## Traffic Safety Plan

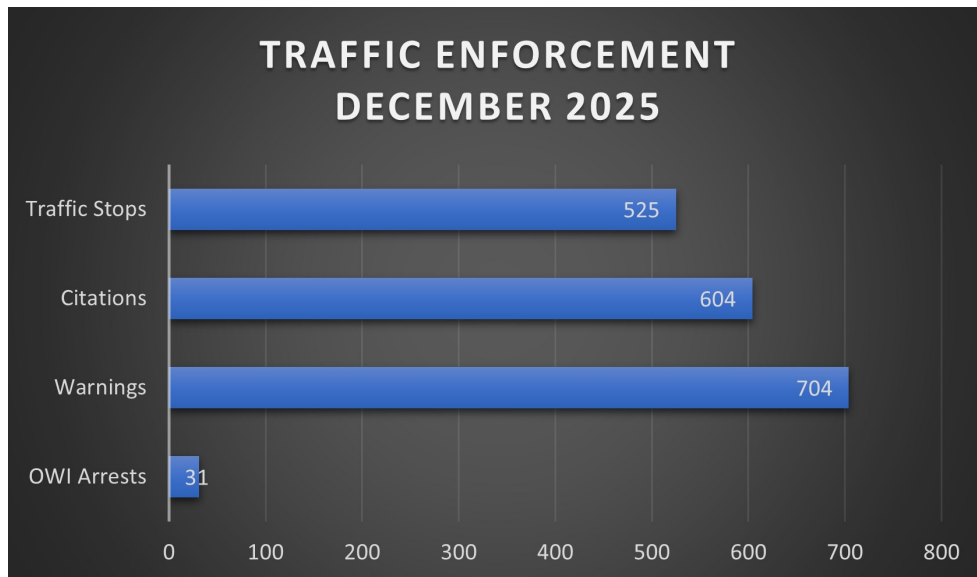

Traffic complaints are the #1 complaint made to the Green Bay Police Department and City Alderpersons. The police department is committed to safe travels for motorists, pedestrians and bicyclists. With a goal of reducing traffic crashes, property damage, injury and death on Green Bay’s roadways, the police department will use a data driven approach for traffic enforcement. Data analytics from crash data, citizens complaints and speed boards (when in use) will be used to identify traffic emphasis areas. Each month’s report will be posted on the police department’s website and will be presented at the Traffic, Bicycle and Pedestrian Commission meeting.

Monday, January 26, 2026

Alderman Brian Johnson and Green Bay Traffic, Bicycle & Pedestrian Commission:

We're writing to request the removal of the "No Stopping or Standing 10 PM to 3 AM Friday to Sunday" signs on the 700 block of South Broadway. Together, we represent the ownership of all private property on the block, with two of us residing on the block and another two of us operating the only businesses on the block.

The operating businesses include:

- RumRunners, located at 715 South Broadway, a tavern, and
- The Tracks, located at 711-713 South Broadway, a live music venue with a bar.

Both businesses regularly serve customers between the hours of 10 PM to 2:30 AM on Fridays, Saturdays, and Sundays. It's vital our businesses offer on-street parking on weekends during the busy hours of 10 PM to 2:30 AM to accommodate our customers. The current parking restrictions are challenging for customers to observe while participating in the purchase of alcoholic beverages as they require customers to operate their vehicles to re-park. With our combined investment on the 700 block of South Broadway, we request the removal of the signs and related parking restrictions to promote, rather than penalize, customer spending at the businesses on our block.

Thank you for your consideration.
