to fill out their rehire paperwork.
 - 2024 Seasonal positions have been activated and a few have already applied.
- Concessions and shelters
 - The Craft Show was held on 10/7.
 - The annual duathlon was held on 10/14 in the pavilion.
 - Areas are getting winterized and will have the water turned off in the next month.
- Rides
 - The rides are almost winterized for the season. Mechanics still have a few rides to take down and then yearly maintenance will continue over the winter months.
 - The new Bumper Cars have arrived.
 - Repair work on the east side train tracks behind the pavilion has begun.
 - The Bay Beast Ride will still need some work done before opening in 2024.
- Signage updates
 - Ride signs to be more detailed for each ride.
 - Parking lot signs.
- Management
 - Management attended IAAPA (amusement park convention) to gain new revenue ideas. We are excited to continue researching new products and vendors. Classes were very helpful, and we made great connections with other parks.

Metro Boat Launch

- The pay system and docks will be closed effective December 1, 2023.

Triangle Sports Area

- The snow making equipment is tentatively scheduled for delivery at the end of December. Staff is working through the details to install temporary utilities to allow us to use this equipment yet this season.
- A staffing email has been sent out to get staff ready for the winter season.

- The Triangle Sports Area shelter is being converted to allow for concessions and warming during the sledding season.

WILDLIFE SANCTUARY

- The Otter Statue/Immersive Exhibit “Unveiling” is planned at Bay Beach Wildlife Sanctuary Woodland Building entrance for Tuesday, November 28th at 10:30 a.m. This project honoring the life of beloved otters Sammy & Sadie is a joint project between the City and the Friends of the Bay Beach Wildlife Sanctuary.
- The Dick Resch Center (DRC) activity continues to have consistent usage from private rentals along with internal events such as the Holiday Craft Fair held 11/19. This event had more than a dozen vendors and a food truck.
- Work continues with a UW student on his capstone project to design a Master Plan for the Sanctuary.
- Winterization is underway with many of our plumbing systems having been winterized already and the remaining to be done the week of 11/20. Work continues on exhibit winterization. Heating elements and perches are being added to the bird exhibits.
- The existing Deer Tower will be removed in the next few weeks due to structural concerns with the wood supports. In the next few weeks, a temporary fence will be installed completely around the area to allow work to commence and keep the animals/public safe. After the tower is removed, a temporary viewing deck will be installed to allow public viewing again. Phase two of the project will be a new ‘immersive experience’ making the WLS deer exhibit an attraction once again.
- Staff is exploring options to replace the electrical service and outlets in the Raptor Walk exhibit. When built several decades ago, the supplied power was sufficient. Over time, needs have changed, as well as the permitting requirements. These requirements will mandate additional power capabilities than what currently exist. The initial finding is that this project is significantly more costly than thought, however all options are being explored.
- We are happy to announce the addition of two new full-time team members. A new Senior Animal Keeper and Wildlife Sanctuary Custodian will begin work in the next few weeks.
- WLS Gift Shop/Welcome Center is gearing up for the holiday season with some great new merchandise and seasonal items. Also being scheduled for the holiday season is an (adult) Snow Ball event and Cookies With Santa.
- The Peregrine Falcon main exhibit tree was replaced with new perches and furniture added.

ADMINISTRATION

- Reservations for shelter rentals will open for 2024 on January 2nd and we already have had a number of inquiries.
- Staff are continuing to support special event requests.
- The 2024 rehire of seasonal staff has been completed and we have a great response from our returning staff who are filling out their paperwork.

- 2024 Seasonal Positions are now up and accepting applications for our upcoming season. We have had a number of applications already.
- Annual boat launch passes are no longer available for 2023 we will announce when we receive the 2024 passes.
- Gift cards are on sale in the Parks and Recreation Office and make great gifts for Christmas, they can be used for purchases at WLS, Bay Beach, Pools, as well as signing up for programs or events.
