Board Meeting 09/16/2025

Call to Order

The meeting was called to order by Linda Bova at 8:05 a.m. via Zoom.

On Broadway, Inc. Staff: Brian Johnson

City of Green Bay Staff: Rebecca Finco

Absent: Sandra Ranck, Greg Mattek, Jim Dubois, Adam Funk

Motion by Weycker to approve the agenda. Second by Keebler. Motion passed.

Approval of the Minutes

Motion by Keebler to approve the minutes. Second by Weycker. Motion passed.

There was a request to send the BBID roster with terms of each member.

Treasurer's Report

Treasurer's Report: There is a balance of \$27,500 in the account. This includes a daily minimum balance of \$2,500.00 and \$25,000 obligated to the Green Bay Public Market project.

Motion by Bova to approve the Treasurer's Report. Second by Weycker. Motion passed.

Report on the Progress of 2025 Proposed Activities

Johnson and Bova provided an overview and led discussion on work that has been done to advance the 2025 activities.

No action taken.

2026 Operating Plan

The proposed 2026 operating plan and budget was presented.

There was a question about the marketing allocation for the website. OBI and DGBI partner on a website and they are each budgeting \$15,000 for the website update. If that amount is not spent, OBI will return to the BBID to ask for a reallocation.

There was a question about the state average for BID assessments. BBID remains well below the state average, however, it's not a clean comparison because some BIDs assess differently on type of property and others have minimum/maximum assessments. UW Extension used to gather BID operating documents throughout the state and compile this data, but the point of contact has retired. WI Main Street started doing this, but not all BIDs are Main Street programs, so the data is spotty. Johnson will try to secure what he can to share with the BBID. It was also mentioned that the National Main Street Center conducts an annual funding survey. Johnson will locate this and share it with the BBID. While the data is more relevant to OBI, it can help provide some insight into different ways other downtown organizations are funded besides the BID.

Formal approval of the operating plan and 2026 mill rate requires approval by the BBID, review by the city attorney, review by the Plan Commission, and approval by Common Council.

Motion by Bova to adopt the 2026 operating plan and advance to the city attorney for review. Second by Keebler. Motion passed.

Adjournment

Motion by Weycker to adjourn. Second by Van Handel. Motion passed.

2026 Operating Plan

Broadway Business Improvement District

BUSINESS IMPROVEMENT DISTRICT NO. 3

PROPOSED OPERATING PLAN

I. INTRODUCTION

A. Background

In 1984, the Wisconsin legislature created 66.1109 (formerly S. 66.608) of the Statutes (see Appendix A) enabling cities to establish Business Improvement Districts (BIDs). The purpose of the law is “to allow businesses within those districts to develop, to manage and promote the districts and to establish an assessment method to fund these activities.” (1983 Wisconsin Act 184, Section 1, legislative declaration.)

The City of Green Bay has received a petition from property owners which requests creation of a Business Improvement District for the purpose of revitalizing and improving the Broadway business area on Green Bay’s West side. (see Appendix B). The BID law requires that every district have an annual Operating Plan. This document is the initial Operating Plan for the proposed Broadway Business Improvement District. The BID proponents prepared this Plan with technical assistance from the City of Green Bay Economic Development Department.

B. Physical Setting

The Broadway Business Improvement District has a general setting starting at the point where Mason Street meets the west bank of the Fox River; west to the southwestern property line of parcel 2-948 (Wisconsin Central LTD); continuing northwest to Maple Avenue; north on Maple Avenue to the northern property line of parcel 3-1144-B (339 South Maple Avenue); east along said property line to Chestnut Avenue; north along Chestnut Avenue to Howard Street; west on Howard Street to the alleyway beginning on the western most property line of parcel 3-330 (506-508 Howard Street); north through the alleyway to the southern border of parcel 3-85 (515 West Walnut Street); west at the property line to South Maple Avenue; north on South Maple Avenue through Walnut Street to the northern property line of 4-223 (514 West Walnut Street); east at said property line to alleyway; north in alleyway to the northern property line of parcel 4-102 (230 North Maple Avenue); west along said property line to North Maple Avenue; north on North Maple Avenue to Dousman Street; west on Dousman Street to alleyway beginning at the western property line of parcel 5-607 (301 North Maple Avenue); north in said alleyway to northern property line of parcel 5-605-1; east along said property line to North Maple Avenue; north on North Maple Avenue to Kellogg Street; east on Kellogg Street to Chestnut Avenue; north on Chestnut Avenue to Elmore Street; east on Elmore Street to Broadway Street; north on Broadway Street to alleyway beginning on the northern property line of parcel 5-72 (710 North Broadway Street); east through said alleyway to McDonald Street; north on McDonald Street to James Street; east on James Street to the northeastern property line of parcel 5-1525-A; south along said property line to western bank of Fox River.

II. DISTRICT BOUNDARIES

Boundaries of the proposed district are shown on the map in Appendix B of this plan. A listing of the properties included in the district is provided in Appendix C.

III. PROPOSED OPERATING PLAN

A. Plan Objectives

The object of the Broadway Business Improvement District is to foster a vibrant community activated by:

- People strolling the streets shopping for one-of-a kind gifts or everyday goods
- Diners enjoying diverse restaurants that intermingle with shops and other cultural and entertainment venues
- Activity flowing between the streets of Broadway and the waterfront to the rest of downtown
- A variety of housing styles mixed throughout the district, providing affordable housing for all markets
- The entrepreneurial spirit coupled with a strong dynamic employee base

As creativity and art provide the underlying pulse of the district, these elements combine making the Broadway District the place people of all ages and backgrounds come to shop, eat, live, work, network and play.

Proposed Activities – Year Next

Principle activities to be engaged in by the district during its next year of operation, if the environment allows, will include:

1. Maintain benches, garbage cans, planters/beautification, pole banners, and other hardscape improvements throughout the district. 50 planters will be planted in the spring with flowers, 20 planters with fall décor, weed management throughout district during the growing season, weed management and perennial plantings in 48 tree boxes, 25 bowls with winter décor, coordinated trash pickups once per month, 150 poles banners, and 30 trees with annual lighting.
2. Improve awareness of BBID investments in the district by partnering with On Broadway, Inc. and other funded partners to promote the BBID brand.
3. Maintain a mini-grant program to support retail occupancy of ground floor storefronts. Grants will be provided directly to businesses who sign a minimum of a one-year lease and meet all other grant requirements.
4. Help sustain operations and solvency of On Broadway, Inc. by providing an administrative allocation for payment of rent, telephones, internet, office supplies, utilities and salaries that are necessary to provide services to the businesses in the district with an emphasis on funding a business support position that provides technical assistance for business and property owners
5. Advance conversations with adjacent commercial property owners north of Mason Street to gauge interest in joining the BBID and subsequently propose modifications if warranted to the City of Green Bay Plan Commission.

6. Review and make recommendations to update the by-laws of the BBID.
7. Support the efforts to open a public market by funding the second payment of a four-year pledge to the capital campaign. Provide advocacy for the project recognizing its ability to attract visitors to the district and increase future development and property values.
8. Support efforts for stronger streetscape activation including a microgrant program for businesses and property owners, and subsidy of an intern with a materials budget to create public art, coordinate amenity installation, and provide design assistance for things like planters, sign boards, façade improvements, canopies, flags, banners, outdoor dining areas and more.
9. Provide support to subsidize the implementation of a refreshed website in partnership with Downtown Green Bay, Inc. and Olde Main Street to help promote district activities, businesses, and other unique amenities.
10. Maintain support to develop a concept for the launch and management of a retail incubator that will house retail startup operations and provide training to business owners on how to manage a successful retail operation to reduce retail vacancies and turnover rates.

B. Financing Method

It is proposed to raise \$157,422 through BID assessments calculated with estimated manufacturing assessments (see Appendix C). The BID Board shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

C. Organization of BID Board

Upon creation of the BID, the Mayor will appoint members to the district board ("board"). The board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of BID assessments.

State law requires that the board be composed of at least five members and that a majority of the board members be owners or occupants of property within the district.

The Broadway Business Improvement District Board shall be organized as follows:

1. Board size – Maximum of 9, minimum of 7, with one representative of the Mayor or Council.
2. Composition - A majority (at least 5) members shall be owners or occupants of property within the District.
3. Term – The nine board member positions shall rotate every three years, with three positions expiring at the end of each calendar year-end. The Board may remove, by a majority vote, any BID Board member who is absent from more than 3 meetings, without a valid excuse. In the event that a member takes the position mid-term (before the position expires every three years), that term shall count as the first term if two years or more remain on the term. Should less than two years remain on the term, this time is not counted towards the term limit and the board member shall be allowed to serve up to the maximum two additional three year terms.
4. Compensation - None.
5. Meetings - All meetings of the Board shall be governed by the Wisconsin Open Meetings Law. Minutes will be recorded and submitted to the City and the Board. The Board shall adopt rules of order to govern the conduct of its meetings and meet regularly, at least annually.
6. Record keeping - Files and records of the Board's affairs shall be kept pursuant to public records requirements.
7. Staffing - The Board may employ staff and/or contract for staffing services pursuant to this Plan and subsequent modifications thereof. Unless requested otherwise by the Board, any staff members or employees of contractors may attend all meetings of the Board, but will not have voting authority.
8. Officers - The Board shall appoint a Chairman, Treasurer and Secretary, any two of the three of which shall have the power to execute documents on behalf of the full Board, for the purposes

authorized by the full Board. The Board may also give its staff limited ability to write checks to carry out the Plan. Any individual on the Board can be appointed an Officer, but shall be limited to two consecutive years as an Officer.

D. Relationship to On Broadway, Inc.

The BID shall be a separate entity from On Broadway, Inc., notwithstanding the fact that members, officers and directors of each may be shared. The Association shall remain a private organization, not subject to the open meeting law, and not subject to the public record law except for its records generated in connection with the BID board. The Association may, and it is intended, shall, contract with the BID to provide services to the BID, in accordance with this Plan.

IV. METHOD OF ASSESMENT

A. Assessment Rate and Method

The principle behind the assessment methodology is that each property should contribute to the BID in proportion to the benefit derived from the BID. After consideration of other assessment methods, it was determined that assessed value of a property was the characteristic most directly related to the potential benefit provided by the BID. Therefore, a fixed assessment on the assessed value of the property was selected as the basic assessment methodology for this BID.

As of January 1, 2025, the property in the Broadway Business Improvement District will have a total assessed value of \$101,562,800 million. This plan proposes to assess the property in the district at a rate of \$1.55 per \$1,000.00 of assessed value. This represents a 5.4% change from the prior year, or \$0.08 per \$1,000, and subject to the maximum assessment for the purposes of the BID.

Appendix shows the projected BID assessment for each property included in the district.

B. Excluded and Exempt Property

The BID law requires explicit consideration of certain classes of property. In compliance with the law the following statements are provided.

1. State Statute 66.1109(1)(f)Im: The district will contain property used exclusively for manufacturing purposes, as well as properties used in part for manufacturing. These properties will be assessed according to the method set forth in this plan because it is assumed that they will benefit from development in the district.
2. State Statute 66.1109(5)(a): Property known to be used exclusively for residential purposes will not be assessed; such properties will be identified as BID Exempt Properties in Appendix C, as revised each year.
3. In accordance with the interpretation of the City Attorney regarding State Statute 66.1109 (1)(b), property exempt from general real estate taxes has been excluded from the district. Privately owned tax-exempt property adjoining the district and which is expected to benefit

from district activities may be asked to make a financial contribution to the district on a voluntary basis.

V. RELATIONSHIP TO GREEN BAY COMPREHENSIVE PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. City Plans

Objectives: Downtown Revitalization Support economic revitalization of downtown by encouraging diverse economic activity including government and professional offices, insurance and financial services, education and training, convention, lodging, food and beverages, and entertainment, retail, and high-density residential land uses. - *Chapter 26: Economic Development: Objective - 4, from Smart Growth 2022, City of Green Bay, May 2003.*

Land Uses: "Downtown" Mixed Use: The "downtown" land use category allows and promotes high-intensity office, retail, housing and civic land uses, preferably in mixed use buildings with a strong pedestrian orientation. It applies within the Broadway corridor as it does in Downtown "proper," although the scale of buildings along Broadway is smaller, and the intensity of use is likely to be somewhat lower. As discussed in the Historic Preservation Plan, the Broadway historic districts could benefit from site plan review of development projects, using design standards that are geared to the specific character of those districts. - *Chapter 22: Neighborhoods and Districts: Objectives, Policies and Recommendations for District 3, from Smart Growth 2022, City of Green Bay, May 2003.*

Based on the objectives and land use requirements cited above, this BID Operating Plan is consistent with the City's Comprehensive Plan for the Broadway District.

B. City Role in District Operation

The City of Green Bay has committed to helping private property owners in the district promote its development. To this end, the City is expected to play a significant role in the creation of the Business Improvement district and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan, and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1109 (3) (c) of the BID law.

5. Provide the board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the BID assessments.
6. Encourage the State of Wisconsin, Brown County and other units of government to support the activities of the district.

VI. PLAN APPROVAL PROCESS

A. Public Review Process

The Wisconsin Business Improvement district law establishes a specific process for reviewing and approving proposed districts. Pursuant to the statutory requirements, the following process will be followed:

1. The City of Green Bay Plan Commission will review the proposed district boundaries and proposed Operating Plan and will then set a date for a formal public hearing.
2. The City Plan Commission, in cooperation with the Economic Development Department, will send, by certified mail, a public hearing notice and a copy of the proposed Operating Plan to all owners of real property within the proposed district. In addition, a Class 2 notice of the public hearing will be published in a local newspaper of general circulation.
3. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
4. The Common Council will act on the proposed BID Plan.
5. If adopted by the Common Council, the proposed BID Plan is sent to the Mayor for his approval.
6. If approved by the Mayor, the BID is created and the Mayor will appoint members to the district board established to implement the Plan.

B. Petition against Creation of the BID

The City may not create the Business Improvement district if, within 30 days of the City Plan Commission's hearing, a petition is filed with the City containing signatures of:

1. Owners of property to be assessed under the proposed initial Operating Plan having a valuation equal to more than 40% of the valuation of all property to be assessed under the proposed initial Operating Plan, using the method of valuation specified in the proposed initial Operating Plan; or

2. Owners of property to be assessed under the proposed initial Operating Plan having an assessed valuation equal to more than 40% of the assessed valuation of all property to be assessed under the proposed Operating Plan.

VII. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the BID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this initial Operating Plan.

Section 66.1109 (3) (a) of the BID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon Year One activities, and information on specific assessed values, budget amounts and assessment amounts are based on Year One conditions. Greater detail about subsequent year's activities will be provided in the required annual Plan updates, and approval by the Common Council of such Plan updates shall be conclusive evidence of compliance with this Plan and the BID law.

In later years, the BID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Green Bay.

B. Amendment, Severability and Expansion

This BID has been created under authority of Section 66.1109 of the Statutes of the State of Wisconsin. Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the BID and this BID Plan shall be amended to conform to the law without need of reestablishment.

Should the legislature amend the Statute to narrow or broaden the process of a BID to exclude or include as assessable properties a certain class or classes of properties, then this BID Plan may be amended by the Common Council of the City of Green Bay as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act. This is specifically authorized under Section 66.1109(3)(b).
